## PRESIDENT'S MESSAGE

*By Bill Burkholder*

Spring is here and our first Cruise Night was a success!!! Thanks to the Rubys and Stouts for hosting this event again this year. The parking lot was full and for a short time we had to block off the entrance until some cars left. The weather was the best it has ever been for an April night and the number of cars and bikes made the night memorable. This is a monthly event held on the third Saturday of the month from April to October, from 6 PM till 10 PM at the Rosemore Center on County Line Road in Warminster.

Things are progressing well with the Cavalcade (June 26th & 27th); Bob Weiss has secured two great cars from G.M. for the show this year. We will again have the very popular Tiger Shark and a Daytona Pace Car. Bob has spent long hours on the phone to set up these vehicles for our Cavalcade. Thank you, Bob. Rich Rodgers is still in need of a few cars for our inside show, so if you have a desire to show your car please give him a call at 215-364-0374. To answer a question that was asked, YES you can show your car and also get it dynoed. There will be a limited number of spaces that we can park you in, to get the cars out for the dyno. If you wish to do this, please contact Richy Josephs ASAP (information in Gas Cap). We also need a pro type leaf blower (little wonder) on Friday to clean out both buildings. If anyone has one, please notify John Clipner at your earliest convenience. The Show & Shine on Sunday will have a DJ and prizes, come out and bring your chair and sunscreen and hang out!!!

Don Terranova has asked that if you wish to be on an E-mail list to receive news of events or an event calendar sent to you by E-mail, please send him an e-mail letting him know that you wish to be on his list. Just to let everyone know this list will NOT be used by anyone other than the Club and Don, this information will NOT be sold or given away. This is only for our club to contact you about an event or as a reminder of an upcoming event. (cont. page 3)

## Pocono 500 NASCAR Race

As you may have noticed we were promoting the Sept.26<sup>th</sup> NASCAR race in Dover. Unfortunately this is same day of the very popular "A Day at the Beach Corvette Style" in Ocean City, NJ. The NASCAR folks absolutely refused to reschedule the race for us. As it turns out, the people interested in attending the race we're also interested in attending the Boardwalk event. The decision was made to scrap the Dover race plans and start plans to attend the **Pennsylvania 500 NASCAR race at the Pocono Speedway on August 1<sup>st</sup>**. All club members interested should contact Don Terranova [dpterranova@yahoo.com](mailto:dpterranova@yahoo.com) or 215-794-7393.

Thank You, Don Terranova

## Upcoming CCDV Events

As the weather heats up, our calendar begins to bulge. We have quite a number of events ahead. If you have an event that you feel is worthwhile, please bring it to our attention.

We are working on a cruise to the Drive-In either Shankweilers's or Becky's Drive-In, on June 5<sup>th</sup> both are in the Allentown, Pa area. This event is dependent on what they are playing at the Drive-In on that particular day. Please stay tuned. If you wish to be notified by email as soon as a date has been confirmed email me at [dpterranova@yahoo.com](mailto:dpterranova@yahoo.com)

Plans are underway for the very popular Crab Dash, Tiki Cruise, Hot Dog Run, Pocono 500 NASCAR race, cruise to the Antique Car Museum in Hershey and cruise to "A Day at the Beach Corvette Style" in Ocean city, NJ and another Rally in the Fall or sooner.

Of course we have our monthly events Cruise Night, Corvette Challenge and the Cavalcade. Details for all upcoming events will be published in the Gas cap when they are available or if you wish to receive them by email contact me at [dpterranova@yahoo.com](mailto:dpterranova@yahoo.com)

## GOING RACING by Tony Buonassisi

What started out as a real bad day for racing turned out to be a good day for the CCDV racers. Making the trip over to E-town were John Burbich, Al Betz, Ken Lynch, Joe Signore, Ellis Gray, Neil Fine, Bob Rosenberg, myself and new racer, Don Terranova. Rose drove the tire truck, cheered us on, and lent a hand wherever it was needed. With a 2-½ hour delay while the track officials dried and prepped the track we had lots of time to change tires and bench race. El and Neil were running the Challenge and the GM EFI series that was going on today. El's car was running pretty consistent 12.2's all day and Neil's Z was cranking out 12.4's most of his time shots. Al was "on" all day and John was introduced to the new LED's and was getting use to them. Ken Lynch ran 1 time shot, he knows his car and that was all he needed to dial in. Bob Rosenberg was using his newly found launch technique to get his car down where it belongs, time wise. Don Terranova signed up for points and we added yet another racer to the team. Don was a little concerned with his clutch but he had no trouble with it all day. Joe seemed to be getting use to the new lights, but track conditions had his times bouncing around a bit. As for me, after running a 13.03 in the first time shot, my clutch started slipping and each time shot after that got worse. First round saw Don, John, Neil and El red lighting. Ken had to go against Joe in the first round and with the changing track found himself running 3 tenths slower than his time trial and lost to Joe. Bob picked up another first round win along with Al. My clutch slipped badly on launch and after beating my opponent on the tree, I lost when I ran 2 tenths slower than my dial in. Joe went out in round 2. Bob got to run Edgar Perez, who had cut a perfect .000 light in time trials, and before the race told Edgar he was going down even with that perfect light cause this was now and that was then. Edgar, always the cool racer brushed off the challenge from Bob and easily knocked Bob out of it. Al racked up the points for the team, by getting to the semi-finals. He was clearly having a ball going round after round. He also picked up a trophy for closest to dial in, in the first round. Way to go Al! In the Semi's he was a little too anxious and knocked himself out of the running by red lighting. Running today was also the Quick 8 of the Corvette Challenge. These cars are just awesome to watch and hear. The quickest time was a 9.55 at 149 mph, with lots of low and mid 10's. It was a great show. So despite the bad start, we all had a great time, with lots of laughs and excitement. Thanks guys!

Since the next race is at the end of May we will try to get something together to keep our edge. Our closest competitors in the Club Challenge, County Corvette Association, may have cooked up a surprise for the CCDV for the beginning of June. Keep an eye on this column and the "Racing" section on our website [www.ccdv.com](http://www.ccdv.com), for news. Next race is May 29th at 9:00AM. We will be leaving Bennigans at 7:30-7:40 to get to the track by 8:45. Everyone is hoping that the good weather will be here, so if you would like to race or just come out to watch, come join us.

### *ECS Corvette Challenge Schedule*

## HOODS UP – Sue Magaruh

I know no one has ever found motor oil in human veins, but I have to wonder as technology advances in DNA testing, will they discover a “car” gene in certain individuals. Stan Fisher would certainly be a smart choice for the trials. He is a self proclaimed car nut who as a child often drove his parents crazy by successfully identifying make and model with as little as a taillight. This craze was fueled by visits to his grandparents in Tampa where he would hang around Don Garlits’ Speed Shop.

Stan having his very own wheels began with a ‘57 Ford, which required him to sell his entire slot car collection in order to make the first insurance payment. However, the thrill was over in two hours, when he was broad sided and the sting of it all left him uninterested in driving again. Dad wouldn’t hear of it and Stan was soon seen in a ‘62 Bonneville convertible with cool taillights. This was later sold for a ‘67, 390 4-speed Mercury Cyclone GT. The 15,000 on the odometer and the low price were just too good to pass up. Stan called it his “circus wagon” because of the silver body, painted (not vinyl) black top, red interior and red stripes. Six months later, it was totaled when someone ran a stop sign.

However, things began to look up. Stan met his wife, Maryann and they dated in his dark ivy green, ‘66, 390 4-speed Ford Fairlane GT (minus the chrome). Maryann’s Dad and brother being Chevy men caused Stan to think outside the Ford box. A trip to Stout’s in Reading resulted in a dark green ‘70 SS Chevelle LS6 with white stripes on the hood and 450 hp under it. In short, “the thing went like crazy” and carried them off to their honeymoon in Watkins Glen for the 1973 race.

Once home, Maryann thought learning to shift would be easier if she had her own 4-speed, so they purchased a ‘67 maroon GTO. As children came along, cars gave way to boats and as children grew, boats gave way to a new interest. That was when Stan started dreaming of a Corvette. Taking the advice of a co-worker, he thought the best way to buy one was to join a club. In 2000, he attended the Cavalcade, became a CCDV member (without a car) and started the search for his Vette. There were disappoints along the way for sure, but Stan kept on looking, reading and researching for a mid-year. In February 2001, his Marina Blue 327/350 ‘67 Sting Ray found its way to Roger’s Corvettes in Orlando. Stan e-mailed a photo and description to Dr. Dobbins, who gave it thumbs up. Ed Augustine, Florida Chairman for NCRS was asked to judge the car. Based upon the judge sheets, it was *The One*, but one with a deposit on it from another potential buyer. Having tickets for the Daytona 500 that year worked well. While in Florida, the car became available and the Fishers had their Vette! Unfortunately, it became a bittersweet trip after witnessing Dale Earnhardt’s fatal crash.

Stan and Maryann had their ‘67 shipped home and it arrived safely on a huge tractor-trailer with three feet of snow predicted in the forecast. Future plans include a list of mechanical changes to its original engine and then the body freshened with new paint.

As for personal taste, Stan likes all Corvettes, but favors the mid-years in blue and with a convertible top. He feels he has been trusted with a piece of automotive history and it’s his job to preserve that history. He finds some of the C1’s absolutely stunning. Stan likes to enjoy and drive with little worry of winning competitions. He prefers to look at the car as a nice example of a Corvette and displays it for the Lansdale and Hatboro shows (special towns for both of them). Despite his demanding work schedule and the frustration of missing events, being a club member has been wonderful. It has offered fun outings, lots of nice people and good friendships. He also loves the connection his car makes with strangers and a common interest shared. Great times are spur of the moment gatherings on a beautiful day with the top down, a soft breeze and the shade of trees overhead.

I asked Stan what thoughts come to mind when the word Corvette is spoken. He answered, “Unique styling, performance and handling. It’s a car that gets better all the time.”

# Cavalcade 2004

# June 26 & 27th

Plans are well underway for this year's Cavalcade. We are planning a great show this year and there will be no rain...it has been decreed!

We are in need of additional volunteers for all of the committees. I would welcome everyone, even if you have only an hour or two to give, to call or email me at 215-348-1428 or [johnvette@voicenet.com](mailto:johnvette@voicenet.com). If you can't attend the show, you can still help by being part of the planning committees. Everyone can also help by buying or selling a few ads for the program book.

Many thanks to my co-chairs and current heads of committees for their hard work. We have a great club and it is an honor for me to be a part of it. Come and join us in making this show a success!

John Clipner, Cavalcade Chairperson

## **Activity Committee**

Actually we do not have an Activity Committee. We have an Activity Leader, which is myself, but I feel that the club would benefit having a committee rather than only one person. A committee can bring a wider range of interests, which will lead to more various events. I would like to meet once a month we can discuss ideas for different events. I am looking for more of a think tank committee rather than people to do the administrative work, the phone calls and putting things together is the easy part, coming up with creative ideas is the hard part.

If you are interested in volunteering for this committee please notify me, Don Terranova at [dpterranova@yahoo.com](mailto:dpterranova@yahoo.com) or 215-794-7393 or at the monthly meeting. Thank you

---

### **Night at the Drive In**

On Saturday June 5<sup>th</sup> we will be cruising to the Drive-In and Dinner at either Becky's Drive-In at Walnutport, PA (approx. 43 miles from Souderton) or Shankweiler's Drive-In at Orefield, PA (approx. 32 miles from Souderton). Unfortunately we can't make a decision as to which Drive-In to choose until they post their movie schedule, which may be the week before. As soon as a decision is made I will post it on the website or you can email or call Don Terranova.

If we go to Becky's we will stop for dinner along the way at the Berlinsville Hotel. If we go to Shankweilers we will stop at the Outback in Allentown along the way. If you wish to cruise and dine with us but not go to the Drive-In that's fine, you're more than welcome. We will depart from the Giant Supermarket on rte. 309 in Souderton, PA. The time will be announced, as we get closer to June 5<sup>th</sup>.

To sign up call Don Terranova 215-794-7393 or email me at [dpterranova@yahoo.com](mailto:dpterranova@yahoo.com)

## AT CCDV WE TRY HARDER

In our ongoing effort to keep our members informed of upcoming events we will be adding a new feature which we feel will be very useful. We are in the very early stages of compiling a distribution list of all club members email addresses. Once this is completed we will email each member a monthly events calendar, a list of upcoming events and flyers when available of upcoming events. We have a few bugs that have to be worked out but this should prove to be a useful tool for club members. Your email address will be held confidential and this service will never be used to advertise any services ever. You will be able to stop this service at any time. One of the issues that confront us is whether or not we have your correct email address. If you are not certain you can email your address to me Don Terranova [dpterranova@yahoo.com](mailto:dpterranova@yahoo.com) or give it to me at the monthly meeting.

## Dyno at CCDV Cavalcade - June 26th & 27th

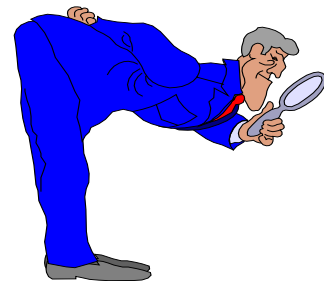

Phoenix Performance has again agreed to bring their chassis Dyno to our show. In order to cover their costs, there must be at least ten pre-registrants. The cost for three pulls is \$75.00 (pre-registered) and \$85.00 at the show. A \$25.00 deposit must accompany the pre-registration form. In the event of a cancellation, the deposit will be returned. Checks should be made payable to CCDV. For forms and/or questions, contact Richy Josephs at 215-675-3131 or [rjosephs@innovinst.com](mailto:rjosephs@innovinst.com)

## Wanted: Gas Cap Articles, Pictures, Adventures

We would like to encourage CCDV members to send us their Corvette hobby experiences. Some of you may have been part of a cruise that was enjoyable or perhaps you found out the hard way not to do something. Please share these tales of joy or woe with your fellow hobbyists. Even if your story is about a car other than a Corvette, if it's interesting why not send it to Bob Rosenberg at [rar21@comcast.net](mailto:rar21@comcast.net) for inclusion in a future Gas Cap?

Many of you have digital cameras. Why not introduce yourself (and significant other) to the readers of the Gas Cap with a picture standing next to your pride and joy? Just send your photo to us at [rar21@comcast.net](mailto:rar21@comcast.net) and we'll do the rest.

# This Month's Bryner Chevrolet Specials

Bryner Chevrolet is proud to be the official sponsor of the Corvette Club of Delaware Valley.

We now have two very special Commemorative Edition Convertibles- one is the show car from the Philadelphia Auto Show. Both are in Lemans Blue with shale leather interior and top; equipped with 6-speed trans, chrome wheels and option package with head-up display and memory package. The Auto Show unit (#9764) has the Magnetic Selective Ride Control as an added option. The MSRP is \$56,400 (#9839) for the one unit and \$57,845 for the show car. Pricing for CCDV members is now lower than ever- \$49,213 MINUS REBATE for the one unit and \$50,482 MINUS REBATE with the Magnetic Ride. Currently, the rebate is \$2,000 but that may go higher (or lower) at GM's discretion.

Also available, a 2004 Magnetic Red Coupe (#9474) with Light Oak interior, 6-speed with 1SB option group and dual roof. MSRP is \$48,950 and CCDV members can purchase for \$42,588, plus tax and tags less the \$2,000 factory rebate, for a price of \$40,590.

And last but surely not least- a pre-owned 2001 Z06 Hardtop (#9866a) in quicksilver Metallic with the red and black leather interior that really sets this one apart- only 9,400 miles with 385hp and ready to ROCK!

We are taking reservations for orders on the new C-6 body style, 2005 models.

**Please give us the chance to demonstrate these great cars. Contact Scott Burkart, Sales Manager, at 215-886-3140 or visit our website at [www.brynerchevy.com](http://www.brynerchevy.com) where you'll find an e-mail link.**

**Thanks for your continued support of our dealership**

Our 3-day - 50 mile - MS Challenge Walk Team has organized 2 Beef & Beers to raise funds for Multiple Sclerosis research and treatments. MS is a debilitating and sometimes fatal disease, which affects hundreds of thousands of people and their families. You may recall that my oldest sister died from MS related illness.

The first B & B will be held on Saturday, June 12<sup>th</sup> from 8 PM to 12 midnight at the Willow Grove VFW (where we hold our monthly meetings), 3612 Moreland Road. Space is limited, so please order tickets as soon as possible.

If anyone is interested in attending or buying 50/50 tickets (you don't need to be present to win) please contact Joel or Sue Fellman at: 215-969-0392. Thank you!
