## **PRESIDENT'S MESSAGE**

by **Ed Bonk**

As I write this message it's hard to believe that May is almost over and June is here. With all our activities each month it should not be a surprise how quickly time flies by.

To start with May, this month's cruise night threatened rain but it did not stop the show's participants from entering their cars. Fortunately it did not rain and the lot was filled with spectators and families walking around looking at these fine cars. In addition to the cars, one of the things I like best during the night is the camaraderie and friendliness of everyone walking around. The car owners love talking about their automobiles and the work they put into them. This includes both the older cars and newer ones. If you have not had a chance to stop by, it's the third Saturday night of the month at Pep Boys in Warminster. A couple of members came up to me and introduced themselves and we chatted. I like that very much when I meet our club members for the first time.

The roving breakfast went very well. About 30 of us met at Mastoris Diner in Bordentown, NJ and ate another breakfast that was just awesome. The breakfast menu was so big it took about 8 to 10 minutes to read through it. We then caravanned to Atlantic City to see a Corvette and NCRS judging show that was sponsored by The Boardwalk Corvette Club and Kerbeck Corvette.

A large group of club members who did not go to breakfast met at 7:30 AM in Ft. Washington and caravanned to Turnersville, NJ to meet some more club members.

### ONLINE GAS CAP

All club members can access the online Gas Cap while still receiving the U.S. Mail version. Make sure your site status reads "CCDV Club Member".

If so, you can download it. If not or if you have problems, ask for help at the message forum at

[www.CCDV.com](http://www.CCDV.com)

**President's message** (continued from page 1)

They arrived in AC early to see the show as well as display their cars. As I walked around looking at the cars and listening to live entertainment from the 'Tramps', I ran into a good friend of ours and club member Jerry Muniz who lives in The Bronx, NY. You might remember Jerry from the Hot Dog run last October. He had his second C6 in the show and when asked what happen to the first he responded, "It had 4000 miles on it and I wanted a different one". Way to go Jerry and hopefully we'll see you at the Cavalcade show.

Next month maybe I'll list our club members who do not live local so we can e-mail them and say hello. Please keep in mind you **DO NOT** have to bring your Corvette to any activity the club sponsors. You can bring whatever car you want and a lot of our activities the children would have a lot of fun as well as some are educational. Other fun events included the Scavenger Hunt, CCDV Marksmen night, racing and again we were invited to participate in the Pennndel/Hulmeville Memorial Day parade. For June we have the Fun Rally, Corvette Challenge, CCDV Marksmen and of course the **Cavalcade of Corvettes** and **Custom and Classic** auto show.

Preparations for the Cavalcade are going very well and members of the Board as well as me are extremely excited about this year's show. Look for the show's insert in all of Montgomery Press' newspapers the weekend of the show. We also have media coverage on radio, Corvette forums and flyers that are handed out at other club shows.

The General Membership meeting guest speaker was Tim Simmons our representative for the Legislative Council of Motor Vehicle Clubs of Pennsylvania. He will finish his talk at June's meeting because he needs more time. June's guest speaker will be Shawn Farrell owner of **The Vette Shop**, who has been very active with the club and specializes in Corvettes. He advertises every month in this publication should you have a need to call him.

The Public Relations committee conducted its first meeting this month and I want to thank Rose Ferrante, Jean Dautel and Dennis Levitt who is a new member for volunteering their time. I will write more on this committee next month.

And finally, ticket sales for the raffle car are going well and should you want to buy or sell tickets contact Stan O'Leary at 215-672-6361 or Bill Burkholder (afternoons) at 215-343-5968 or even myself. If you sell nine you get the tenth free. You can see the car on the club's website.

I wish you and your families the best.

Ed

## Volunteers Needed for Corvettes at Carlisle

To our members:

At the May Board meeting a motion was approved to rent space for **Corvettes at Carlisle** this year. We set up a tent and have chairs, coolers of soda and water for our club members to take a break during their visit. We are looking for volunteers to dedicate one or two hours of their time either Saturday or Sunday to watch over the tent and fill the coolers with ice and refreshments if needed. You can set your own time and we will work around your schedule. Any questions call me at 267-253-7460.

Thanks, Ed Bonk

# Going Racing

by Tony Buonassisi

The second race of the season finally came off, although just barely. With the threat of rain all morning long and a couple of calls from a few members that live only miles from the track, we headed out for E-town for what turned out to be a great day. Going to this race were John B, Doug, Laura, hubby Buzz, their son Bill and his friend Chris and friend/mentor Wayne, Joel, Neil, El, myself, Rose, and meeting us at the track were Edgar and Rob. Glenn's car was not ready so he borrowed a friend's AMG Mercedes and took it down the track during time trials. As we pulled into the track I noticed that there were far more Vettes than I expected and a lot less Camaros, Firebirds, and Mustangs that were going to do a little dueling on this same date. It was a blessing, as everyone who went got to run at least 4 time runs to get their cars and themselves tuned in. The sky started to break and the temperatures started to climb, but the cars all seemed to like the air that was at E-town. I ran a personal best of 12.883 in time trials and backed that up with a 12.885. Laura also had a personal best of 14.45 and her lights are getting better with every run she makes. She is going to give Doug a run for his money for "Rookie of the Year". First round, Edgar, John, Neil, Rob and I got eliminated. There were 5 CCDV members going to the second round. Laura was really upsetting the guys she had to run against as they were going red against her. She advanced into the fourth round and picked up a total of 5 points for Team CCDV. Joel was going rounds in his oh so consistent Yellow Shark. With a dial in of 15.8's he made all the cars he raced against wait at the line for seconds, then they had to chase him down. Joel was also cutting some great lights with lots of .0's. Meanwhile, Joe was hampered by the 13.5 second rule for convertibles and had to play the top end game every round he went to. Joe had to go against Joel in one of the later rounds and knocked Joel out. El had to race Chris Young and got bumped out. Watching from the stands was our main cheerleader/truck driver, Rose. Bill came up later in the day bringing Jean with him to help cheer us on. Thanks to all who came out to race and root for Team CCDV. After 2 races, Team CCDV holds a 47-13 lead over County Corvettes. Ron Leader received a plaque and Tech Card for his very impressive closest to dial in the first round, the CCDV sponsored award. He dialed an 11.69 and ran an 11.690. That would be perfect.

The next race is June 11th. This is a morning event. If you're looking for something to do, come on out to either race or cheer us on. We'd love to have you come along.

Vintage Thunder returns to Cecil County Raceway on June 18th. Those of us that went down last year had a ball. There are lots of time shots and some great running cars to watch as well. Check on our website [www.ccdv.com](http://www.ccdv.com), in the forum section under racing, for more details as the date gets closer.

It looks like we now have an official Autocross Team. If you're interested in Solo II competition, see Frank Gonzales or Nick Scull, hope you don't mind Nick, for information on upcoming events.

For an in depth look at the Corvette Challenge series and to see some great video, shot by our own Edgar visit [www.corvettechallenge.info](http://www.corvettechallenge.info) and <http://www.challengevideos.com/>. Thanks Edgar for all of your hard work.

Contact me, Tony Buonassisi, if you have any questions, comments or news, at 215-343-5552 or [grbngrs@comcast.net](mailto:grbngrs@comcast.net).

# Hoods Up

by Sue Magaruh

“If you build it they will come.” Remember that familiar line from Field of Dreams? It came to mind on Sunday, May 15<sup>th</sup> while I sat on my folding chair in the shade of a tree and watched cars arriving for the 14<sup>th</sup> Annual Rotary Auto Show Extravaganza. Located in Princeton it was sponsored by the Rotary Club of the Princeton Corridor.

Coming early offered free donuts and Starbucks coffee as well as the opportunity to view new arrivals. With music drowning out other sounds this scene became silent in a sense and despite the threat of showers, cars floated in one by one as if responding to a single call. In procession were combinations such as a muscle car, a pick-up, a Corvette and a Prowler. Others making the journey were farm tractors on flatbeds, an antique ambulance and a Viper for rent through Exotic Car Rental.

It was easy to find a dream in this field, which grew quickly. The parking lot of Carnegie Center off of Route 1 was that “field” for a well organized and enjoyable show. Surrounding the cars were community service groups in manned booths, vendors anxious for your attention and an outdoor food court complete with white tables and chairs. One had the option to wander and look, buy a craft to help support “Feed the Children”, donate to families of fallen firefighters, do sand art, rent a tiki shack for your next party, take a chance on airline tickets, a 50/50, or just wait to hear your number called for one of the many door prizes.

Some stand out cars for me were a painstakingly restored '38 Ford (woody) wagon with all of 85 hp, a spotless tan '58 Caddy and my brother's '62 convertible VW in Ruby Red. On display in his trunk were a German first aid kit and an original factory blanket. The rear seat held a retro Scotch Cooler ready for a picnic on a summer's drive. And just across the row from us was a beautiful '54 Corvette Roadster in Pennant Blue

One man I spoke to followed his dream by buying a 1950 Ford. He then rebuilt the car to look exactly like the one he owned in high school. Under the hood was a '53 Merc ¾ race and on its navy blue body were orange flames and '55 chex fenders. Sporting the trunk lid of this Tennessee car were the words “Burnin’ Love” above a miniature image of itself taking off from the starting line. He made it his tribute to the King.

As you entered the show, the roads in the complex were lined with bright yellow welcome signs for all the clubs. Capital City Corvettes and Corvette Express were a few among the group. The Vettes that came represented all the generations and included a nice mix of mid years. It was a great day and definitely a “field” full of dreams for many!

## Corvettes Hold 27 Spots in Top 100 Sales in Record-Shattering Barrett-Jackson Auction

On January 31, 2005 the Barrett-Jackson Auction Company of Scottsdale, AZ announced the most successful car auction in its history with record-breaking sales in numerous categories, including an all-time winning bid of \$3,240,000 (including bidder's fees) for a 1954 Oldsmobile F-88 General Motors concept car.

A custom "Hide Away Hardtop" Flip-Top Corvette led a total of 27 Corvettes, which were included in the top 100 sales. The Concept/Dream Car is fully documented with 283-245 horsepower and a 4-speed transmission. It was designed and created by Francis H. Scott, a GM stylist from the plaster/plastic department. It is the only one known to exist! The black beauty sold for \$340,200.

Another three Corvettes sold for over \$200,000 including "a one off" 1990 Callaway Super Speedster ZR1 Corvette Twin Turbo, which sold for \$210,600.

# Roving Breakfast

The roving breakfast has turned into quite a pleasant surprise. The number of Club members attending have grown each month so far. Our most recent event was Sunday, May 22<sup>nd</sup>, thirty people showed up at Mastoris Diner to indulge in one of their legendary meals. Afterward we caravanned down to Atlantic City to check out the Corvette Car Show sponsored by Boardwalk Corvette Club. We all had a great time. Our next Breakfast will be on June 18<sup>th</sup>. We have not picked the restaurant as of yet. Check the website or e-mail me at [dpterranova@yahoo.com](mailto:dpterranova@yahoo.com) in the near future for details.

## **JUNE 4<sup>th</sup> Rally Cancelled**

Our June 4<sup>th</sup> Rally has been canceled because of a lack of support. For any Rally to be successful you need at least 10 cars. As of May 23<sup>rd</sup> only two have showed any interest. This surprises me because the Rallies that we have had in the past have been quality events, a lot of time was put into creating them and there was no charge to the participants. For a car club of close to 500 members this lack of interest amazes me. Non car clubs, church groups, charitable institutions, etc. will organize a rally and charge upwards to \$50 per car and have a cut off to keep the numbers of participants manageable. We may revisit this event in the future, however at this point we have none scheduled.

## CRUISE NIGHT AT PEP BOYS

Cruise Night at Pep Boys in Warminster is a big success. The additions of trophies and door prizes have been a hit with the participants. We have also added a 50/50 raffle which has been very popular. We are able to finance the entire event with the 50/50. The only problem that we face is space. If the show continues to grow we will need a larger parking lot for next year, unless we can get approval to use the adjoining parking lot. There are pictures of last month's cruise on the CCDV website under Forums/Past Activities. June 18<sup>th</sup>, July 16<sup>th</sup>, Aug. 20<sup>th</sup>, Sept. 17<sup>th</sup> and Oct. 15<sup>th</sup> are the dates scheduled for the remaining Cruise Nights.
