PRESIDENT'S MESSAGE *by Ed Bonk*

Despite some stormy weather the month of July was quite eventful and a lot of fun. Let me start with the July 4th Orland parade, and what a parade it was. I estimate over 6,000 people lined the streets, either sitting on curbs, chairs, the lawn or stood waving to the 48 Corvettes that were in the parade. The houses, people and even the pets were decorated in the Red, White and Blue and waving the American flag. Happy little children picked up the candy we threw out to them and a lot of the residents yelled nice car or thanked us for being the parade. This is as American as "Motherhood and Apple Pie".

After the parade we were graciously extended an invitation to go back to the Orland Fire House for free hot dogs and refreshments. The club and its members want to personally thank Dan Supplee who is the Fire Commissioner and a member of CCDV for his warm hospitality and friendliness. I'm already looking forward to next year. On the same day a group of our members participated in the Chalfont parade that is hosted by the **Sunshine Foundation**.

Cruise night had excellent weather and a lot of great cars were on display. The camaraderie between everyone there is also excellent and I want to give a special thanks to all the helpers who sell 50/50 tickets, pretzels and soda for always being pleasant as well as volunteering their time.

The roving breakfast was at Zoto's with over 30 people in attendance and there was a trip to the **Corvettes for a Cure** car show immediately afterward. This show supports the cure for Alzheimer disease and our club got the **Best Club Attendance** award.

(continued on page 3)

GAS CAP COMMITTEE

Members are encouraged to submit articles for publication to the Gas Cap. Technical articles, articles that deal with history, preservation or the enjoyment of the Corvette will be published without comment. Articles unrelated to the Corvette hobby or dealing with internal affairs of the Corvette Club of Delaware Valley, its board, committees, members or policies are subject to review and approval by the Board of Directors and its officers of CCDV.

Gas Cap, Website and Club Related Issues

If you have issues with the website such as: lost password, username, sign on or receiving the Gas Cap, please e-mail Bill Burkholder at wburkholder4@comcast.net. Please include your screen name, real name, and e-mail address.

Do not e-mail "WebGuy" as he now only handles the technical aspects of the website. You can also e-mail any questions that you have regarding CCDV to Bill. He will re-direct the e-mail to the proper chairperson who will be able to assist in resolving issues promptly.

President's message (continued from page 1)

One our members, Ron Fortunato was awarded the grand prize which was a free 12 hour rental of a new C6. Congratulations to the participants in the show and to Ron for winning the big prize.

At the General Membership meeting I presented the 2006 semi-annual President's award to John Tambourine for his effort as Chairperson of the 36th Cavalcade & Car show (page 6). The Hatboro car show will have some of our members displaying their beautiful Corvettes and I wish them luck in winning a prize. Also congratulations to Joe Signore who is highlighted in the September issue of **Vette Magazine** holding his first place trophy. This is the second time in four months that we had members from our club in Vette Magazine.

For August we have our annual CCDV picnic which will be at the VE club on the 5th with a rain date of the 6th. As of this writing we have approximately 70 people signed up and are expecting over 100 members in total. This is a great opportunity to meet our club members and have a great time as well. A new activity is being introduced to the club this month and that's the **Old Rhinebeck Aerodrome** 3 day trip that some our members have signed up for (page 7). Our monthly meeting guest speaker owns his own company that installs 3M Scotch guard on cars and is a friend of CCDV Member Joseph Archutowski. Of course there is the **Corvettes at Carlisle** show at the end of the month in which I was invited back again to join in the celebrity luncheon. I will also be in Saturday night's parade which starts at the fairgrounds and ends in the center of Carlisle where there is a lot of activity going on. As you can tell I love parades, especially when I'm driving my Corvette in them.

For the next two General Membership meetings I will be soliciting feedback from everyone in attendance concerning the meetings format, venue, speakers, etc. As you know this year we focused on a couple of areas within the club and made changes and I don't want to overlook this area.

I wish you and your family the best.

Ed

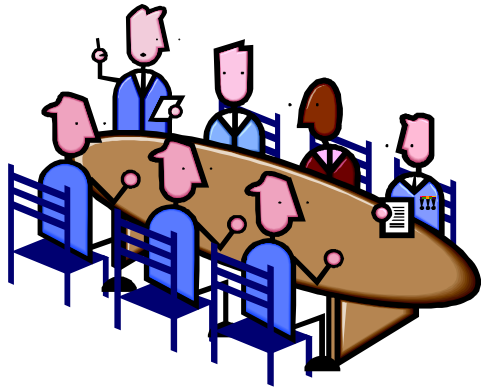

Goodnoes to Close

It's hard to believe, but Goodnoes, 298 North Sycamore Street, Newtown, PA is closing their doors after 50 years. If you are from this area you probably remember going there as a kid for their homemade ice cream. I guess they are all gone now, Greenwood Dairies, O'Boyles and now Goodnoes is next.

Anyway on Tuesday nights, through August, they're having a last blast car cruise night along with Brian's Harley Davidson's bike night. Both cruise nights are from 6-9 PM. Stop in, have some great ice cream and check out the cars and bikes before this Bucks County landmark closes.

CCDV Needs Volunteers to Form a Committee

Following a recent General Membership meeting a number of members made suggestions to improve the monthly meetings. The CCDV Board agrees it is important to offer programs with greater interest for a changing club. There are increasing numbers of women and younger men joining CCDV and the Board Members are asking for volunteers to form a committee to explore alternative ideas to improve our general monthly meetings at our new home, the V.E. Club so all the members will find the monthly meeting more exciting.

If you feel there is room for improvement, than now is the time for you to step up and share your thoughts regarding your Club's future. Please send an e-mail to Ed Bonk at ebonk1@msn.com to add your name to this important committee.

A Wonderful Young Lady with a Bright Future

Every now and again some news that has nothing to do with Corvettes or motor sports finds its way into the Gas Cap. Here's one I think you will enjoy.

Kimberly Rogers, daughter of Rich and Miriam Rogers, CCDV Club Members, just competed in her first pageant ever. She graduated from Princeton University in May of 2005 with her degree in molecular biology and went on to work for TargetRx in Horsham, PA, post graduation. She has been dancing since the age of 3, by the age of 6, she was asked to compete for dance and by the age of 16, she went out and conquered several national dance titles and a national choreography award. She danced her way through college in a student-run company named "BodyHype" and was artistic director of that company for two years.

Since Kim was such an avid dancer, she decided to try a pageant after she graduated Princeton University. Well, she went on to win a local pageant and was crowned **Miss Keystone** which took her to the **Miss Pennsylvania** pageant on July 1, 2006. There was a week-long prep leading up to the pageant on July 1 and during the Wednesday night preliminaries, she was the recipient of the Talent Preliminary Award and some scholarship money. On July 1st, she was named one of the top 10, then down to the top 5, and then went on to receive 2nd runner up to Miss Pennsylvania. Not a bad feat for someone who never did a pageant before. She received scholarship money to put toward returning to school for furthering her education in the near future.

It's uncertain what Kim's pageant future holds for her, but she had the time of her life and had the opportunity to meet many very wonderful, smart, talented young ladies. Who knows, you might see her again next year. Congrats Kim!

Going Racing

by Tony Buonassisi

I guess I don't have to tell you guys that it was **Hot, Hot, Hot** on July 29th. The temps were in the upper 90's and then cooled down a bit in the early evening. We had good crowd despite the heat.

Leaving from Bennigans, Laura, Buzz, who drove the pit truck, Laura's son Bill, Ed Quinn, Joe Signore, myself, and Vince who just brought his car out to get some more miles on the engine. Jim Bole and Devon and Devon's GF Liz, met us as we were getting off the turnpike and Ellis joined us when we stopped for a cool down break. The cars were running a little hot on the way up because of some traffic on the NJ Turnpike, so when we got to Route 33 we decided to stop to let the cars cool down a bit, and for us to get something cool ourselves. We stopped at a place that is close to where we pickup Route 527A. It looked like a mini car show when all of us pulled in together. The ice cream sure hit the spot!! Joining us at the track were Cliff Bray, Jerry Muniz, and Rob Farley. Buzz finally found a spot in the pits that he could park, but the first time shot was under way. E-town was having nostalgic racing on Sunday and security had roped off a large portion of the pits for those racers. Some of the guys missed the first time trial and they were only giving us two time shots because of the heat. That made for some not so educated guesses on dial-ins.

First round had me paired with Ralph Savarese. Ralph was dialing 11.40. Leaving first, I had a bad light, but led Ralph the whole way. However I took too much stripe and broke out running a 13.31 on a 13.40 dial in. Ralph later said he spun at the line. I dumped the throttle at the top end and thought that was enough to keep me from breaking out, but I was **WRONG** again. At the end of round one there were only two CCDV's in the race, Joe and Rob. Both made it to round three where they lost to their opponents. We had a lot of breakouts during competition. The temperature had cooled a little to 92 degrees, but the cars were still running a little hot. It was not a good day for us, but the good news is that we have an overwhelming lead in the Club Champion quest, 114-11 over the second place team.

The Pro 10 index was also running along with the regular Challenge and Edgar came up with a win when his opponent in the final got loose at the top end and he got off the throttle. In this type of racing the dial is given to the racers, 10.00 seconds in this case, and whoever crosses the finish line first wins, even if he doesn't run close to 10.00. This is more of a heads up race, like we use to have in the good old days. A video of Edgars win can be seen here, http://challengevideos.com/video2.php?video=/2006/event7/Pro10/Pro10-3_final.wmv&title=Pro+10.0+July+29+2006.

On August 5, the 20th Annual East Coast Show and Go will be held. Gates will open at 9:00 AM. In the afternoon there will also be a Corvette vs GM Trophy Bash. Gates open at 4:00 PM for that event. Our Club picnic is also being held at 4:00 PM at the VE Club, where we now hold our monthly meetings.

(continued on page 8)

Drive-In Movie Cruise

On Saturday, September 9th we are planning another run to Becky's drive-in movie theater, visit their website at: <http://www.beckysdi.com/>.

Becky's is located about 20 minutes north of Allentown, PA. We will meet at the Giant Food market in Souderton on Routes 113 and 309 at 5:30 PM. We will not be stopping for dinner beforehand, so either bring a picnic type dinner with you or you can simply buy food at Becky's snack bar.

It is necessary to arrive early; 7 PM is a good time as you can still find a good parking spot. They do fill up quickly. In the past we have parked our cars, then took a short walk to the Berlinsville Inn and have a drink or two. Gloria Kravetz and her husband Mike have owned the Inn for many, many years, then head back before the movie starts. Gloria is quite a character and she keeps the place jumping and of course the \$1 beers help too. This has proven to be a fun time and many of us look forward to visiting with Gloria as much as the movie.

We won't know what's playing until about a week before. However they have 2 screens and have always shown first run feature films. For those of you that are joining us for the first time here is some information. The movie starts at dusk around 8:45 PM. The admission fee is \$6.50 per person. They broadcast the audio on an FM signal instead of those tinny speakers, so bring a portable radio or you can use your car radio. Many people bring chairs and gather as a group in front of their cars. Bring bug spray and a blanket.

Because we are not stopping at a restaurant, there is not a need for a finite headcount. However we will have a sign-up list on this posting.

2006 Semi-Annual CCDV President's Award

Early in 2005 I asked the Board to allow me to present a form of recognition to any member whose contributions, enthusiasm and commitment to the club was at the highest level. Throughout the year we continually give recognition through verbal or written communication such as a simple "Thank you" or a physical means such as a trophy, but I was looking at this at a different echelon. Realizing we are a premier club and such an award is warranted, the Board approved the idea. I named it the **CCDV President's Award** and wanted it presented on a semi-annual basis due to the number of people who participate in our club activities past or present. I felt the award should have no boundaries such as what year the recognition was deserved, how many years someone is a member or the type, level or number of activities. This would not be your average type of award, as it would require hard work and a significant contribution to our club and its members. The award is 10 inches high, has a contemporary design and made of blue acrylic with white lettering.

The first 2006 recipient of this award was presented to **John Tambourine** at July's General Membership meeting whose contributions and efforts as the Cavalcade & Car Show Chairperson exceeded expectations. John eagerly assumed this responsibility last November knowing there were multiple challenges awaiting him. Not only did we not have a location for the show, the venue changed from the traditional indoor two day show to a one day outdoor show, thus changing tasks that were known to now being unknown. John diligently worked through all this and not only focused on a current plan but a three year plan as well. Despite the poor weather we still had approximately one hundred cars and the show was very successful. In addition to this assignment John always participates in other activities, meetings or as an advisor to other committees. Should you see John in your passing please congratulate him on his efforts to our club and its members.

For your information Don Terranova and Joel Fellman were the 2005 recipients of the award.

**CCDV Weekend Trip to Rhinebeck, New York
August 11, 12 and 13, 2006**

THERE IS A 15 CAR LIMIT ON THIS EVENT

Come caravan with Don and Kathie Conrad to the heart of Dutchess County in New York State along the Hudson River. This will be a weekend filled with historic sites, delicious food and wine, and the [Old Rhinebeck Aerodrome](#) for an air show focused on restored and original WWI aircraft.

We will visit the [FDR Presidential Library and Museum](#) in Hyde Park. This is the lifelong home of President Franklin D. Roosevelt, including gravesite and Rose Garden. We will also tour the [Vanderbilt Mansion National Historic Site](#) which was the summer home of Frederick and Louise Vanderbilt, built between 1896 and 1898. This home is representative of the "Gilded Age" of opulence. This exquisite home has a spectacular view of the Hudson River and includes extensive grounds, trails and formal gardens. Our visit will include a stop at the Hyde Park Antique Emporium.

The Old Rhinebeck Aerodrome is a tribute to the by-gone era of aircraft pioneers (1900 - 1937). Antique aircraft and automobiles are on display and in action on the grass airfield. We'll view the Museum and attend the air show of pre-WWI and barnstorming aircraft. Open cockpit bi-plane rides are available before and after the air show.

Accommodations for Friday and Saturday night will be at the Quality Inn in Hyde Park, NY. Fifteen (15) rooms are being held until July 11, so please make your reservations as soon as possible. When reserving your room, please mention that you are part of the CCDV group. The room rate is \$85.99 plus taxes. The phone number at the hotel is: 845-229-0088.

The trip will depart at 9:30 AM sharp on Friday, August 11 from the Home Depot parking lot in Montgomeryville, located on Horsham Road (Rt. 463), just south of the "Five Points" intersection of Route 463, Route 309 and Route 202.

**Please notify Don and Kathie Conrad by [August 6th](#)
215-591-9862 or by email at: MiataKath@aol.com to confirm your participation.**

Doylestown Oktoberfest

Doylestown Township is once again planning their annual Oktoberfest for September 29, 30 and October 1. This will be the second year that the CCDV will be invited to have a car show at this event. This year the show will be bigger and better than last year's. Doylestown has pulled out the stops and after seeing how well the car show went last year they decided to allow us to bring in as many as we want. This is a nice way to end the season for us, there will be rides and activities for children, arts and crafts and plenty of food. Last year there was a issue with dust. This has been addressed and they will reroute all non-car show traffic and periodically spray the ground (not the cars) with water to keep the dust in control.

We are presently working out the details and will post them online as well as in next month's Gas Cap.

A Day at the Beach Corvette Style

On Sunday, September 24th Boardwalk Corvette Club organizes what many consider one of the nicest events of the season, barring our events of course. They line up the Ocean City, NJ boardwalk with Corvettes two abreast and leave them there for the most of the day.

During that time you can stroll down the boardwalk check out the cars or people watch. Last year we had over 35 CCDV cars show up and we took home a trophy and \$100 award for the best represented club. We try to park together as a club. That means all CCDVers need to meet at a location regroup then head down together to pre-stage. There will be more information available in next month's Gas Cap and on the web.

BOARDWALK CORVETTES

"A Day at the Beach Corvette Style"

ON OCEAN CITY, NJ's FAMOUS BOARDWALK

SUNDAY, SEPTEMBER 24, 2006

Rain or Shine! No Rain Date, No Refunds.

CORVETTES ONLY - All Entrants Must Provide a Valid Auto Insurance Card at Registration.

Partial Proceeds to Benefit Local Charities

Going Racing – (continued from page 5)

The next Challenge race is August 19th at 4:00 PM. There will also be a Pro 8 race running at the same time. There is also a GM EFI series race and a US Muscle Car race being held at 12:00 noon.

The next race after August 19th will be Sept 2nd at 9:00 AM. The US Muscle Drags will also be running. It appears we have some good racing coming up. Hope some of you can come out and race or watch.

Questions, comments, suggestions can be directed to me at grbngrs@comcast.net or 215-343-5552.

Corvette Club of Delaware Valley

PA Specialty Plate Program

You can NOW place your order for your CCDV PA Specialty License Plate

=====> **Cost for each CCDV Specialty Plate is \$22.50** <=====

Please read **General Information & Instructions** first before applying for a Specialty Plate

General Information

- The Corvette Club of Delaware Valley Pennsylvania Specialty License plates are for **CCDV members EXCLUSIVELY**. All applications **MUST** be reviewed by CCDV prior to being sent to PA Department of Transportation for processing.
- No application sent directly to the Department of Transportation by a club member will be processed.
- All applications must be sent to the Department by CCDV in monthly batches. These batches will be submitted on the 15th of each month.
- Requests for Specialty Plates are restricted to passenger vehicles, trucks and motor homes with registered weight of not more than 9,000 lbs.
- Motorcycles and trailers **DO NOT** qualify for specialty plates.
- **Specialty Plates are issued in number sequence only and may not be personalized.**
- In reference to the above "SAMPLE" plate, the actual plates will have another digit in place of the word "SAMPLE" i.e.: First plate issued will be 20001. Also, the actual legal tag number will be 20001-CC; next plate will be 20002-CC, and so on.
- You can order a CCDV Specialty Plate for any or all of your vehicles. These are **NOT** just for Corvettes. A separate Application must be submitted for each vehicle.

Instructions

You can download the application form MV-904SP on line at: <http://www.dmv.state.pa.us/forms/index.shtml> and after downloading the application form:

- Read the bottom of the form completely before filling it out.
- Fill out Sections A & D completely
- Make check payable to "Glenn R Murphy"
- Please write "CCDV PA Plate" as a memo on your check.
- Be sure to include check for appropriate amount along with application.
- Please note there is an additional form (MV-1L) needed for those people with leased vehicles. This form can also be downloaded below.
- You can write one check to cover total cost if sending multiple applications.
- Mail completed application(s) and check to:

Glenn R. Murphy / CCDV-SP
764 Edden Court
Southampton, PA 18966

Corvettes at Carlisle

The largest annual Corvette gathering is fast approaching us. Corvettes at Carlisle will be August 25 through 27. If you are interested usually a group of club members will caravan to Carlisle, check the www.ccdv.com website for the caravan post where you will find details.

This year it was decided that we were not going to invest in a hospitality tent. We had one last year and it proved to be more of a problem than a help.
