PRESIDENT'S MESSAGE

by Ed Bonk

As the leaves change colors our club continues to act as if the summer has never ended. We may have one of the most active clubs in the USA, which is what is great about our members and the volunteers that make things happen. As I get ready to write my message, I look back on the month and I'm amazed by how we just keep going and going. I want to congratulate **Walt Gordon** of Chalfont, PA. on winning the CCDV raffle car. **Walt**, thanks for purchasing a ticket in support of our charities and good luck with the car. I also want to thank **Jack Householder**, who sold the winning ticket and everyone who bought a ticket(s) or sold them. Also congratulations to **Elizabeth Halgash** and **Nancy Shore** the second and third place winners. The proceeds from the raffle are a major source of funding for the charities we support.

The month of **October** had a lot of activities and as always a lot of fun. This first weekend was the Doylestown Oktoberfest with the club having a lot of cars in the show. My congratulations go to all the winners and I appreciate the time and effort from the people who participated or volunteered their time in putting together this show. Over twenty members went on the Crab Dash to St. Michaels, MD. and everyone had a great time cruising there and enjoying the fine dining that is in this town. I want to thank **Tom** and **Cathy Bates** for putting together this successful event.

Marksman night, Racing at Englishtown, the General membership meeting and Board meeting went on as scheduled. The Tri-States Corvette Association car show in Peddlers Village had seventeen CCDV cars in the show and six of our members took home trophies.

Gas Cap, Website and Club Related Issues

If you have issues with the website such as: lost password, username, sign on or receiving the Gas Cap, please e-mail Bill Burkholder wburkholder4@comcast.net. Please include your screen name, real name, and e-mail address. Do not e-mail "WebGuy" as he now only handles the technical aspects of the website. You can also e-mail any questions that you have regarding CCDV to Bill. He will re-direct the e-mail to the proper chairperson who will be able to assist in resolving issues promptly.

President's message (continued from page 1)

We also won the **Best Attended Car Club** trophy. Congratulations to all our CCDV winners. This is the second time this year CCDV won a **Best Attended Car Club** award.

The roving breakfast at **Revivals** and the private museum tour went very well. I heard Bill Campbell's private auto collection was very impressive. Cruise night was the last one for this year and all but one went on as scheduled with no rain. I want to thank **Don** and **Chris Terranova** as well as their helpers (page 6) for your time and efforts supporting this event all summer. Giving out the trophies, door prizes and selling the 50/50s require a lot of time and organization.

What a beautiful day we had for the 22nd Annual Hot Dog run through upstate Pennsylvania. Thanks to **Dennis** and **Debbie Traves** for another well planned caravan and day of fun. There were over 30 cars driving through the countryside with lots of farms, horses, mountains and people waving. Being from the city I am breathless when I see this type of scenery. The restaurant where we ate had great food, large servings, very affordable prices and did a nice job serving over 60 people in a timely manner. Traditionally I put my top down on this run and have my heater going strong no matter how cold it gets. But this year was different in that my girlfriend Niki was fine with the top down but did not want the heater on because she said it burns her feet. Well, being the nice guy I am I had to ride 70 miles to our destination and half way home with my head feeling like a block of ice as the temperatures hit 50 degrees just so her toes didn't get hot. To say the least I wasn't up to doing much the following week and maybe she and I will need to have a heater conversation before next year's run. We also had members of the club enter their cars in the Smithville Corvette show and the New Hope-Solebury Oktoberfest car show. Like I said, October was quite a busy month.

For **November** we will continue with Marksmen night. I'm waiting to hear if Bowling night will start up again as a winter replacement for cruise night. Last year the club went to a bowling alley in Lansdale called Lans-Bowl and owned by Michael Brigidi, a CCDV member. If this should happen there will be information on the web site. This month's General membership meeting will be our election night for the Board members. At October's meeting each candidate introduced themselves and said a few words to their commitment if elected. It is very important that you come to this meeting and vote for who you want to represent the club. It will also give you a chance to meet the candidates if you have never met them as well as meet myself and the officers of the club. If you have decided to run for a Board position you will need to be nominated from the floor at this meeting.

Looking ahead to December, the club will have its annual Holiday Party on Saturday, December 2nd (page 7). As always you can click on the web site calendar button to read about any of the club's events.

In closing, I hope everyone had a great time with Halloween and I wish everyone a happy Thanksgiving (a few weeks in advance) and very enjoyable time with your families.

I wish you and your family the best.

Ed

Going Racing

by Tony Buonassisi

With 2 races left and a Top 16 invitational race at the end of the season the CCDV Race Team looks to be the winner again for the Club Challenge Cup. Our point lead is now 157 to 18 for the second place team. Big point winners for the team have been Rob Farley, Devon Bole and Joe Signore. We've had great turnouts for the year and I'm hoping to see some old faces before the end of the season, John, Ken and Ron, I hope to see you guys come out one more time.

Rob Farley is in the lead for total points with 35. Rob had an incident with his car before the October 7th race. It seems his column lock bypass was acting up and he couldn't get his car out of the driveway. Rob called El, who in turn called our friend/technician at Bryner Chevy. Steve Spencer walked Rob through the procedure for getting his system to unlock and Rob made it to the track with time to spare. A big thanks to Steve and El for getting one of our own up and running. Rob Farley has also won other series races as well this year. If you want to learn the basics of being consistent this is the man to see.

I think Devon Bole has gotten the hang of drag racing as he is in 1st place in the "Rookie of the Year" race at 10th place overall in the Challenge. Devon has been great at the tree and at dialing in his car. Keep up the great work Dev.

The rest of the team members have been having their ups and downs. Al has been on the road a lot but when he's around he races. El has been having his problems but he is a real competitor and will overcome this latest glitch. Lee is moving to his home in Florida and is passing his torch to the remaining members of the team. Joe, Mike and I are sorting out the quirks of the C6 in our attempts to run consistent numbers. Neil is getting his car ready for some index racing. He hopes to be competitive in a 10.00 index. Jerry (Boogieman) has his car just about where he wants it. He said he's got to get better on the tree to start winning some races. Doug has been doing a lot of extra racing this year as well as auto crossing. Doug made it to the finals in Real Street this year so he should be a threat next year in the Challenge. Glenn's car has been fairly consistent and he has gone rounds this year. Laura's red convertible is running pretty good and with a couple of adjustments on the tree she should be competitive as well. Jim Bole, Devon's father, is having the time of his life. His car has been running great and he goes rounds. Little mental errors, like we all make, have kept him from the limelight, but with more experience he'll do just fine. Jim did get into the finals at Maple Grove this year.

Hey John, Ron, Joel and Ken, we miss you guys. When are you coming out again? Cliff Bray and his black '79 have been missing for a few races. Cliff has been doing OK after some initial setbacks with his cars setup. Richy's boss has really been hard on the guy and hasn't given him off on a Saturday for many months and when he does, it seems to rain. Ed Quinn has come along for a few races to learn the ropes and run his C6. Bob Rosenberg, Gas Cap Editor, had run a personal best on the Oct.7th race. Bob's car ran a 13.01 and is capable of running 12's with better 60' times. We gotta work on that launch Bob. We've had several other people come along and run time trials just to see what their car can do in the quarter mile and several people join the cheering section. So far it has been a great year for Team CCDV and the racers themselves.

(continued next page)

Going Racing (continued from previous page)

Will Rob be the Champion this year? Will Devon hang on to his lead and be the Rookie of the Year? Can the C6 be raced successfully? Will CCDV again win the "Cup"? Can EI overcome this latest obstacle and get back in the groove? These and many other questions will be answered in the next issue of the Gas Cap.

Any questions, comments or news, contact me at 215-343-5552 or GRBNGRS@comcast.net.

November and December Breakfast Update

Because October's Roving Breakfast was so late in the month we figured we'd skip November's because it would be too close to Thanksgiving. On December 2nd we will have our Holiday Party at the Buck Hotel and with the holidays at the end of the month, there is no time for a December Breakfast. However there has been some talk of us having our January Breakfast at the Wm. Penn Inn in Blue Bell. Keep your eyes and ears open for more information.

Atlantic City Car Show and Bus Trip

On Saturday, February 24, 2007 at 9 AM **sharp**, CCDV will again meet at the K-Mart parking lot in Willow Grove by the Willow Grove Mall and take a chartered bus for Atlantic City's Car Show and Casino Trip. We will leave Atlantic City at 5 PM **sharp** and return to Willow Grove at 9 PM.

Bus tickets are \$18 each and we usually receive \$8 to \$10 in chips from Trump Plaza Casino as well as a discount coupon for dining. Details will be available as we get closer to the trip. Our discounted ticket price for the Car Show is \$15 per person, a \$5 savings. If you are planning to go to the show but cannot join us on the bus trip you may still purchase show tickets at the \$15 discounted price up to February 10, 2007.

If anyone is interested in Romano's Macaroni Grill for dinner at 10 Park Avenue in Willow Grove after we return, please let me know because they will need a headcount.

Send your check payable to **CCDV** to Donald Terranova, 165 Equestrian Drive, New Hope, PA 18938. \$18 pp bus trip, \$15 pp for the Car Show. Please state if you will join us at Romano's.

Don Reviews October's Events

On October 15th Dennis and Debbie led their 22nd Hot Dog Run. Over 30 cars showed up for the event. The Traves took us on a scenic 2½ hour cruise ending up at Daisy's Café in Wind Gap, PA. The weather was good and the company better. Thank you Dennis and Debbie.

On October 21st we had our last Cruise Night of 2006. I spoke to the folks at Pep Boys to see if we were a go for 2007; they said "bring it on". They love us there. We have a nice turnout each cruise night, not too big, just right, about 120 cars. We gave away a lot of door prizes and a total of 21 trophies this year. People seem to enjoy it and I hear nothing but good things. Best of all it doesn't cost the club a penny, as a matter of fact after everything is paid for we make the club money. This is a result of the efforts of Chris Terranova, Ginny Wydominic, and Barbara Grippo who sell soda, water, pretzels 50/50 raffle tickets each cruise night. They also help set up, tear down, distribute the window placards and probably lots more that I don't know. Thank You very much we would not have a Cruise Night if it were not for you ladies. At October's cruise night we gave away free hot dogs, about 300 of them. That was a big hit with the people there, as well as the Pep Boys employees. Den Matlack, Dennis Traves and I did the cooking; it was a hoot, and a nice way of saying thank you for showing up each month. We ended up with some excess hot dogs and rolls that Dennis Traves took to the homeless shelter where they were very appreciative. See you in April 2007

On Oct 22nd about 30 CCDV'ers met at Revivals Restaurant for a \$13 buffet which included an omelet and waffle station. Michael the owner of Revivals did a great job setting us up in a private room. Afterward we went to Bob Campbell's private Automobile Museum in Doylestown. This was something to see. Bob has a collection of about 20 cars, all museum quality. We spent about an hour there. Bob and his wife Joan were on hand to show us around. It was a great day. Thank you Bob and Joan. The only part of the day that could have been improved upon was the leader of the caravan. He missed the turnoff and took an alternate route confusing the people behind him. I vote that we never, ever let Don Terranova lead another caravan.

We did it again this year and won a trophy for the best attendance for a car club at the **Day at the Beach Corvette Style** sponsored by the **Boardwalk Corvette Club** and **The Peddler's Village Corvette Show** sponsored by **Tri-States Corvette**. Many of our members also took home trophies.

Peddler's Village: Steve Magaruh, 2nd place in his class, Steve Landis, 2nd place concours, Frank Sunthiemer, 1st in class and best of show, Tina Stout 3rd in class, Dave & Billie Sachell, 1st place concours, John Tambourine, 3rd in class, Boardwalk show; Ron & Diane Fortunato, best car in attending club, Lee Pavorsky, best C5, Dave Bressler, best use of color. The Boardwalk show awarded the club \$100 in addition to the trophy, we had a drawing of all those that attended the show and Charles Carr won the \$100. Charles, if you are reading this please give me a call.

The Buck Hotel, established in 1735 is known for their excellent food. After closing its doors in 1993, the Buck Hotel reopened in June of 2001 with a beautiful new look and under the new management of the Ruhling family. Although no longer lodging guests overnight, the spirit of the Buck Hotel remains the same. The Ruhling family is committed to carrying on the Buck Hotel's tradition of hospitality, fine food, and excellent service that began back in 1735. The total cost to Club members is \$40 per person or \$80 per couple. Our club will be subsidizing a substantial portion of the expenses. Jacket and tie is required.

Please remember, seating is limited to the first 150 members. Hope to see you there.

CCDV GENERAL MEMBERSHIP MEETING SURVEY

At the August and September General Membership meetings I passed out a survey for the members to fill out. I wanted to know their thinking concerning the format of the GM meeting and what I could do to make the meetings better. The club has gone through some significant changes this year and I did not want to overlook this activity. A total of **seventy-four** (including 2 mailed in) surveys were received. I appreciate everyone in taking the time to fill out the form as it is important to me to know what our members think as well as this is a way for me to focus on future improvements. The numbers might be skewed in some categories and not equate to **seventy-four**, because some members circled two items within one category or didn't circle any. Below are the results broken out by number of responders and the percentage within the category; i.e. in the first question below **seventy-four people** responded and **fifty-four percent** of the people are fine with the meeting going longer than one hour. This is a good example for change as for the last two years I was keeping the meeting to one hour thus reducing the amount of time that could have been spent on some topics. In question three, category **F**, I listed some of the items people would like to see at the meetings.

1) How long should the meeting be:

- a) 1 hour 33 - 45%
- b) 1 hour 15 minutes 12 - 16%
