PRESIDENT'S MESSAGE

by Ed Bonk

I intentionally waited to write this message on the first day of spring as an added inspiration in putting my thoughts together. Unfortunately there is still snow on the ground which has put a temporary damper on my spring-like thoughts, but it won't be long before the cold is behind us and our cars are cruising amongst the green grass and trees.

The month of **March** and its cold weather didn't stop our racing crew as they started the racing season with two weekend trips to Englishtown. As I stated in my last month's message the team is entering a different category this year which is called the "**Team Cup Challenge**". Good luck guys in your quest for the trophy. Also in case you didn't know, the Corvette won the **Sebring 2007** race this month.

The **SADD** conference has been re-scheduled for May 11th because of spring break and student testing (page 7). It was decided that the number of participants would have been low compared to last year's turnout when it was held in May.

There are some changes taking place this month with our web-site. As you get to the Home page you now see the upcoming events on the left hand side. You can click on the event, see the write up, click a yes/no/maybe RSVP that gives you an end date, as well as request a reminder at a later time.

Bill Burkholder, the club's "go to" guy for problems with our site, is coordinating these changes. As always, if you have any ideas for the site you can e-mail Bill or me so we can present them to the Board for review. Good job Bill and everyone who is helping you.

Gas Cap, Website and Club Related Issues

If you have issues with the website such as: lost password, username, sign-on or receiving the Gas Cap, please e-mail Bill Burkholder at wburkholder4@comcast.net. Please include your screen name, real name, and e-mail address.

Do not e-mail "WebGuy" as he only handles the technical aspects of the website. You can also e-mail any questions that you have regarding CCDV to Bill. He will re-direct the e-mail to the proper chairperson who will be able to assist in resolving issues promptly.

President's message (continued from page 1)

At the General Membership meeting I conducted an open forum and one of the items discussed was a **2008 Club Calendar** depicting our member's cars each month. Jeff Hey, Sr. is leading this initiative and if you want to submit a photo of your car you can send it directly to him.

I want to congratulate **Debbie Trayes** for becoming part of the CCDV Lifetime member club as she has been a member for 25 consecutive years. We will celebrate her achievement with coffee and CCDV cake at April's General Membership meeting. Debbie, I will skip the coffee and have a beer in your honor. Also see page 14 for other Lifetime members.

On a sad note, one of our club member's establishment was hit with a tragic event. The **Lans-Bowl** in Lansdale, owned by **Michael Brigidi**, burned down this month. Michael, I and the entire club are sorry for your loss and if you need help from the club or members let us know. You were always great in helping CCDV members with our bowling nights. Fortunately nobody was injured nor was Michael's Corvette damaged.

It is now **April** and this is the month we all been waiting for. Yes, the month that officially starts the CCDV outdoor activities. Our Cruise night starts on Saturday the 21st at Pep Boys in Warminster (page 14), the Roving Breakfast is back (page 13) and a couple of Corvette Challenges are scheduled.

Our guest speaker at the General Membership meeting will be John Barger from Frankford Plating in Philadelphia. Also Jennifer Keane from the National Multiple Sclerosis Society will be there to personally thank the members of CCDV for our support.

I am always looking for our members to submit articles to the Gas Cap concerning their Corvettes. The content could be anything, i.e.: a restoration, comical story, a history of your Corvette(s) with a story behind it, etc. You can send it to Bob Rosenberg our Gas Cap editor.

I wish you and your family the best.

Going Racing

by Tony
Buonassisi

The first non-points or warm-up race of the season was held on March 10th in very spring like weather. With more than a dozen cars we had a great caravan. The Trophy Marathon was also being held the session and many of us ran that as well to get even more seat time in our cars. It was good seeing the racers from last year as well as the rookies for this year. Bill Ehret and Barb Grippo came out to test the waters, Bill in his Black C6 Z06 and Barb in her Polo Green C4. Bill was getting his launches down and Barb was getting used to the track and its workings. They both did better every run and by eliminations were ready to give it their best shots. Bill, not wanting to red light, left a little too late and got beat on the tree but ran a great number. Barb was right on and ran her fastest time of the day. She broke out and lost, but that is all part of the learning experience.

The following week was supposed to be the first points race of the season, but as you all know the snow/sleet/rain moved in and the race was canceled.

Some of us went to the racetrack this past weekend, March 24th, for an EFI (Electronic Fuel Injection) series race. Our own Rob Farley ended up winning and he seems to be right back to where he was last season.

There will be no more Club Challenge at the Corvette Challenge. In its place a **Team Challenge** has been organized. Everyone that races for points is on a team. The CCDV will still stay together but there are now three teams instead of one. The three teams are as follows: Team 1: Rob Farley, Ellis Gray, Jim Bole, Cliff Bray, John Burbich, Mike Campbell, Joel Fellman and Tad Archambault. Team 2: Devon Bole, Joe Signore, Douglas Berezcki, Glenn Murphy, Laura Thomas, Neil Fine, Ken Lynch, Bill Ehret and Angelo Grippo. Team 3: Jerry Muniz, me (Tony Buonassisi), Jim Kasmala, Al Betz, Lee Soffer, Ron Lynch, Richy Josephs, Bob Rosenberg and Barb Grippo. The teams we'll be racing against have some great talent and the competition will be fierce. The Team Challenge is in addition to the regular Corvette Challenge points race and teams will receive the points from only the top three racers for each of the race events. Selection of team members was based on the final standings from last year.

The March 17th race day has been rescheduled to the second session on April 14th. We already have a race scheduled for the first session on the same day so it'll be a full day racing!

If you'd like to come out and watch or race with us, we'll be racing on the following dates: April 14th @ 11:00 am and 3:30 pm, April 21st @ 11:00 am, May 12th @ 11:00 am, July 7th @ 11:00 am, July 14th @ 11:00 am, September 1st @ 8:30 am, October 20th @ 11:00 am, October 27th @ 11:00 am and the Top 16 finishers for the year on November 17th @ 8:30 am. There are also a few more races that we go to throughout the year. These will be posted on the CCDV website forum under the Racing section.

The Corvette Challenge website is <http://www.corvettechallenge.info/home.php>. For lots of racing action on video, go to <http://www.challengevideos.com/>. You may even see some of your fellow Club members racing.

Contact me, Tony Buonassisi, if you have any questions, comments or news, at 215-343-5552 or grbngrs@comcast.net.

CCDV Specialty Plates

We've made it easier for you to purchase your customized CCDV plates by having a display board with applications at our General Meetings. If you are still unsure of what changing your current plate entails, allow me to explain. It couldn't be easier; all the information needed is on your current registration card. You can buy a CCDV plate at any time of the year for \$22.50*. You do not need to wait for your current registration to expire. This seems to confuse people who think they need wait to get their plate. This is incorrect as you can buy your plate at any time during your registration cycle. The \$22.50* is a one time charge. You will receive your new CCDV and your future renewal dates and the cost will be the same as it has for previous years.

We have distributed about 70 plates so far. That's not bad, but we thought that number would be higher at this time. Some members have vanity plates already on their Vettes, which they don't wish to give up, that's understandable, however these plate look good on your family car too. Come on folks; get your plates now, it costs less than a tank of gas for your Vette. * There will be an increase to \$24.00 per plate starting July 1, 2007

Turn to page 19 for more information on the two SWCs pictured on the left.

SCCA PDX

(Performance Driving Experience)

On Friday, June 15 and Saturday, June 16, 2007 a group of CCDVers are heading to Pocono International Raceway in Long Pond, PA to run their Corvettes on the race track

This has been a fun and safe event in the past and several Club members have returned home unable to stop grinning. You can go either day or both days. However, if you don't want to run your car at the track, but would still like to see what a Vette can do at the track; come ride the SCCA "taxi" at Pocono June 15 and 16. Three hot laps around the circuit for a nominal charge (\$30.00 or so, the price is not yet firm). An instructor will take you around the track at speed. Please let me know if you are interested in riding the "taxi".

Website Improvement

If you visited the CCDV website www.ccdv.com within the last month or so you have seen a new, important addition. We now have a comprehensive list of upcoming activities prominently displayed on the home page. Instead of having to search the calendar and forums to hunt down activities as we did in the past, now all you need to do is look at the home page, click on any activity listed and all the information you need, will be at your finger tips. We plan to have the ability to incorporate a RSVP check box soon.

Atlantic City Car Show and Bus Trip

On February 24th about 50 of us once again heading on down to the Atlantic City Car Show at the convention center. We chartered a Tropicana Bus which dropped us off at Trump Plaza Casino, a short walk from the Car Show.

The AC Car Show seems to be attracting a higher quality and more cars compared to a few years ago. Maybe this is because of the popularity of the Barrett Jackson TV Show. I always look forward to this show because I know that the bulk of the winter is behind us.

After we returned to Willow Grove, about 30 of us went to The Seafood Factory (formerly Julie's Steakhouse) in Horsham for a good inexpensive dinner in a private banquet room. The 2008 CCDV AC Car Show will be on Saturday, March 1st for those of you that really like to plan ahead.

Update on the SAAD Leadership Seminar

This event has been re-scheduled for Friday, May 11th and will be at the Pottstown Campus of the Montgomery Community College. The Montgomery County Board of Health is promoting the event with all the area schools and prepared goodie bags with the **CCDV** logo and **SADD** logos for the participants of the seminar. Each participant will receive a T-Shirt and special "dog tags". The cost of food per attendee is about \$10. Please help CCDV to pay for this event by sending your check to me: Rose Ferrante, 1311 School House Lane, Jamison, PA 18929 or to CCDV, PO Box 397, Willow Grove, PA 19090.

Please make your check payable to **CCDV** and write in the memo section of the check "**SADD**". Of course you may hand me a donation at the April 12th general meeting. Also, if you are interested in participating in this event this year, please see me. We need to have a few Vettes there. The kids and their chaperones really got a kick out of the 5 or 6 cars we brought last year and we will have an information table for questions about our cars and our club.

Thank you for your anticipated support and generosity.

First Cruise Night is Only a Couple of Weeks Away

That's right only a couple weeks from now on April 21st we'll start our 2007 cruise night season. We have changed the hours. In the past it was from 6PM to 10PM. Cars were arriving before 5:00PM and they would begin leaving at around 9:00PM. We've adjusted the 2007 Cruise Night hours to 5:00PM to 9:00PM. This is also the third year we've been located at Pep Boys in Warminster. I visited Pep Boys last week to say hello and to hang the new Cruise Night poster on their front door. We found ourselves a good partner with Pep Boys they don't simply tolerate us being there, they enjoy us being there. I guess whether you sell car parts, repair cars, collect them or race them, we're all car people.

This year we will see a downsizing in the number of door prizes that we give away at cruise night. Pep Boys always give use merchandise that we subsidize with products given to use from other companies like, Turtle wax, Meguiar's, Rain-X etc..... This year we will only be giving away the Pep Boys prizes. The reason for the reduction is that we are asking these same companies to donate prizes for the Roundup and Cavalcade. If anyone has any unused car products that they wish to donate for door prizes please bring them to cruise night.

Aside from the door prizes it will be business as usual, 50/50 raffle, 3 Trophies every month, we'll sell soda, water and pretzels. By the way, the raffle, soda, water and pretzels not only cover all the costs including the free hotdogs, it makes the club money, thanks to the hard work of Chris Terranova, Paul and Ginny Wydominic, who are there each month as well as a number of folks that pitch in regularly. If we have another successful season and I can't imagine why we wouldn't, we will have another **FREE HOT DOG NIGHT** at the last Cruise Night in October.

If you are new to CCDV, Cruise Nights are a great way to meet fellow Club members. It's all free, simply wash your Vette throw a couple of chairs in it and head on down and just hang out.

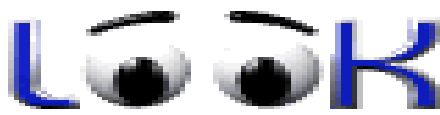

2007 CRUISE NIGHT
from 5PM to 9PM on the third
Saturday of the month

APRIL 21st, MAY 19th
JUNE 16th, JULY 21st
AUGUST 18th, SEPTEMBER 15th
and **OCTOBER 20th**

CCDV Lifetime Members

As part of the appreciation for our club's history, a decision was made at the 2005 November Board meeting to recognize individuals who reach the twenty-five year mark as a member of CCDV. A person will be given a lifetime membership if they have been a member for twenty-five consecutive years. Debbie Trayes has joined this elite club along with fourteen other members. I want to congratulate those members who are listed below for your dedication and commitment in keeping this club together through out the years.

(Rain Date June 9, 2007)**

at Becky's Drive-In Theatre www.beckysdi.com for directions

ROUTE 248, WALNUTPORT, PA. 18088
(Becky's is 11 miles north of Allentown, PA)

The Corvette Club of Delaware Valley & *Becky's Drive-In Theatre*

Invite all Corvette owners to the 1st Annual Big Corvette Roundup. Day long activities include a judged car show with trophies, optional 2-½ hour Gimmick Rallye, optional slow drag race, Corvette trivia contest, door prizes, music and food, 50/50 and two full length feature films beginning at dusk optional also. There will be a fireworks display between the movies. All Corvette Clubs are welcome to display their banners and will be grouped together.

COST
Show Reg. \$15
(dash plaques for 1st 200 pre-registrations)
Movie optional - \$7 per person
Gimmick Rallye optional - \$15 per car (limited to 1st 75 vehicles)

For additional information or to check on the rain date e-mail bigroundup@yahoo.com or visit the Corvette Club of Delaware Valley's website at: www.ccdv.com or The Big Corvette Roundup's website at: <http://www.corvetteroundup.com>

Spectators - Free

Tip: Bring a chair and an FM radio if you plan to watch the movie from outside your car, Becky's transmits the audio on FM, bring a blanket too, it's a little cooler in the evenings in the mountains.

See the registration form on the next page.

REGISTRATION FORM

The fee for the show is \$15 per car whether you pre-register by May 19, 2007 or if you pay the day of the show. The first 200 people to pre-register will receive a **"BIG CORVETTE ROUNDUP"** dash plaque. Also pre-registered cars that belong to a Corvette club will have their club's color logos printed on their windshield placards (A digital image of the club's logo must be e-mailed to bigroundup@yahoo.com before May 5, 2007).

The fee for the optional gimmick rally is also \$15 per car; in addition to the \$15 show fee. You may also pre-register for the Gimmick rally. May 19, 2007 is also the last day for the rally pre-registration. Pre-registering will guarantee you a place in the rally. The rally is limited to the first 75 vehicles. For those of you that have never been on a gimmick rally let me briefly explain what it is. It is not a timed event, which means it's not a race. You will receive a booklet containing questions and riddles follow the instruction in the booklet to stay on course. Answer the question correctly from sites you observe along the way. Your score will be determined by how accurate you answered the questions as well as your total exact mileage. Every car will need two people, a driver, and a navigator; you will also need a pencil and a working odometer or trip odometer, a local map may help if you get lost. All roads will be Corvette friendly and no prior rally experience is necessary. These rallies are lots of fun. Trophies for 1st, 2nd and 3rd place will be awarded. We will have a meeting of all rally participants at 9 AM sharp to give instructions and answer any questions. You may either pay for the 2 movies the day of the event or if you wish you can pay for them along with your pre-registration. The price will be \$7 per person. We normally don't know what movies will be featured until a week before. You can visit Becky's Drive-In website at www.beckysdi.com for movie updates

As I promised last month, here are some pictures of CCDV member Dennis Spaulding's prized NCRS 1963 Saddle Tan Split Window Coupe. In September 2006 it was selected by Automotive Magazine as one of "The 25 Most Beautiful Cars Ever". Dennis also has two other SWCs, another one is pictured on page 6 and a Silver-blue SWC is in process for a frame-off restoration. Ed
