## **PRESIDENT'S MESSAGE**

*by Ed Bonk*

Did the month of January trick us into thinking it was April or May? On some days it was in the high fifties and low sixties, but it's a shame it did not last long. It snowed the night I wrote this message which put a damper on things, but it won't be long before our first cruise night and summer activities. So let's all hang in there and think about the fun activities that will be forthcoming because there is a lot in the planning stage.

January's activities were few in number, but they were all a lot of fun. At the January General Membership meeting, I presented the semi-annual President's award to **Dennis Traves**, (page 6) for his commitment and hard work in keeping CCDV a "Premier" club since he joined in 1975. Congratulations Dennis on your efforts and dedication through the years and your 22 successful years of hosting the "Hot Dog" run.

Our scheduled guest speaker had a last minute change in plans and thanks to **Dave Peterson** (our sponsor) and **Steve Spencer** (Corvette Specialist) from Bryner Chevrolet for a super job as a last minute fill in. Dave spoke about what's in the pipeline at GM and Steve talked about the C6 and some of the problems that have been encountered.

A group of CCDV members went to Arnold's Go- Karting and raced against each another in electric Go-Karts. They had a fantastic time and had some great stories to tell at the General Membership meeting. There was also a lot of hype and talking on our web site as to who will be the best driver and who was going to be king of the track. There were two groups that raced and the winner of group one was **Ken Lynch** and group two's winner was **Jarret Seymour**. Ken and Jarrett were awarded trophies (page 5) by **Glenn Murphy** in memory of his daughter who had a passion for racing.

### Gas Cap, Website and Club Related Issues

If you have issues with the website such as: lost password, username, sign-on or receiving the Gas Cap, please e-mail Bill Burkholder at [wburkholder4@comcast.net](mailto:wburkholder4@comcast.net). Please include your screen name, real name, and e-mail address.

Do not e-mail "WebGuy" as he only handles the technical aspects of the website. You can also e-mail any questions that you have regarding CCDV to Bill.

He will re-direct the e-mail to the proper chairperson who will be able to assist in resolving issues promptly.

**President's message** (continued from page 1)

Congratulations Ken and Jarrett on your win and thanks Glenn for donating the trophies and living up to our compassionate leg of CCDV's Tri-Pod infrastructure.

At the January Board meeting **John Tambourine** gave an update on our annual car show and his committee has everything going in full motion. There is a change in this year's show as it will be limited to Corvettes only. This was a tough decision, but there were some significant reasons for the change. Items such as cost, time invested to organize the event, going to double the amount of car shows to distribute the circulars, low number of cars entered and the focus on the Corvettes was sometimes sidetracked. For 31 years the club focused only on Corvettes and for the last five years we tried something different by having two shows. For these reasons the 37<sup>th</sup> Cavalcade will return to its roots and be a Corvette only car show. I know some members will be disappointed, but I would not support something if I thought it was not in the best interest of the members and the club.

For the month of February we will continue to have fun and one activity is the Atlantic City Car Show bus trip. There are some unique cars at this show and dinner is in the plan after the show.

Our guest speaker at the General Membership meeting will be **Dennis Winokur** of Alan's Collision Center and a long time member of CCDV, who went to the **Barrett-Jackson** auction in January. Dennis has worked on cars that were in past auctions and will give us an insight to what goes on behind the scenes. He told me over the phone that there is a lot about the Barrett-Jackson auction that people don't know about. I am looking forward to hearing Dennis at our February meeting.

In looking ahead to March, our second annual teenage safe driving event (page 13) will be on March 15th. Last year this event was a major success and because of this success, our co-sponsor, the Montgomery County Board of Health asked us to continue our support again this year. We will be looking for volunteers and their cars to come to this event and be part of this event.

I wish you and your family the best.

*Ed*

# Going Racing

by Tony  
Buonassisi

Yep, it's cold outside and we're probably going to get a few inches of snow soon, but we have had a fairly mild winter up until this point in time. So what do we racers think about when it gets like this? Well if you're a Corvette Challenge racer, you'll be thinking about the upcoming season and if you can swing the time off, a trip to Sandston, Virginia to race in the National Corvette Challenge. It's about five hours away and the chances of it being warmer than here are pretty good. There will plenty of racing action as around 126 people have signed up to race in not only the brackets but also the index classes and Pro Classes. Index racing is similar to bracket racing, but the idea is to run as close to the index, say 11.00 seconds, and not break out. What makes this interesting is there are a lot of cars that can run 11.00 seconds all day long, so the tree becomes even more important. Also you race on a pro tree as opposed to the regular tree. The pro tree has all the ambers coming on at once and it can either be a .500 tree or a .400 tree. The regular tree has the amber lights coming on .500 seconds after the previous light. The pro tree is what you're likely to see on ESPN when they have their pro events. This National Challenge will also be on internet TV. Here are the details that I cut from Edgar Perez' post on the Corvette Forum:

***Coverage will be online Friday night Feb 23 from the hotel meet and greet and Saturday night in streaming video.***

**Visit [www.yourwaynetwork.com](http://www.yourwaynetwork.com) and you can see Corvette coverage from the previous event if you click on the Hole Shot TV link."**

Who knows, you may even see one of your fellow Club members on Web TV!!

We also have the Corvette Challenge Banquet on February 3<sup>rd</sup>. This is always a good time and we get the chance to catch up with people we haven't seen in awhile.

Other things that are happening on the racing scene are the SCCA Solo II races that will be coming back to the old Johnsville Naval Air Development Station. These are always fun to run or watch and there will more than likely be a few CCDVers there.

Also from the SCCA is a Performance Driving Experience (PDX) being held on Friday, June 15<sup>th</sup> and Saturday, June 16<sup>th</sup>. There's a lot of good information in a thread on our forum, thanks Glenn.

## CCDVers Highlighted in Corvette Fever Magazine

Congratulations are in order for **Tina and Alan Stout** whose daily driven supercharged Torch Red 1997 Coupe appeared in the February 2007 **Corvette Fever** magazine on page 86.

CCDV Member Adam Wartell is in the March 2007 issue of **Corvette Fever** magazine. Adam, the founder of C3 Vette Registry (C3VR.com) is with Lance Miller on page 9 at the third annual **Corvettes for a Cure** show in Phoenixville, PA. The show raises money for the Delaware Valley Chapter of the Alzheimers Association. Congratulations to Adam for all the fine work he does.

## Go-Karting at Arnold's

On January 10th twenty CCDVers went to Arnold's Go-Karts in Oaks, PA for a night of INDY style racing. Well it felt like INDY, anyhow. It was a lot of fun; we had about five 10 minute runs each. There was a lot of passing, bumping, tire scraping and a few T-bones. However everyone walked away with a smile. I was very surprised at how fast the electric motors where able to haul us around the track; I'm guessing 35 to 40 MPH. This was the first time I was in a Go-Kart since I was 15 years old and it was just as much fun, although I was amazed at how much smaller they make the seats today! Ha-ha.

Glenn Murphy awarded two trophies in memory of Linda Murphy to Ken Lynch and Jarret Seymour for fastest times in group one and two.

The consensus seems to be that we make this an annual event, I'm in.

## ***CCDV 2006 Semi-Annual President's Award***

Early in 2005 I asked the Board to allow me to present a form of recognition to any member whose contributions, enthusiasm and commitment to the club was at the highest level. Throughout the year we continually give recognition through verbal or written communication such as a simple "Thank you" or a physical means such as a trophy, but I was looking at this at a different echelon. Realizing we are a premier club and such an award is warranted, the Board approved the idea. I named it the **CCDV President's Award** and wanted it presented on a semi-annual basis because of the number of people who participate in our club activities past or present. I felt the award should have no boundaries such as what year the recognition was deserved, how many years someone is a member or the type, level or number of activities. But this would not be your average type of award, as it would require hard work and a significant contribution to our club and its members. The award is 10 inches high, has a contemporary design and made of blue acrylic with white lettering.

The second 2006 recipient of this semi-annual award was presented to **Dennis Traves** at January's General Membership meeting whose contributions and efforts as a member since 1975 has been superlative. Dennis has done so many things in helping CCDV that this write-up could not list them all. Just this year, Dennis along with **Joel Fellman** flew to **Disney World** with the **Sunshine Foundation** in a plane filled with terminally ill children to assist them in fulfilling one of their last wishes. He spent an entire day dedicating his time with the children and when you consider the flight time both ways, we are talking a 24 hour day without sleep. He had volunteered to do it a second time this year, but the trip was cancelled. Additionally, for 22 years Dennis has successfully hosted the **Hot Dog Run**. Dennis also continues to show his compassion each year by delivering food from our picnics and past holiday parties to the **MANNA** organization for people in need. He is currently leading the efforts to make our 50<sup>th</sup> anniversary a most memorable one. When you see Dennis, please congratulate him for his efforts on behalf of our club and its members.

For your information **Don Terranova** and **Joel Fellman** were the **2005** recipients of the semi-annual award. In **2006**, **John Tambourine** was the first recipient of this award.

## Big Corvette Round-Up

On June 2, 2007 11AM to 6PM (rain date June 9) at (<http://www.beckysdi.com/>) Becky's Drive-In Theatre, Route 248, Walnutport, PA 18088 (Becky's is 11 miles north of Allentown, PA) the Corvette Club of Delaware Valley and Becky's Drive-In Theatre invite all Corvette owners to the <http://www.corvetteroundup.com/> first Annual Big Corvette Roundup. Day long activities include a judged car show with trophies, optional 2-½ hour Gimmick Rally, optional slow drag race, Corvette trivia contest, door prizes, music and food, 50/50 and two full length feature films beginning at dusk optional also. All Corvette Clubs are welcome to display their banners and will be grouped together.

**Cost:** Show Reg. \$15, Movie \$7 per person, Rally \$15 per car. For additional information or to check on the rain date: e-mail [bigroundup@yahoo.com](mailto:bigroundup@yahoo.com), [dpterranova@yahoo.com](mailto:dpterranova@yahoo.com) or visit CCDV's website at: [www.ccdv.com](http://www.ccdv.com) or The Big Corvette Roundup's website at: <http://www.corvetteroundup.com>

Tip: Bring a chair and an FM radio if you plan to watch the movie from outside your car Becky's transmits the audio on FM, bring a blanket too it's a little cooler in the evenings in the mountains.

**Registration form** (page 16): The fee for the show is \$15 per car (pre-register by May 19, 2007 or pay the day of the show). The first 200 people to pre-register will receive a 'BIG CORVETTE ROUNDUP' dash plaque. Also pre-registered cars that belong to a Corvette Club will have their club's color logos printed on the windshield placards (A digital image of the Club's logo must be emailed to [bigroundup@yahoo.com](mailto:bigroundup@yahoo.com) before May 5, 2007).

The fee for the optional gimmick rally is \$15 per car; in addition to the \$15 show fee. You may also pre-register for the Gimmick Rally by May 19, 2007. Pre-registering will guarantee you a place in the rally, limited to the first 75 vehicles. For those of you that have never been on a gimmick rally, it is not a timed event, which means it's not a race. You will receive a booklet containing questions and riddles. Follow the instructions in the booklet to stay on course. Answer the question correctly from sites you observe along the way. Your score will be determined by how accurate you answered the questions as well as your total exact mileage. Every car will need two people, a driver, and a navigator; you will also need a pencil and a working odometer or trip odometer, a local map may help if you get lost. All roads will be Corvette friendly and no prior rally experience is necessary. These rallies are lots of fun. Trophies for 1st, 2nd and 3rd place will be awarded. We will have a meeting of all rally participants at 9AM sharp to give instructions and answer any questions. You may either pay for the 2 movies the day of the event or if you wish you can pay for them along with your pre-registration. The price is \$7 per person. We normally don't know what movies will be featured until a week before, but you can visit Becky's Drive-In website at [www.beckysdi.com](http://www.beckysdi.com) for movie updates. A registration form is on page 16.

# CCDV and SADD

**SADD** no longer stands for Students Against Drunk Driving. A few years back they adopted a more broad position as Students Against Destructive Decisions. As many of you are aware, last year the Club sponsored a **SADD** "Leadership Seminar" in conjunction with the Montgomery County Bureau of Traffic Safety.

Invited were students from 165 area schools with **SADD** chapters and different organizations designed to help the student leaders of their individual **SADD** group with ammunition, ideas and contact information to take back to their schools and help them implement a way to bring the message to other teens who may be in crisis. Anyone who attended this event last year was extremely impressed with the breakout sessions, especially the Philadelphia Police's opening, which impacted each one of us in attendance.

The event is scheduled again this year for March 15<sup>th</sup> at the Pottstown Campus of the Montgomery Community College. They have graciously extended the use of their facility at no cost. The Montgomery County Board of Health is promoting the event with all the area schools and prepared goodie bags with the **CCDV** logo and **SADD** logos for the participants of the seminar. Each participant will receive a T-Shirt and special "dog tags". A major part of our participation in the event is supplying breakfast and lunch for the students and speakers. Last year the cost of the food was approximately \$2,500 and this expense was totally picked up by an anonymous donor. The cost of food per attendee is about \$10.

At this time I would ask for members that would like to make a donation for the event to go toward the cost of the food, to send checks to either my address: Rose Ferrante, 1311 School House Lane, Jamison, PA 18929 or to CCDV at PO Box 397, Willow Grove, PA 19090. All checks should be made payable to CCDV and show in the remark section of the check "SADD". You can also bring any donation to the February general membership meeting and I will be happy to give you a receipt for cash. Also, if you are interested in participating in this event this year, please see me. We do need to have a few Vettes there. The kids and their chaperones really got a kick out of the 5 or 6 cars we brought last year and we will have an information table for questions about our cars and our club.

Thanks for your support! (Tony's already said he's in, but I'm not saying for how much)
