## **PRESIDENT'S MESSAGE**

*by Ed Bonk*

I'm writing this message on a weekend that is unbelievable and definitely can be labeled a Corvette type of weekend. The weather at one point has hit 80 degrees and there was nothing but sun. Our long winter wait is finally over. We will be doing a lot of great things as a club this year and I want to thank the members who have already volunteered their time for our up-coming events through out the summer. I fully appreciate your support.

The month of April was quite busy and entertaining. April officially starts our outdoor activities and the rain didn't stop anyone from participating in the events. Our Corvette racing team had a couple of meets this month at Englishtown, the roving breakfast started up again with 33 members braving the horrible rain and going to the General's Quarters Restaurant & Lounge in the Trenton Mercer Airport and our first cruise night of the season was a total success.

It's great to see so many people show up to look at the cars and also making it a family affair by bringing their children.

At the General Membership meeting it was nice to hear **Jennifer Keane** from the National Multiple Sclerosis Society talk about how their organization functions and what they do to help people with Multiple Sclerosis. She also personally thanked the Club and its members for our donation.

At the Board meeting a motion was put forth and approved to form a Scholarship Selection committee. This committee will consist of five members with one of the five being a current Board member. I am looking for volunteers to be part of this important committee as it will play a significant role in selecting our two scholarship recipients. For more information contact **Bob Weiss**.

### Gas Cap, Website and Club Related Issues

If you have issues with the website such as: lost password, username, sign-on or receiving the Gas Cap, please e-mail

Bill Burkholder at [wburkholder4@comcast.net](mailto:wburkholder4@comcast.net). Please include your screen name, real name, and e-mail address.

Do not e-mail "WebGuy" as he only handles the technical aspects of the website. You can also e-mail any questions that you have regarding CCDV to Bill. He will re-direct the e-mail to the proper chairperson who will be able to assist in resolving issues promptly.

**President's message** (continued from page 1)

I want to thank **Bob Weiss, Bruce Waldron** and **Brian Dixon** for all their research and hard work putting this together. The contract and selection rules are currently in front of our club attorney for review.

For May we will have planned a roving breakfast at **Casino Tony Goes Restaurant** in Morrisville, PA, a **Corvette Challenge, cruise night**, the **SADD Conference** and the **Penndel Hulmeville Memorial Day parade**.

This month will be our one year anniversary at the VE Club in Warminster. The club has been a great partner to CCDV and they have always treated us 1<sup>st</sup> class. On many occasions when I'm having a cocktail after the meeting, I see one of their officers in the lounge and he always asks me if everything is all right and if I am happy with the VE club. Of course I always respond with a yes and thank him for his concern. This shows me they care about us and the service they provide. I'm looking forward to a long term relationship with the VE Club as a CCDV partner.

As you probably know the **Indianapolis Motor Speedway** has announced the Corvette convertible will be the 2007 pace car. This is the fourth straight year and the ninth time the Corvette has been selected. No other car has been selected this many times.

Looking ahead to June, preparations for the **Cavalcade of Corvettes** and the **Corvette Roundup** are going very well. I'm looking for a large number of club members to register for these events as it will be a chance to show your car and have a day of fun.

I wish you and your family the best.

*Ed*

# Going Racing

by Tony  
Buonassisi

Well the weather finally took a turn for the good and we had a couple of nice race days in April. April 14<sup>th</sup> we had a double header as we ran a regular Corvette Challenge and a make-up for an earlier rained out race. The track was trying to adjust to new requirements sent by the State of NJ. During tech you have to have your driver's license and a helmet that meets the new specs. Helmets have to meet or exceed Snell 2000 standards. Most helmets sold now should have the Snell 2005 rating on them. Anyway the lines in tech were long and they were moving rather slowly.

We been having great turnouts for the races and April 14<sup>th</sup> was no exception. Highlights of the races occurred when Barb Grippo went rounds and rounds. Her car was running real consistent and her confidence level was very high as she got lucky in some races and won other races outright. In one of her final races she had to go against a very good racer, Chris Young. Chris is running a built C4 that runs 10.0's. He is also very good on the tree. Barb tree'd him and in an effort to take the strip he broke out. Barb also broke out but by a smaller margin so she took the win. She is doing really well for a rookie and is tied for second place for Rookie of the Year with three other people. Other rookies doing well are Tad Archambault and Bill Ehret. Bill missed the double-header event but Tad has been coming to all the races so far. Tad is really getting a feel for the track and his times are improving as well as his reaction times. Bill is running a C6 Z06 and even though he has raced in the past, the Z presents some new twists that he has to deal with when drag racing it.

As I've mention before there is no more Club Challenge but a Team Challenge, which is opened to everyone who is signed up for points in the Corvette Challenge. The teams where made up by using the standings from last year and so far this new Team Challenge has been getting some good comments form the racers. Leading the way for the first race was the team led by Rob Farley. It seemed like everyone on Rob's team went rounds and they ended up in first place for a few weeks. Now with a few more races under our belts Rob's team slipped down to 7<sup>th</sup> place with Jerry Muniz's team in 9<sup>th</sup> and in the cellar Devon's team. That's the bad news; the good news is there is only 17 points separating the top team from the bottom team. This makes the race for the cup pretty exciting for us racers.

For the April 21<sup>st</sup> race date we again had a great group come out to race. Joel brought his not quite broken in car and got in a few rounds. When his engine finally breaks in he's going to be tough. Joining us for the past two races was Al "If it's Tuesday this must be Belgium" Betz. Al was having trouble with the lights and even though he didn't go as many rounds as he wanted, he still had a good time. Jim Bole is doing good, in 10<sup>th</sup> place right now and Devon Bole is doing OK as well. Ellis is right up there and Doug and Rob are tied with 12 points each. Ron Lynch is doing better every race and his car is running the numbers. GC Editor Bob Rosenberg is shifting better than ever and with better launch techniques will get more consistent. Richy Josephs did very well this last race as well, going four rounds and picking up the most points for the "Mad Dawgs". The clutch in his "Z" needs to be tweaked just a little more and he should be running great numbers with his ProCharged car.

For lots of pictures, video, and information visit the Corvette Challenge website, [www.corvettechallenge.info](http://www.corvettechallenge.info) and check out all the news.

**Wouldn't this specialty plate look better on the back of your Corvette than the standard issue Pennsylvania (3 letters & 4 numbers) license plate?**

We've made it easier for you to purchase your customized CCDV plates by having a display board with applications at our General Meetings. If you are still unsure of what changing your current plate entails, allow me to explain. It couldn't be easier; all the information needed is on your current registration card. You can buy a CCDV plate at any time of the year for \$22.50\*. You do not need to wait for your current registration to expire. This seems to confuse people who think they need wait to get their plate. This is incorrect as you can buy your plate at any time during your registration cycle. The \$22.50\* is a one time charge. You will receive your new CCDV and your future renewal dates and the cost will be the same as it has for previous years.

We have distributed about 70 plates so far. That's not bad, but we thought that number would be higher at this time. Some members have vanity plates already on their Vettes, which they don't wish to give up, that's understandable, however these plates look good on your family car too. Come on folks; get your plates now, it costs less than a tank of gas for your Vette.

\* There will be an increase to \$24.00 per plate starting July 1, 2007

# SCCA PDX

(Performance Driving Experience)

**On Friday, June 15 and Saturday, June 16, 2007 a group of CCDVers are heading to Pocono International Raceway in Long Pond, PA to run their Corvettes on the race track**

This has been a fun and safe event in the past and several Club members have returned home unable to stop grinning. You can go either day or both days. However, if you don't want to run your car at the track, but would still like to see what a Vette can do at the track; come ride the SCCA "taxi" at Pocono June 15 and 16. Three hot laps around the circuit for a nominal charge (\$30.00 or so, the price is not yet firm). An instructor will take you around the track at speed. Please let me know if you are interested in riding the "taxi".

# THE BIG CORVETTE ROUNDUP

**Saturday, June 2, 2007  
11 AM to 6 PM  
(Rain Date June 9, 2007)**

at Becky's Drive-In Theatre [www.beckysdi.com](http://www.beckysdi.com) for directions

ROUTE 248, WALNUTPORT, PA. 18088  
(Becky's is 11 miles north of Allentown, PA)

## **The Corvette Club of Delaware Valley & Becky's Drive-In Theatre**

With a little more than a month until the Roundup is upon us I'm getting the feeling that this event may become an instant success. Everyone I talk to about this is looking forward to it with great anticipation. We will have an activity for just about everyone. A car show for those that include care supplies in their household budget. A gimmick rally, slow drag race, trivia questions with cash prizes, 2 full length feature movies, fireworks during intermission, music throughout the day and a real nice souvenir dash plaque for the first 200 to register. The drive to Becky's Drive-In Theatre is a nice trip in itself, located 11 miles north of Allentown, close to the Pocono Mountains. The flyer with all times and details along with a registration form can be found on the next page. For those who are unfamiliar with the area, follow the directions below. This route is not the shortest route and as a matter of fact, you will be back tracking a bit, but I believe it is the quickest route and will help you avoid quite a few traffic signals and small towns.

Take the Northeast Extension of the PA Turnpike Route 476 North. Take Exit 74 which is the first exit after you go through the one and only tunnel. After you pass the tollbooth keep left. You will come to a stop sign at the end of the ramp, this will be Route 209 turn right at the stop sign. After 1-3/4 miles on Route 209, you will turn left onto Route 248. Stay on Route 248 for about 10 miles. Becky's will be on the left.

### **COST**

**Show Registration \$15  
(dash plaques for 1<sup>st</sup> 200 pre-registrations)**

**Movie optional - \$7 per person**

**Gimmick Rallye optional - \$15 per car (limited to 1st 75 vehicles)**

For additional information or to check on the rain date e-mail [bigroundup@yahoo.com](mailto:bigroundup@yahoo.com) or visit the Corvette Club of Delaware Valley's website at: [www.ccdv.com](http://www.ccdv.com) or The Big Corvette Roundup's website at: <http://www.corvetteroundup.com>

**Spectators - Free**

See the registration form on the next page.

## REGISTRATION FORM

The fee for the show is \$15 per car whether you pre-register by May 19, 2007 or if you pay the day of the show. The first 200 people to pre-register will receive a **"BIG CORVETTE ROUNDUP"** dash plaque. Also pre-registered cars that belong to a Corvette club will have their club's color logos printed on their windshield placards (A digital image of the club's logo must be e-mailed to [bigroundup@yahoo.com](mailto:bigroundup@yahoo.com) before May 5, 2007).

The fee for the optional gimmick rally is also \$15 per car; in addition to the \$15 show fee. You may also pre-register for the Gimmick rally. May 19, 2007 is also the last day for the rally pre-registration. Pre-registering will guarantee you a place in the rally. The rally is limited to the first 75 vehicles. For those of you that have never been on a gimmick rally let me briefly explain what it is. It is not a timed event, which means it's not a race. You will receive a booklet containing questions and riddles follow the instruction in the booklet to stay on course. Answer the question correctly from sites you observe along the way. Your score will be determined by how accurate you answered the questions as well as your total exact mileage. Every car will need two people, a driver, and a navigator; you will also need a pencil and a working odometer or trip odometer, a local map may help if you get lost. All roads will be Corvette friendly and no prior rally experience is necessary. These rallies are lots of fun. Trophies for 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> place will be awarded. We will have a meeting of all rally participants at 9 AM sharp to give instructions and answer any questions. You may either pay for the 2 movies the day of the event or if you wish you can pay for them along with your pre-registration. The price will be \$7 per person. We normally don't know what movies will be featured until a week before. You can visit Becky's Drive-In website at [www.beckysdi.com](http://www.beckysdi.com) for movie updates
