## PRESIDENT'S MESSAGE

by Ed Bonk

As I write this letter today it's supposed to be the start of the fall season, but the weather sure doesn't reflect this. And as far as I'm concerned, the summer is not over until CCDV says it's over, as we still have a few Corvette activities remaining on the calendar. Last month I did not write anything on the **Corvettes at Carlisle** weekend because the **Gas Cap** went to the publisher before the weekend of the show. Since it was both a great and strange weekend, I decided to write a separate article (page 4) on the event.

September was quite active and entertaining. Our racing team continues to do well and is racking up team points. Those guys are having a lot of fun racing and they really enjoy competing against each other as well. Additional activities included a **Support Our Troops** day in which club members dropped off personal items or money at **Mark and Debbie Sandler's** house for our troops who were wounded in Iraq. This event was a great success and there was a huge turnout of members. For their role and efforts I want to thank **Mark Sandler, Glenn Murphy** and **Bob Rosenberg** for their involvement in this successful day. I also want to give a special thanks to **Kelsey Sandler**, Mark's 13 year old daughter, who was busy all day collecting the packages, cooking the hot dogs, keeping the refreshments cold and packing the boxes to be shipped out. She also put a note in each box saying the items were from **CCDV**. Great job to everyone involved. This kind of effort falls under our third leg of the CCDV Tri-Pod infrastructure (Compassion).

Our Cruise night went well and the non-CCDV Rockledge car show that was run by CCDV member, **Carl Siwek** had a lot of our members with their cars in the show. Nice job Carl, it was a great show. And there was the **Corvettes at the Beach Boardwalk Show** in Ocean City, NJ, hosted by the **Boardwalk Corvettes of Atlantic City Corvette Club**.

It was a picture perfect day without a cloud in the sky; the temperature was in the eighties, the Atlantic Ocean in the background as well as the great camaraderie among the people. There were 425 beautiful Corvettes on the Boardwalk and what a sight with the boardwalk being 2.5 miles long and the doubled parked Corvettes stretching out for about 2 miles.

## Gas Cap, Website and Club Related Issues

If you have issues with the website such as: lost password, username, sign-on or receiving the Gas Cap, please e-mail Bill Burkholder at [wburkholder4@comcast.net](mailto:wburkholder4@comcast.net). Please include your screen name, real name, and e-mail address.

Do not e-mail "WebGuy" as he only handles the technical aspects of the website. You can also e-mail any questions that you have regarding CCDV to Bill. He will re-direct the e-mail to the proper chairperson who will be able to assist in resolving issues promptly.

## President's message (continued from page 1)

CCDV had 49 cars registered in the show. That's approximately 12% of the total cars which is quite impressive and our club won the **Best Club Participation** award for the third year in a row. Last year we had 33 cars in the show. In last year's October Gas Cap I listed a goal of 50 cars and if one of our members car didn't break down we would have hit that goal. I was very proud and jubilant to walk up to the podium and accepted the \$100 award. I want to thank everyone who gave up their Sunday to enter this show and make this award possible. In addition I want to congratulate **Don Lemek, Ted DeLeone, George Seymour** and **Dave Bressler** for winning individual trophies. I get such a good feeling inside when I see club members win awards. Without a doubt they worked very hard on their cars and the awards are well deserved. I am already looking ahead to next year's show and let's set a goal for at least **60** cars to participate. We also have the two day **Oktoberfest** car show which is sponsored by CCDV and Doylestown Township the last weekend of the month.

For October, Cruise Night will be the last until next April and our traditional 23rd Annual Hot Dog run is predicted to have a big turnout. Beside the Cavalcade and Holiday party this is one of our biggest events. One year there were over 80 Corvettes that caravan through beautiful Pennsylvania and had more people waving to us than you can imagine as we drove through towns and the countryside. This is a must activity for those who want to give their cars a good run before winter (page 7).

The raffle car winning ticket will be drawn at the October General Membership meeting. Our guest speaker for this meeting will be **Michelle Wilbur** from **American Collectors Ins. Co.** The last of the raffle car tickets were sold at the boardwalk show and I want to thank everyone who sold or bought tickets.

As you probably noticed, your October Gas Cap was delivered a week later than normal because of the September 30<sup>th</sup> cutoff for the Board nominations. The names of the nominees need to be published and reviewed by the Club's members (page 13) prior to the election in November. Your vote is very important so if at all possible please come to the November meeting and cast your vote.

In closing, I want to say thank you to everyone who participated, volunteered or played a significant role with all our summer activities.

I wish you and your families the best.

*Ed*

# Corvettes at Carlisle

As I stated in my President's message, it was one heck of a weekend for me and quite a few members of our club. Since a lot of our members don't use our web site, I thought I'd use this article to give you a brief insight as to what transpired during those three days as well as what brought the event to a different level of excitement that include a non-invited guest know as a "tornado". I will discuss this in more detail in the article.

On Friday morning to start the weekend a group of us (nine Corvettes) left Bennigan's and merrily caravanned to Carlisle until we hit some rain near Morgantown. No big deal as we stopped to put up the tops and continued on our way. As you get off the Turnpike and get backed up in Corvette traffic you get that natural high of knowing you will be soon parked in the fairgrounds surrounded by nothing but Corvettes and vendors. I did my normal walking around, drooling at the cars and buying some Christmas presents for myself. The extreme heat started to take its toll, which meant I needed to find our **CCDV tent** to find shade and get some refreshments. Yes, I said CCDV tent, the nemeses of my Presidency for the last couple of years. The CCDV Tent is back thanks to **Henry Weikel, Bruce Waldron** and **Don Lemek** for offering up one of their spots for us to have the tent. I also want to thank Henry Weikel and **Brian Canty** for taking the tent out with them and setting it up. We had over 30 members stop by this first day and a couple of other car clubs to say hello to us. Yes, the CCDV Tent is back and no more "Cat Calls" at the General Membership of "Where's the Tent?".

On Saturday it was business as usual walking around and looking at everything. I was again invited to the Celebrity luncheon and also had the honor to give a Celebrity award to a car in the Fun Display. At the luncheon it really felt great being in the presence of **Lance Miller, Bill Miller** and a lot of GM engineers/managers and other important people who have a love of America's sports car. I took advantage of this opportunity to present to Lance and his mother **Judy** our CCDV Lifetime membership plaque with both **Chip** and Lance's name on it. If you didn't know, Chip was a member of our club in the late 60's and early 70's and thought an awful lot of our club. He was a guest speaker at one of our meetings nine years ago and a few years later invited our club out to his house for a barbeque and to see his 30 unique garage kept Corvettes. A day I'll never forget, we had over 80 Corvettes caravan on the Turnpike to his house. That's the kind of guy he was and that's why I felt extremely proud to say a few words about our Club and present Lance and Judy the award. There was a loud applause from everyone when he accepted the award. I signed up for the parade that night which only allows 400 cars to drive past the waving crowds and into town to party. Little did I know, but this year's parade would be different. I was in the beginning of the parade and as I arrived in town and approached my parking spot, I started to feel the wind picking up. Than within 60 to 90 seconds the winds became extremely strong and the sky caved in with some heavy rains. Niki and I needed to find a safe place to hide so we ran into the Comfort Suites bar and as I drank my beer I saw metal street signs bending somewhat, that's how strong the tornado was. The town of Carlisle lost power for six hours and after the rains stopped a lot of us sat outside and conducted our own party. I was lucky to be staying at the Comfort Suites so with a flashlight in hand I was walked up to my room. The next day there were fallen trees throughout the town. There are pictures of this in the Photo Album category on our web site.

(continued on page 5)

(continued from page 4)

The Fairgrounds got hit extremely hard with tents blowing everywhere and cars getting damaged by these tents. The last I read there were seventeen people hurt and one guy had a tree fall on his car as he was leaving the fairgrounds breaking his leg. I'm glad there were no serious injuries and fortunately Henry took down our tent before he left Saturday evening otherwise our little tent would have landed in the state of Ohio. If that happened I could just hear my fellow members at the next General Membership meeting continuing with their "cat calls" of "Where's the tent?" directed at me.

On Sunday, it was again extremely hot, probably hitting around one hundred degrees. Later in the day Chip Miller gave away the Celebrity award in front of the grandstand filled with people and I am extremely happy to write in this article that our club had three members who won a Celebrity award out of one hundred & twenty-eight that are given out. They are **Dennis Spaulding** with his 1963 Saddle Tan Split Window Coupe. **John Lukens** with his 2008 Machine Silver Z06 coupe which Judy Miller (Chip's wife) personally picked for her award. And my award went to **Henry Weikel** for his 2007 convertible with a great looking set of wheels. I want to congratulate these winners for being chosen out of a couple thousand cars in the Fun Display. That is quite an accomplishment!

# Going Racing

by Tony  
Buonassisi

With only two more races, one on the 20<sup>th</sup> of October and the last points race on the 27<sup>th</sup> of October the Corvette Challenge race season is just about over at Englishtown's Raceway Park. As it stands now the only CCDV team that has a shot at the "Team Trophy" are the Tree Trimmers led by Rob Farley and Ellis Gray. Rob had started the season on a slow note but won the last event going against some pretty stiff competition. He is now at the number 7 position and with a little luck he may be able to pull a championship out again this year. Doug Berezcki is holding the number 9 position in the points standings; Ellis Gray is at 17<sup>th</sup> and Jim Bole at the 20<sup>th</sup> spot. Richy Josephs put together a great run 11.90 at 120 mph on September 1<sup>st</sup>. Joe Signore went three rounds before going red, Ellis went red against Rob, and the rest of us went red, broke out or couldn't put together a good reaction with a good run. As the old saying goes, "That's racing!"

As the season wore on, there were fewer and fewer of us racing, because of health issues, other commitments and equipment malfunctions. Work schedules also played a major part in the racing season for some of our racers. The racing schedule itself was a little counter-productive for us, as there were long layoffs between some of the races. We part time racers tend to lose some of our edge when we don't run every few weeks and the only way to stay competitive is to get in seat time in your car.

## Corvette Challenge Retrospective

I have been racing in the Challenge for several years now and every now and then I think back on its humble beginnings. In the first few years there were only a handful of racers and we picked out our opponents out of a hat. One of the good things about those early days was we sometimes were allowed to run more than three time trials because there were so few of us. As the series grew, the time it took for us to get our time runs in stayed the same so we have come to the point where we only get two time runs and then eliminations begin. Most, if not all of us would like to get the third run in because of the sporadic schedule, but most of the time that is not possible. I have met a lot of people in this series and they were all what I would call hardcore enthusiasts. The Corvette Racing Community has always been there to help you when you broke or had a question regarding the races. I have never seen anyone not offered help with their car when it broke during the race. They are a special group of people and I hold them in the highest regard.

Because of a change in my career I will no longer be able to race on Saturdays for a while. Rose will still haul tires for those of our racers that need them hauled. I would like to ask that someone step up and take over the responsibility of writing the racing news for the Gas Cap. I've had many people comment on how they enjoy reading about us racers every month. Good luck to all the racers in these last two races and I wish you the best.

Thanks for all the great times! Tony B.

## ***Absentee Ballots are Available***

It is election time again and absentee ballots will again be available should you be unable to attend the November General Membership Meeting at the VE club. To receive an absentee ballot, please contact me, Rose Ferrante via the club phone 215-938-7722. You may also use e-mail to request your ballot. Please direct the email to [roseeferrante@comcast.net](mailto:roseeferrante@comcast.net) and make sure to indicate **Absentee Ballot Request** in the subject line (this e-mail address is only to be used for the ballot requests). It would be a great help to me if you could make sure to include your mailing address when you request the ballot as well as your phone number in the event we would have misinformation on our membership list. It is important to contact me as soon as possible due to the time sensitivity in receiving the ballots prior to the November meeting. All absentee ballots must be received by **November 5th**.

If you require a spousal ballot, please include that information as well. **Please note:** The ballots that are cast at the meeting are secret. An absentee ballot will include your name on the ballot and the ballot must be signed. This step is necessary to keep track of who casts a vote. **If you request an absentee ballot, you must use it to cast your vote.** You may still attend the November meeting but you will not receive a ballot at that time. Full instructions will be included on the absentee ballot. If any step is omitted or a selection is unclear, the vote will not be counted.

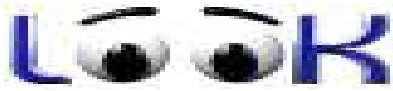

Thank you for supporting the club and exercising your right to choose the people to represent and work for you in this great club of ours!

Rose Ferrante
