PRESIDENT'S MESSAGE *by Ed Bonk*

Finally, spring is here and the month of April is CCDV's official month that starts our warm weather activities. Our patience will pay off as our Club has a full plate of activities planned that will keep everyone happy and occupied throughout the summer. In addition, the month of April will mark my 10 year anniversary as a member of CCDV. A very happy 10 years spending time with the members and getting involved with our activities as well as being a Board member for 2 years and than President for 4 years. I'm looking forward to my 20 year anniversary.

The month of March and its cold weather didn't stop our racing crew as they started the racing season on a cold and blustery day at Englishtown. The racing guys are posting their numbers on the web site and they look good. I guess a lot of the winter modifications helped and everyone is ready again to represent our club and race against the best in the area. Good luck to everyone on the team.

The annual bus trip to the **Atlantic City Classic Car** show went very well as everyone had a lot of fun on the bus as well walking around the Convention Center looking at a lot of beautiful cars on display and for sale. I drove down to the show and also enjoyed looking at those cars wishing I had a lot of money so I could spend it there. As part of the package there was some comp play at the casino and from what I heard we had some members who were winners. I also heard we had some members who did not win and basically just donated their money. Congratulations to **Joel and Sue Fellman** for organizing this event.

The monthly breakfast at **Zoto's Diner** and cruise to the **Mt. Airy Resort at Mt Pocono** had 48 people attending. That was some breakfast meeting. See page 3 for more on this event.

Gas Cap, Website & Club Related Issues

If you have issues with the website such as: lost password, username, sign-on or receiving the Gas Cap, please e-mail Bill Burkholder at wburkholder4@comcast.net. Please include your screen name, real name, and e-mail address.

Do not e-mail "WebGuy" as he only handles the technical aspects of the website. You can also e-mail any questions that you have regarding CCDV to Bill. He will re-direct the e-mail to the proper chairperson who will be able to assist in resolving issues promptly.

President's message (continued from page 1)

The General Membership meeting did not have a speaker as I had my 1st Open Forum of 2008. The primary focus of the forum was our website and the current rules or lack of rules in governing the do's and don'ts of proper speech. A take away from the meeting was that I asked Nick Cipriano to form a small committee to put together a draft set of Rules and Guidelines for the Board to review. I also asked members who could not join the committee to submit to the Board a draft of what they think the rules and guidelines should be, thus allowing everyone an opportunity to provide their thoughts on this topic. These draft Rules and Guidelines will be consolidated, reviewed and finalized at the April Board meeting.

It is now April and as I said earlier, this is the month we've all been waiting for. Our first **Cruise Night** of the year starts on Saturday the 19th and will be held at the Lowe's in Warrington, Pa. This event has grown so much that we had to change locations twice the last couple of years.

Our 3rd annual **Students Against Destructive Decisions (SADD)** conference will be conducted on Friday, April 25th (page 4). If you can make this worthwhile event it, would be deeply appreciated. This is a great opportunity for our club to give something back to the community and involves sending a strong message to high school students about the use of drugs and alcohol. The students love our cars on display and take pictures of themselves sitting in them after the conference. I remember those days when I saw a Corvette and just stared at it and wondered if I would ever own one. This month's roving breakfast will be at the **Heritage Restaurant & Bakery** in Souderton, PA, and our racing team will be involved with a couple of events this month.

And finally, ticket sales for the raffle car are going well and should you want to buy or sell tickets contact Stan O'Leary (215-672-6361), Dave Urbanek (215-443-7568) or myself. If you sell nine you get the tenth free. You can see the car on the Club's web site.

I wish you and your family the best.

Breakfast at Zoto's and Cruise to Mt Airy Lodge

The first cruise of 2008 was a fun day! Breakfast at Zoto's was very good and the 48 members that attended all enjoyed themselves. Thanks to all the regulars and welcome to the first timers for coming out.

Steve Zoto extended his thanks to our Club and said he received many compliments from customers about his Million Dollar Parking Lot.

We had 14 cars cruise to the Mt. Airy Lodge and Casino in the Poconos. It was fun walking around to see how everyone was making out at the slots. We had a few winners!

We are looking forward to our next Roving Breakfast at The Heritage Restaurant in Souderton and cruising to the Limerick Outlets on Saturday, April 26th (see page 4).

We hope to see you all at our first Cruise Night of the season on Saturday, April 19th at Lowe's in Warrington (see page 8).

2008 Students Against Destructive Decisions

CCDV is proud to again sponsor the **Students Against Destructive Decisions (SADD)** "Leadership Seminar" in conjunction with the Montgomery County Bureau of Traffic Safety. **The date is Friday, April 25th 7:30 AM to 2:00 PM at the Montgomery County Fire Academy, 1175 Conshohocken Rd., Conshohocken, PA.**

This Seminar is geared toward schools with SADD chapters. The event arms the student leaders of their individual SADD groups with ideas and contact information to take back to their schools and assists with implementation of programs at their schools that target teens that may be in crisis. This year's theme is "SADD SURVIVOR". There is a lot of enthusiasm surrounding the event this year. In addition to the breakout sessions that address specific areas such as "Positive Body Image" that addresses cutting and bulimia and "Drug and Alcohol" abuse, there will be a mock crash set up with student participation, crashed vehicles, ambulances, a medivac helicopter landing at the scene and the coroner pronouncing someone dead at the scene. It should be a real eye opening presentation.

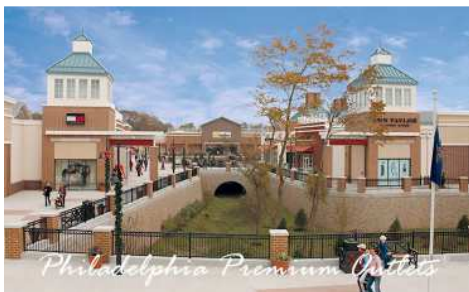

We are looking for 8 to 10 volunteers to bring their cars for a mini car show in the parking lot and to assist in registration or talking to the kids about the cars if they have any questions.

As our Club contribution to the event, CCDV will pick up the cost of breakfast and lunch for the attendees (approximately \$10 per person). We anticipate approximately 200 -250 attendees. We have received donations from a few members thus far and would encourage anyone who would like to contribute to this event to either send a check payable to CECF with SADD in the memo section and forward them to me: Rose Ferrante, 1311 School House Lane, Jamison, PA 18929 or to CCDV, P O Box 397, Willow Grove, PA 19090.

A special thanks to Dee Howell for her donation to the Club which has been set aside for this event and to John Banischeck for his cash contribution at last month's meeting. Any cash contributions will be given to the CECF and you will receive a letter of receipt for tax purposes.

Thank you for your anticipated support!

Going Racing

by Doug
Bereczki

Winter is finally over and the race season has begun!!! Three events got us started in March. A Corvette vs GTO race and two Corvette Challenges were the lead off events.

On March 9th the first ever Corvette vs GTO event was held at Atco Raceway in New Jersey. This event was conceived, coordinated, and executed by Bruce Katz of GONE (GTO owners of the North East). Bruce put forth a tremendous effort in getting this event scheduled. He was able to get several sponsors on board to provide the payouts for the different classes.

Eight CCDV members were able to make it out to this event. The weather felt more like the dead of winter than early Spring. It was a bright sunny day, BUT very windy and cold. When we arrived it was in the mid 30's and by race time it was a balmy 41° F. The combination of the cold and wind forced the track officials to limit the racing to the 1/8th mile. So reaction time would play a much more important role in the day's racing.

Slow reaction times would force Ellis Gray, Jerry Muniz and Joel Fellman out in the first round. Richy Josephs and Mike Campbell would also suffer a loss because of a slower reaction time in round two. Tony Buonassi on the other hand was turning out good reaction times but went under by .08 in the third round. I got the advantage of two red lights on my way to a red light foul myself in the 4th round.

Meanwhile Ken Lynch was photographing and filming the racing action. Ken was at the starting line enduring the full force of the wind and arctic temperatures to provide each of us with a picture AND a DVD of the event. Thanks Ken.

Corvettes drivers would go on to win 2 out of the 3 classes. The street tire class and the drag radial class were won by the Vette drivers while the heads-up pro tree class would go to a GTO driver. Even though the cold weather and the 1/8 mile racing kept a number of racers away, approximately 70 racers turned out for the event. I for one would like to see Bruce Katz make this an annual event.

The following Saturday, March 15th, the first Corvette Challenge of 2008 was held at Englishtown. The top 16 race of 2007 that was rained out last year, was also run. Turn out was light with only 37 Vettes making the show. Tony Bounassi, Joe Signore, Jerry Muniz, Jim Bole, Ellis Gray, and I were the CCDV club members that showed up for the event.

Jim, Ellis and I participated in the top 16 race, while Tony, Jerry, and Joe raced in the Corvette Challenge. I was able to make it to the semi final round in the top 16. Unfortunately I was "chasing my dial-in time" all day and was unable to run my number against Ralph Savarese in the semi final. Ellis was dead on his dial all day running a consistent 10.85 in several of his elimination runs. He *fortunately* lost first round race in the top 16, and was able to participate in the Corvette Challenge. Ellis would go on to make it to the final round. He ended up racing Joe Latona who was running a consistent 10.86 all day. The both of them got together before the race and agreed to both dial in at 10.50 so they could have a heads up race with out the possibility of breaking-out! To everybody's memory this would be the first heads-up final in the Corvette Challenge. Anticipation was high at the start of the race. Unfortunately it was over at the start as Ellis spun out of the hole. Something is telling me that this will not be the last time this year that Ellis will be in the final round.

At press time the second Corvette Challenge event has not been run yet. I will report on that one in the May Gas Cap. The next Corvette Challenge is April 12th. The Pro 8 race will also be held on the 12th. So come on out to participate or watch some of the fastest Vettes in the area. Hope to see you there.

Mr. Simmons
Corvette Club of Delaware Valley
PO Box 397
Willow Grove, PA 19090

Dear Mr. Simmons:

On behalf of the leadership of Chelton Baptist Church, thank you for your gracious gift given to the David Peterson Jr. Memorial Fund in memory of Charles Peterson. Your remembrance is greatly appreciated.

We are so grateful for faithful members of our church who have had such a significant impact on our community and world. As we remember and celebrate their lives, we also are challenged to continue the legacy of faith and grace that they leave behind. Truly, we are blessed beyond measure!

If we can ever be of assistance to you and your family, please don't hesitate to give me a call in the church office. We want to effectively communicate to the love of God to each person that God brings along our path.

Once again, I thank you for your kindness! Know that your gift will be used to bless and encourage many others in need!

May God bless you!

Sincerely,

Rev. Andrew Hudson

Highlights from the March 20, 2008 CCDV Board Meeting

- ✓ After the Treasure's report was given, a motion was unanimously passed to purchase a CD in the amount of \$23,000 for a term of 3 or 6 months, based on best rate.
- ✓ The Norristown Farm Park will be the location for the 50th Anniversary picnic. Plans for the 50th Anniversary party are going well and the dinner menu will be finalized shortly.
- ✓ There was a suggestion to ask new members to include a bio as part of their membership application. The bio would be published in a future Gas Cap to welcome the new members.
- ✓ A proposal for website rules and guidelines was presented and reviewed. The Board will consider additional inputs and will likely vote on a set of rules at the next Board meeting.
- ✓ Two new membership application(s) were received and unanimously accepted. The new candidate(s) are: Tom Weigand and Greg Heitman. Total membership stands at 505 members including the new member(s) as our yearly renewal process is coming to a close.
- ✓ John Tambourine is looking for a theme coordinator for the Cavalcade to develop a unique theme for each year's show.
- ✓ Dennis Levitt went over the progress of the 50th Anniversary video as well as the responses that he's gotten from other Corvette clubs. Dennis has received responses from clubs from every state but four, congratulating CCDV on our great 50th Anniversary milestone.
- ✓ A motion was unanimously passed for a \$250 donation to the David Peterson Memorial Fund in memory of Mrs. Peterson.

Corvette of the Month for April

This month's car is one of the cleanest C6's around. Not only is Mark Sandler's car clean... it's quick!!!!

"My love of Corvettes has been life long. My first ride in one was a brand new red 1975 when I was 13 years old. In late 1979 my sister bought a blue 1980 that I took care of and drove to the Cavalcade several times.

"Today I love tinkering with my car (and everyone else's) in the garage Sunday mornings listening to Sundays with Sinatra. My current C6 is my first NEW Corvette and I love it."

These are some of the modifications that Mark has done since owning his car, a Millennium Yellow C6 MN6, Z51, 1SB: Corsa Sports, Halltech Stinger, Kirban Shifter, custom knob, AR headers, comp cam, beehive springs and lots of underhood goodies, Z06 splash guards, external Actron OBDII reader and tons of Zaino!
