PRESIDENT'S MESSAGE by Ed Bonk

Well it's February and it won't be long before our outdoor activities start up. I can hardly wait until the tops are off or down, walking around the car shows in a t-shirt, caravanning together on the open roads or just sitting and drinking a cold one looking at our Corvette(s). Yes, it won't be long. A note of thanks to **Ken Laver**, a CCDV member who resides in Arizona, for sending me a nice Christmas card in December with some very kind words in it. He states that since he moved there the Gas Cap is his main line of communication with the club. For those of you who do not know Ken, he was the one who organized the **Vettes at the Vet** in 1999 where we had 33 Corvettes drive around the Phillies celebrities on the warning track. Ken it's always nice to hear from you and try to fly in for our Cavalcade show this June.

I stated last month in my President's message that I will list the key changes that happen within my last three years as President. These changes could not have happened if it was not for the support of the club's Officers, Board Members and all the members within the club (page 4). I can't list the time and effort that went into all these changes but at least I can re-cap them for you.

Last week I heard that they are closing down the St. Vincent Orphanage for children in Northeast Philly. For years our club would do a **Toy Run** at Christmas to this Orphanage and put many smiles on faces of kids that were beaten or ignored by their parents.

The month of January had a couple of activities that our members had enjoyed and participated in. The **Bowl a Rama** night went well and every one had fun. There's talk about having a bowling contest very soon and there's pictures on our web site of the members trying to bowl Good job **Joel & Sue Fellman** for putting this together.

Gas Cap, Website & Club Related Issues

If you have issues with the website such as: lost password, username, sign-on or receiving the Gas Cap, please e-mail Bill Burkholder at wburkholder4@comcast.net. Please include your screen name, real name, and e-mail address.

Do not e-mail "WebGuy" as he only handles the technical aspects of the website. You can also e-mail any questions that you have regarding CCDV to Bill. He will re-direct the e-mail to the proper chairperson who will be able to assist in resolving issues promptly.

President's message (continued from page 1)

The Sunday brunch at the **William Penn Inn** also went very well and I heard the food was awesome. Good job **Paul Wydominic** for coordinating this brunch.

Our guest speaker at the General Membership meeting was **Jay Sower** who did an excellent job talking about his trip on Route 66. He definitely held our interest throughout his talk. .

In February we have a dinner planned at **Mamma Maria's Italian Restaurant** in south Philly and a roving breakfast planned at **Back 2 the 50's Diner in Perkasie, PA**. As part of our 50th anniversary activities this year the Club was invited by **Chevrolet** to a private showing of the **C6 ZR1 Corvette** and the **Camaro Convertible Concept** car at the Philadelphia Auto show. We are allowed to bring 100 members to this showing as well as enjoy a continental breakfast with personnel from General Motors. **Dennis Trayes** would be coordinating this activity and I will give you an update on how things went in next month's **Gas Cap**.

This month's guest speaker will be **Alan Orenstein** from **International Vehicle Appraisers Network**. He always comes to our cruise nights and his appraisals are accepted by insurers, banks, credit unions, IRS and courts of law.

Always reminder you can view all our activities for the year on our website as well as sign up for them in the calendar.

I wish you and your families the best

**Isn't it Time You Ordered
Your Pennsylvania
Corvette Club of Delaware Valley
Specialty Plate?**

Attention CCDV members; it's time for you to order your CCDV Specialty Plate, if you don't already have one on your Corvette. If you'd like keep your personalized, classic or antique plate, why not get one for your daily driver? Proudly show people you are a CCDV member. Do this now and you'll have it in time for the spring. Please visit the [CCDV.com](http://www.ccdv.com) website at: <http://www.ccdv.com/forums/showthread.php?t=2749> to get additional information and how you can get your Specialty Plate Application (Penn DOT Form MV-904SP).

Here is a re-cap of the past three years. The changes are listed in no particular order.

- * A new location for the General Membership meetings. Moved from the VFW in Willow Grove to the VE Club in Warminster. A larger meeting room roped off parking and very good food.
- * One day venue for the Cavalcade show. Moving from the two day indoor show to a one day outdoor show.
- * Started paying for the Sponsorship of our CCDV racing team at Englishtown.
- * Created a Scholarship Fund for two students each year to go to a local trade school.
- * Twice moved our Cruise night to a new location due the growth and popularity of the show.
- * Changed the picnic location to the VE club which has better activities for the children and a pool.
- * Hosted the annual Corvette Big Roundup being held at Walnutport, Pa.
- * Partnered with the annual Doylestown Oktoberfest and hosted a car show.
- * Created a General Membership meeting survey to get a pulse check on how the members perceive the meeting and what changes could be made.
- * Partnered with the Montgomery County Board of Health to co-host the annual Students Against Destructive Decisions (SADD) safe driving and anti-drug conference.
- * Changed the time and location of the holiday party from the VFW in Warminster to the Buck Hotel.
- * Created a Public Relations Chairperson position to better focus on our marketing efforts.
- * Created a Special Projects Chairperson position to better focus on such initiatives as 1) having Multi-Sponsorships and 2) partner with businesses that will give us a club discount.

Even with all these changes my commitment to the club will never stop if there is room for improvement or a better way to best suit the membership.

An Eating Experience

Saturday, February 16, 2008 at 7:30 PM

Mamma Maria's Ristorante Italiano, located at 1637 East Passyunk Avenue in South Philadelphia is just that: an eating experience and also a South Philly landmark!

Your meal includes several courses; Italian antipasto, soup, salad, bread, a trio of pastas, you choose your main entrée' and then desert. But that's not all! House wines are served all during dinner AND after dinner; there's cheese & fruit plus several bottles of varied liqueurs are placed on the tables. You can enjoy one or all (as much as you like).

The price is \$65 per person including tax and gratuity – a good deal when you consider the food is cooked fresh to order AND the price includes tax, tip, the wine and liqueurs.

While eating, Mario is usually strolling around playing the accordion and singing Italian songs. Everyone can join in if you know the words or you can make a request! Mamma is also always there to welcome guests and sometimes she even sits with us. You should know that Mamma has her own cable TV show: Italian Cooking with Mamma – so she's a real celebrity.

Seating is very limited so please call ASAP. We would also like a \$20 deposit/person by the February Membership Meeting (2/14) in order to hold your reservation. Why not make this your special Valentine's Day dinner? You won't be disappointed.

Come out and join us for a fun time at Mamma's. I'm sure you will want to go back! Just ask anyone who has been there before!! It is an Eating Experience!

Please call us if you would like to attend, have any questions, or need directions, etc.
Joel or Sue Fellman -- 215-969-0392 -- We hope you will join us!!

Annual Bus Trip to the Atlantic City Classic Car Show, Auction & Casino

On Saturday morning, March 1st, 2008, we will be leaving promptly at 9:00 AM from the Willow Grove K-Mart parking lot across from the VFW Legion Post on Moreland Road (our previous Club meeting location).

We should arrive in A.C. around 11:00 AM for another fun filled day at the A.C. Classic Car Show/Auction and the casino. We will leave A.C. promptly at 5:00 PM, returning to Willow Grove around 7:00 PM (just in time for a group dinner if you'd like).

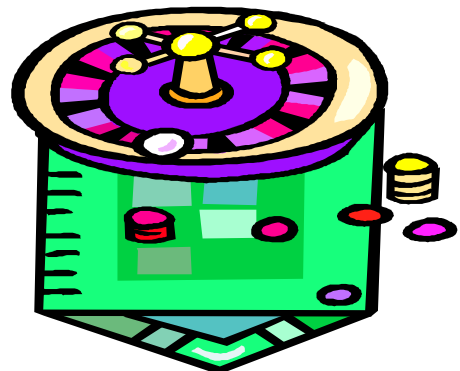

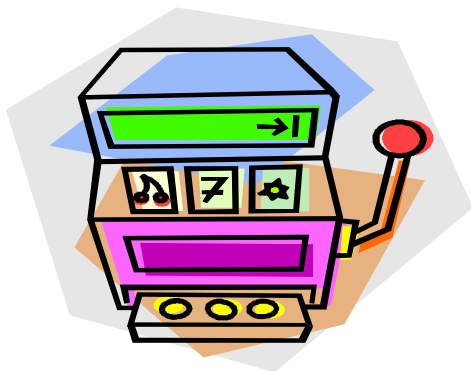

Seating on the bus is limited, so please sign up early!!!

The cost for the bus trip is \$20.00. The casino (yet to be determined) will return a portion to you upon arrival; PLUS "discount tickets" to the Car Show are \$15.00 (\$20.00 at the door).

If you are planning to go to the show, but can not join us on the bus trip, you may still purchase show tickets at the \$15.00 discounted price.

As in past years, we would like to go to dinner either in Atlantic City or after we return to Willow Grove. This is still being planned and will be announced when we know more.

Send your check to: Joel & Sue Fellman at: 9208 Lansford Street, Philadelphia, PA 19114. Kindly include your name, address and phone number with your check. Please call 215-969-0392 for questions or more information.

Roving Breakfast... a fun place with great music and pictures

The Back 2 the 50's Diner has an informal atmosphere and good, hearty food. Their choices are unlimited, reasonable, and plentiful. So come hungry! You can order from the menu or just tell them what you want and they'll make it.

Although they have limited seating, they welcome our group from CCDV. If a few Corvettes show they will really be excited. We did tell them most of us put our babies to bed for the winter, so they will not be too disappointed if we arrive in our daily driver.

They have requested we be there by 8:30 AM, and they will move tables so we can sit together. We will need to limit this to about 25 people, so if you're interested please respond to the CCDV Forum posting or call Paul and Ginny Wydominic at 215-453-7994.

No prepayment is necessary; they will offer to write individual checks.

Wayde and Denise Ewell's 2003 Z06

Members interested in having their Corvette's picture shown here are encouraged to send a picture and some history of their interest in automobiles and facts of their Corvette to Bill Burkholder at: wburkholder4@comcast.net.

Please help Bill get this project off to a great start and share your love of your Corvette with your fellow Corvette hobbyists.

My husband Wayde and I recently joined CCDV after purchasing our 2003 Corvette Z06. We thought it would be cool to submit a picture along with a brief story.

We purchased our 2003 anniversary edition Corvette Z06 just days prior to our 25th wedding anniversary. I had always promised my husband we would purchase a newer corvette as our anniversary gift to each other, but it had to be bright yellow C5. It just so happened that our car was previously owned by our realtor who sold us our home 17 years ago. I gave our car the name, "Rocket Man" because when you hit the gas he takes off like a rocket. The car has many extras including eradi-speed drilled and slotted rotors, Vararam air intake system, Hurst shifter, chrome Z06 wheels and lots more. We were thrilled when our car won one of the excellence awards in Warminster's car show in October. We have a full-time job keeping this beauty shining as it will always be our greatest investment.
