PRESIDENT'S MESSAGE *by Ed Bonk*

I'm writing this message with the temperature close to 80° F and nothing but sun. Our long winter wait is finally over. We will be doing a lot of great things as a club this year and I want to pro-actively thank the members who have already signed up to volunteer their time with our up coming events through out the summer. I fully appreciate your support.

The month of April was quite busy and entertaining. The month officially starts our outdoor activities and our first Cruise night was a total success. With the temperature in the 70's and a perfect day we had approximately 200 cars on display. It was a great feeling to see the people strolling around and talking with the car owners. That same night a group of us drove down to **Tony Luke's** steak shop to meet a Corvette club from New York City and greet them at midnight. They did a cannonball run and picked up a lot of other Corvettes from New Jersey on the way down to Philly. We all had fun and thanks to **Glenn Murphy** and **Mark Sandler** there are photos on our website for everyone to see. Our Corvette racing team had two **ECSCC** events (page 4) this month and the roving breakfast at the **Heritage Restaurant & Bakery** went well.

The **SADD** conference (page 11) at the Montgomery County Fire Academy was a great success. This event, which we co-host with Montgomery County, is extremely gratifying when you see the students sitting in the auditorium who fully appreciate our Club's involvement in supporting their cause. I want to thank the Club members that showed up with their Corvettes on a beautiful day and volunteered their time. I want to offer a special thanks to **Rose Ferrante** and **Dennis Levitt** for a job well done. This is the third year they have given their time and effort to have on-going meetings with the County and then successfully coordinate the event.

Gas Cap, Website & Club Related Issues

If you have issues with the website such as: lost password, username, sign-on or receiving the Gas Cap, please e-mail Bill Burkholder at wburkholder4@comcast.net. Please include your screen name, real name, and e-mail address.

Do not e-mail "WebGuy" as he only handles the technical aspects of the website. You can also e-mail any questions that you have regarding CCDV to Bill. He will re-direct the e-mail to the proper chairperson who will be able to assist in resolving issues promptly.

President's message (continued from page 1)

For May we will have our roving breakfast at the **Astor Place Restaurant** and afterward a cruise to Jim Thorp, PA to see the sites and do some shopping (page 10).

This month will be our second year anniversary at the **VE Club** in Warminster. The VE Club has been a great partner to CCDV and they have always treated us 1st class.

The speaker for this month's General Membership meeting will be **Jim Rosen** a formal actor and now a TV series book writer. He acted in series like Quincy MD, TJ Hooker and Mike Hammer. He wrote a book called **Route 66, the TV Series** which has a lot of behind the scenes information and pictures as well interviews with the directors, producers, **George Maharis** and **Marty Milner**. He said he will discount his book and sell it to our members for \$10.00 as well as autograph it. He said to me he is looking forward to seeing a lot of Corvettes in the VE parking lot. Let's not let him down.

Looking ahead to June, preparations for the Cavalcade of Corvettes are going very well. I'm looking for a large number of Club members to register for the event as it will be a chance to show your car and have a day of fun. Last year we had approximately 125 Corvettes in the show and another 85 in the VIP parking area.

The scheduled June General Meeting speaker is Dennis Kirban, who will discuss oil issues in older Corvettes.

I wish you and your families the best.

Ed

Corvette Roundup Update

Things are beginning to come together for this year's Corvette Roundup at Becky's Drive-In Theatre. The date will be August 9, 2008 with August 10th the rain date. I stopped by the Drive-In a couple weeks ago to drop off some Roundup posters and to check the place out. The owners, Cindy and her Brother Darrell, are happy to have us back and really like the idea of a car show at their Drive-In.

I will begin to create the Gimmick Rally shortly. We will have a 45 car limit this year so if you plan to participate, make sure to pre-register ASAP. I've sent out a boatload of requests for donations for goody bags and door prizes and they are already starting to arrive. There is a funny story about that; last week I received a call from UPS Freight, they wanted to make arrangements to deliver a 325 lb. crate from Moroso. I had no idea what it was, so I called UPS and asked them if it had the words 350 cu.in. anywhere on it? I made arrangements to pick it up. When I got it home, I found a clock made out of a Moroso air filter cover that we'll use as a door prize; a Moroso banner and 325 lbs of catalogs which will be included in each goody bag. For more Corvette Roundup information and registration form go to www.corvetteroundup.com.

See You There, *Don*

Going Racing

by Doug
Bereczki

The racing season is in full swing now. Three Corvette Challenges are in the record books now. The first points race took place on March 29th and the second and third points races were held on April 26th. The April 13th event was rained out and rescheduled on the 26th of April.

On the 26th CCDV was represented in numbers with 10 members traveling to Englishtown to race. Tony Buonassisi, Joe Signore, Mike Campbell, Ellis Gray, Jerry Muniz, Bob Rosenberg, Richy Josephs, Jim Bole, Ron Lynch, and I were all ready to get the points season started. Tony had the best showing of all of us. Tony was HAMMERING the tree on his way to a semi final appearance. One of his races was a heads up race as the racer next to him dialed in the same as Tony. The guy next to him never had a chance because Tony ripped off a .014 RT! In the first round Tony picked up the best reaction time award with a .001 RT!!! Mike and Ellis made a second round appearance. The rest of us all exited in the first round.

There was also EFI races along with the Challenge. Ellis made it to the semi finals in the EFI-1 class. After losing the first round in the Challenge, I went on to win the EFI-2 class and got a nice trophy, but no points in the Challenge.

The second points race brought a light turn out for the club. Just Tony, Joe, Bob and I headed out to E-town. The threat of rain probably kept a lot of guys home. Jerry met us at the track. We got our two time runs in and just before the elimination rounds were to start we had a second rain delay and the decision to reschedule the race was made. Jerry had missed the time runs and didn't even get the car off the trailer.

The 26th of April was a double header. The rescheduled April 13th was held in the afternoon session. Bob Rosenberg, Mike Campbell, Jerry Muniz, Richy Josephs, Tony Buonassisi, Joe Signore, Ellis Gray and I all showed up despite of the threat of rain. Oh I almost forgot, a new guy, Al Betz, also showed up. I'm glad he had a name tag so we all would know who he is!

As the first race unfolded, I ended up with the best showing with a semi final appearance. I lost that race by .0092! Joe won two rounds and Tony and Ellis each won one round. The balance of the team bowed out in round one.

In the second race everyone who lost in the first round in the 1st session made it to round two. Bob, Mike, Jerry, and Ellis got a first round win. Unfortunately that's as far as they got. As the smoke cleared at the end of the day two of us are in the top 20 in points. Tony leads the club with 9 points in 8th place and I'm in 13th place with 8 points.

The next Corvette Challenge will be on May 31st. But if you want to get some Corvette only racing before the 31st, the National Corvette Challenge will be held on May 10th in Virginia. Info on this event can be found at <http://national.corvettechallenge.info/>. If you are not interested in drag racing then autocross might be for you. The Philly SCCA will be holding an autocross event in Warminster on May 4th. Everything you need to know can be found at phillyscca.com. Click on the monthly schedule.

April's Cruise Night

April's cruise night got the season off to a very good start. The weather cooperated in giving us a beautiful evening for everyone to come out and show off their cars. Approximately 150 cars filled Lowe's lot.

I would like to thank all our members that helped make this a successful event! Thanks also go to TGIF for donating to our door prizes. We're looking forward to May 17th and hope to see you there!

Also, thanks Lisa and Rick for posting the website pictures.

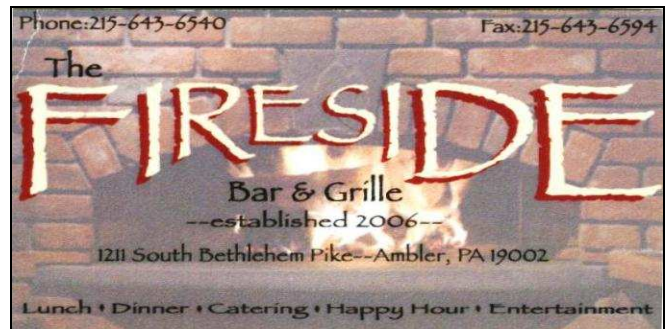

The trophies went to Bob Bearn for his C6 the 13th one built and a pilot test car, Mike and Nancy Brown for their 1934 Ford Vicky and Paul Rose for his 1969 Camaro.

Congratulations and thanks for being part of cruise night.

May Corvette of the Month

My Cordovan Maroon 1968 Corvette Coupe with saddle interior was a Christmas present in 1981 from my husband Dennis. It was purchased at a Volvo dealership in Lansdale PA, which is no longer in business.

The car has a 390 horsepower, 427 engine and automatic transmission.

It had 44,000 miles on the clock when purchased and today it only has 62,000 miles. The farthest distance traveled with this car was to Corvettes at Carlisle. I used this car daily for three years. We then found out we were expecting our first child and I could no longer fit behind the wheel of the Corvette. It was then time to purchase a family car and we decided to have the car repainted and retired to the garage.

The car now comes out of the garage occasionally from April to October. This car took first place in our club's first Slow Drag Race at our Cavalcade in 2006.

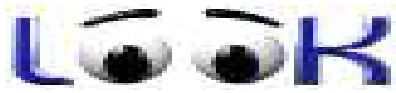

I have been a member of CCDV since 1982 and became a lifetime member in 2007. I have enjoyed many activities with this car including drive-in movies, parades, Hot Dog Runs, caravans and car shows. The most enjoyment I get out of having this car is the friendships we have made through the years.

First Lady, *Debbie Trayes*

2008 SADD Conference

Thanks to Dennis T., Grady and Linda, Dennis L., Greg, Ed and Nicki, Bob R., Richy, Dave and Sherry, Joe P. for coming to the third SADD leadership conference. The kids seemed to have a good time while learning about the dangers of substance abuse. The mock crash at the end of the day was very realistic, especially when the Med Evac helicopter landed. The event was covered by Channel 6 news and the Recorder, the local paper in Conshohocken. The Montgomery County Fire Academy was a perfect venue and we're looking forward to next year's event. Thanks again to everyone who participated.

Please note: listings will be removed after 3 months unless we are notified otherwise.

T-top does not refer to the shape of the roof, but rather it is short for Targa Top. The original design was a pure Targa but body flex demanded the center bar, discovered late in the design.

In 1969, the ignition lock was moved from the dash to the steering column. It would remain there until 1997 when it was returned to the dash.

1996 Grand Sports: The Grand Sport's stripe is not the same width all the way back. It gets wider as it goes up the hood, and the top is narrower, and then it gets somewhat wider in the back end.

The 1997 Corvette C5 is the first Corvette designed from the ground up to be a Corvette.. Not borrowing parts from other cars. One of the few "Off the Shelf" parts - the exterior door handles, same ones used on the Oldsmobile Aurora.

Highlights from the April 17, 2008 CCDV Board Meeting

- ✓ The Board discussed the 50th Anniversary party. Dennis Trayes reviewed some of the estimated costs. A motion was passed to approve the non-reimbursable cost for the 50th party to each member of \$25.
- ✓ The Board will review the rules/guidelines submitted by Joe Signore at last month's meeting. No other submissions/suggestions were made.
- ✓ Four (4) new membership application(s) were received. The new candidate(s) are: Edward Demeter, Greg Burke, Ralph Zuccarini, and Greg Lebold. A motion was passed to approve the new membership application(s). Total membership stands at 509 members including the above new member(s).
- ✓ Tickets are now available for this year's raffle car and we need people to begin selling tickets.
- ✓ The Cavalcade Show sponsorship solicitation is going well. The show committee is taking advantage of free advertising for the show. Many major magazines have stopped free advertising.
- ✓ There was a discussion regarding stickers for the 50th anniversary year. A motion was passed to purchase 500 50th Anniversary (outside) stickers for \$250.
