## PRESIDENT'S MESSAGE by Ed Bonk

I'm glad June has passed as I couldn't take one more day of rain. But as I look out my window today there is nothing but sun and now I am a happy person.

**June** was a rainy month but we did get in a few activities. Our racing crew enjoyed themselves at Corvette Challenge #4 and the Sunshine Foundation fundraiser at Outback's did extremely well in raising **\$300**. Thanks to **John Tambourine's** efforts as well as his helpers **Outback Steakhouse** agreed to donate 10% of our CCDV member's checks to the **Sunshine Foundation** on June 17<sup>th</sup>. We also collected some additional money at the front door as people were coming and going. Most likely we will present the check at a future General Membership meeting. And speaking of the Sunshine Foundation I regretfully announce the passing of **Irv Homer**, a radio talk show host for years and dear friend of the Foundation. Irv attended our last two holiday parties and accepted our yearly donation on behalf of the foundation. A great guy and a big loss to all who knew him. Our annual **Cavalcade of Corvette** show went on despite the rain and had approximately **80** cars on display. The decision was made at 5:00 am in the morning when it was not raining and with the rain expected late afternoon. This is a very difficult decision to make due to all the preparations in putting this together throughout the year and with clubs coming from New Jersey and Delaware. If it was raining in the morning the decision would have been easy to make but once the show starts getting cars showing up at 8:00 am we could not reschedule due to the cost, getting the vendors to come back and communications. It did stop in the afternoon for a short period of time and we had a bright moment when Miss Southeastern Pennsylvania (**Marissa Macintosh**) arrived along with Miss Greater Delaware Valley Teen (**Rebecca Zeneski**) whose mother was Miss Pennsylvania in 1991 (**Linda O'Boyle**).

(Continued from page 1)

The girls walked around having pictures taken next to some of the cars and chatted with a lot of the participants (See Page 13). They left the next day for Pittsburg to compete in their respective Miss Pennsylvania contest the following weekend but unfortunately did not win that title. Our auction did meet its goal of **\$1000** for the Sunshine Foundation. I want to thank **Jacques and Marlene Etkowicz** as well as all the volunteers who worked or helped prepare for the show.

For **July**, we have the Oreland 4<sup>th</sup> of July parade that the club participates in every year. This is one parade you do not want to miss. When you talk American tradition, the Oreland parade signifies it in a way it's hard to visualize in this article. Our Corvettes are in the front of the parade and you drive through the streets of Oreland and see thousands of adults, children and even pets having American flags in their hands or on display. At 10:00 am you see people lining the streets, sitting on their lawns, barbecuing, waving to you, shouting 'Nice Car' and you get a natural thrill that's unbelievable. This is as American as '**Motherhood and Baseball**'. After the parade we are invited back to the Oreland firehouse by **Dan Supplee**, the Fire Commission, for free hot dogs, soda and beer. If you want to participate read the web site thread or calendar for details. Other activities this month are the roving Breakfast at **Maggio's Restaurant** in Southampton, Pa., two ECSCC drag racing events, our monthly cruise night and our 2<sup>nd</sup> annual Covered Bridge Poker Run. Our guest speakers at this month's GM meeting will be **Mike Moran** and **Chris Coriell** from **East Coast Supercharging** in New Jersey.

And finally, ticket sales for the raffle car are going well and should you want to buy or sell tickets contact **Dave Bresler** (215 350-9527), **Dave Urbanek** (215-443-7568) or myself. If you sell nine you get the tenth free. You can see the car on the club's web site.

I wish you and your family the best.

*Ed*

# ***Going Racing***

Hello again race fans! Date line: Old Bridge Township, NJ, Raceway Park, Corvette Challenge points race #4. Finally, had a decent weather day, seasonably warm, 70 to 81, sunny and reasonable humidity. It was a good day for racing! Track regulars Ellis Gray, Jerry Muniz and I were there looking forward to a good day. Also showing up to race was Bob Bern in his hot rod C6 and Joel Fellman in his yellow 76.

Time shots were pretty uneventful for most of us. Joel's car was running pretty consistent. Ellis's silver 2000 Vette was **deadly** consistent! He had that monster running between 11.51 and 11.53!!! Bob's 13<sup>th</sup> C6 was running pretty good. Jerry was a little concerned about his rear, so he wouldn't be running any nitrous. I on the other hand had a major problem. My car did **not** want to start as the second time shot was called!!!! Thinking I had a dead battery, since I had my radio on, I found a jump box and tried to start my Vette. Nothing happened!!! After searching for someone to help diagnose my problem, I found Tommy from Anger Management Racing. He was able to pin point the problem, VATS system failure, and told me to wait 4 minutes for the computer to reset it's self and try to start it again. I wait 5 minutes for good measure, and she fired right up! Missed my second time shot, but was able to make round 1.

Round One. Five of us ran, but only two of us made it to round 2. I had to pretty much guess my dial in and proceeded to cross the line first on a beautiful break out run. Bob took off nice from the line shifted into second and the clutch peddle stayed on the floor! Jerry came up short and was put on the trailer. Joel ran his # pretty close and advanced to round two. Ellis also won round one and stepped up to round two. Unfortunately CCDV was done in round two, as both Ellis and Joel exited.

Although Ellis was knocked out of the Challenge early, he went on to have a banner day. Ellis was also running in a GM EFI race and an 11.5 index race. He made it to the semi-finals in **both** races! His car continued running deadly consistent! All of his runs for the day were between 11.51 and 11.53. He is able to pull this off with a car that he DRIVES to and from the track. His 2000 Vette has its full interior, ice cold A/C, and a heavy custom sound system!!! Pretty impressive.

Next Corvette Challenge is on July 11<sup>th</sup>. Hope to see some new faces.

*Doug Berezcki*

*"Thank You"*

# Revised...Cruise to Newport, R.I. Mansions

## **\* \* \* \* \***PLEASE NOTE CHANGES**\* \* \* \* \***

The date of the trip has been changed and the Wine & Food Festival will go on without us. When I began gathering info about the trip nobody up there was able to give me much info about the Festival. However, I was able to find out that tickets to the 2008 Festival were \$100 per person for one day only from noon to 4pm. Also the Festival is held on the grounds of one of the mansions that will be closed to tours during the festival. After contacting some of the people (*I called everyone that had signed up but not everyone was home*) to discuss attending the Festival, it was unanimous that the price tag for the Wine & Food tasting Festival was too steep. So we decided to reschedule the trip to the next weekend. This I believe will work to our advantage. All the mansions will be open, less people in town, more parking available and for those that planned to go to the OC NJ show still can (*it is on the same day*). I checked to see what the average temps are for that time of year up there and we can expect around 63 F, for those of you that are hoping to see the leaves changes you will need to go back towards the end of October. Lastly I found a little extra side trip that we will incorporate, a 10 mile scenic Oceanside cruise. I hope the change does not create any problems. Thanks Don

***NEW DATE:* When: October 2nd to the 5th  
Where: Newport, Rhode Island**

### **What the heck is this about?**

In Newport R.I. there are a group of [mansions](http://www.newportmansions.org) that were built during America's gilded age by Industrial Giants such as Carnegie, Vanderbilt etc...The Newport Mansions Organization [www.newportmansions.org](http://www.newportmansions.org) has returned the mansions to their original condition and has opened them for public viewing.

### **Why am I telling you this?**

We are putting together a road trip to tour the Mansion at Newport, RI its about 260 miles a 5 to 6 hour drive from Willow Grove, PA (depending on the strength of your bladder). We will drive up on Friday Oct.2nd check into the Hotel (TBD) go to dinner (TDB). Saturday and Sunday will be spent touring the mansions. Sometime during the weekend we will take a 10 mile scenic ocean drive cruise which was highly recommended. Monday will be the drive home

## Cost?

If we get 20 or more people interested in the trip the cost for mansion tickets are \$26 per/person if less than 20 people the cost is \$31 p/p. I am presently looking into hotel accommodations, but have to warn you it's a tourist attraction and it won't be cheap. Once I find a hotel it will be up to the individual to book their room. This will not be a structured tour; you may follow the group or go off on your own. You may even find your own accommodations if you wish. This is a rain or shine trip. You can drive your Vette or your Mini Van. As a matter of fact, if you can defray the cost by carpooling with another couple if you wish. Whatever floats your boat is fine.

If you are interested in going on this road trip you can email me at [dpterranova@yahoo.com](mailto:dpterranova@yahoo.com) visit the CCDV website and post your comments there or call me at 215-794-7393 (leave a message and I'll call you back). Once I get more details on accommodations I'll sent them out as well as posting them on the [CCDV](#) website under upcoming events.
