## PRESIDENT'S MESSAGE

by Ed Bonk

I would like to start off by hoping everyone had a great holiday and spent a lot of dedicated time with your families. I also want to wish everyone a happy New Year and hope everything works in your favor throughout the year. In last month's Gas Cap I incorrectly wrote Mark Sanders as one of our elected Board members but his correct last name is Sandler. My apologies to Mark for the mis-spelling.

I will begin my **Sixth** year as President this month and I'm very much looking forward to it as well as keeping CCDV a '**Premier**' club. Additionally, I look at the makeup of **CCDV** as a '**Tripod**' infrastructure; Business, Entertainment, and Compassion (**See Page 6**) and I will continue to support and build on this in **2010**. Every January I have it printed so the current and new members see what has been added to the '**Tripod**'.

Going into our **52<sup>st</sup>** year I will be breaking my own record of one person being President for **six** consecutive years, a feat which I am honored by. I'm not sure if I'm doing something right or nobody else wants the job but either way I am very honored. I could not perform in this role if it were not for my Officers, Board Members, Chairperson's and every club member who supported me throughout this tenure. This support includes everyone who has volunteered to assist with our activities or participated in them. For that support I want to thank everyone. I will list in this month's Gas Cap the key changes that happen (**See Page 5**) within my last **5** years by having everyone's support. I join the club in **1998** when a fellow CCDV member and a person who I worked with (**Paul Burbank**) asked me to join him at the April meeting. After the meeting I sent in my application and began volunteering to help with some of the activities. I had no clue that in the future I would end up being the President of this '**Premier**' club. I was elected to the Board in my **5th** and **6th** year another feat I felt honored by. The past **11** years have been great and challenging

at times but I actually enjoyed being a member of the club during those years. I met a lot of great people both internal and external to the club and look forward to meeting many more. In **2010** I will continue to look for ways to improve or change things that would be in the best interest of the club.

The month of **December** did not have many activities but the holiday party was a lot of fun. It was held at the '**Buck Hotel**' with approximately **80** people in attendance. At the beginning of the party **Bob Weiss** and **Jeff Hey** presented a **\$4000** check to a representative from **St. Mary's Villa** and a **\$2000** check to a representative from the **Junior Diabetes Foundation**, two of the foundations we annually contribute to. We presented **\$14,400** dollars this year to our selected charities and that makes it approximately **\$360,000** in total **CCDV/CECF** has donated through the years. Great job to everyone who has worked hard in making this happen. After dinner the DJ got some of us into a dancing mood and you would be surprised at how good some of the members can dance. I want to thank **Miriam Rogers** and **Chris Terranova** for a job well done organizing the party.

In **January** the guest speaker will be **Mike Maquire**, President of the **Johnsville Centrifuge and Science Museum** in Warminster, Pa. He will talk about the museum and it's interaction with the astronauts and their Corvettes.

As a way to reduce expenses and starting with the **April** issue, our monthly Gas Cap will no longer be sent to the members by way of the postal service. You will be able to receive it electronically either by going to our website ([www.ccdv.com](http://www.ccdv.com)) or in an attachment to your e-mail address. If you have a concern you may call me on the club phone (**215-938-7722**) and we can discuss your concern.

I wish you and your families the best

# ***Going Racing***

Anybody dieing to get back on a track, ANY track? Well December didn't bring any racing relief. So if you want to race your Vette you will have to head South. I did, however get the preliminary 2010 Corvette Challenge schedule for Raceway Park in Englishtown.

This is a preliminary schedule. But in the past four years, when the preliminary schedule was posted there have been no changes.

03/20/10 warm-up + '09 Top 16  
03/27/10  
04/03/10  
04/24/10  
06/05/10  
07/10/10  
07/24/10  
08/14/10  
08/21/10  
10/23/10  
10/30/10  
11/06/10 Top 16 Invitational

N = NON-points  
16 = Top16

As you can see there are two top 16 races. As in the past two years the previous seasons top 16 race will be held during the warm-up race. This year Team CCDV will have three drivers in the top 16 race. Ellis Gray (7<sup>th</sup>), Doug Bereczki (9<sup>th</sup>), and Jerry Muniz (14<sup>th</sup>) have been invited to compete in the 09 Top 16 race.

There will be three other classes to race in the Corvette Challenge as well. The 11.50 index will run again next year, along with a 10.50 index race and a 9.50 index race! the big change for next year is that the 11.50, 10.50, and the 9.50 index races will have the same 11 dates as the original Corvette Challenge. That right 11 races each! More info on each series can be found at <http://www.corvettechallenge.info/index.php>

Looks to be a fun year!

See you at the track!  
*Doug Bereczki*

## CCDV CHANGES (2005 - 2009)

Within the last **five** years the club has gone through some significant changes. This all happen due to the club being faced with circumstances that warranted these changes such as a growing membership, more diversity with age and gender and having '**Open Forums**' at the General Membership meetings where members can speak out. The outcome of these forums was very beneficial and instrumental in moving forward with change. Beside these '**Open Forums**', I also get E-mails, Voice-mails or have face to face discussions with members concerning changes.

Here is a re-cap of the past **five** years. The changes are listed in 'NO' particular order.

- \* A new location for the General Membership meetings. Moved from the VFW in Willow Grove to the VE club in Warminster. A larger meeting room, roped off parking and very good food.
- \* One day venue for the Cavalcade show. Moving from the two day indoor show to a one day outdoor show.
- \* Initiated the CCDV President's semi-annual award for those members who exceed expectation either currently or in the past with their efforts in helping the club.
- \* Started paying for the Sponsorship of our CCDV racing team at Englishtown.
- \* Created a Scholarship fund for two students each year to go to a local trade school.
- \* Twice moved our Cruise night to a new location due the growth and popularity of the show.
- \* Changed the picnic location to the VE club which has better activities for the children and a pool.
- \* Hosted the annual Corvette Big Roundup being held at Walnutport, Pa.
- \* Partnered with the annual Doylestown Oktoberfest and hosted a car show.
- \* Created a General Membership meeting survey to get a pulse check on how the members perceive the meeting and what changes could be made.
- \* Partnered with the Montgomery County Board of Health to co-host the annual Students Against Destructive Decisions (SADD) safe driving and anti-drug conference.
- \* Changed the time and location of the holiday party from the VFW in Warminster to the Buck hotel.
- \* Created a Public Relations Chairperson position to better focus on our marketing efforts.
- \* Created a Special Projects Chairperson position to better focus on such initiatives as 1) having Multi-Sponsorships and 2) partner with businesses that will give us a club discount.
- \* Celebrated CCDV's 50<sup>th</sup> anniversary with a memorable Banquet, Picnic and Logo.
- \* Partner with the
- \* Initiated a CCDV 'Help Each Other' member list for those that need roadside assistance.

Even with all these changes my commitment to the club will never stop if there is room for improvement or a better way to best suit the membership.

## CCDV TRIPOD INFRASTRUCTURE

### Ed Bonk

In my President's message I wrote words to the club's '**Tripod**' infrastructure and its three components. In this article I will expand on what I meant by this. You might not have thought much about the club's infrastructure but when you look at the chart below it will justify what I mean when I say CCDV is a '**Premier Club**'. There are **Three** major components to this 'Tripod'. They are **Business, Entertainment and Compassion**. Thanks everyone.

# CECF News

"Hi, everyone! I hope the New Year brings all of us health, happiness and prosperity. I have exciting news from CECF. Thanks to the hard work and dedication of the CCDV and CECF members, I am proud to announce that the following donations were given out at the annual holiday party at The Buck on December 5th.

Juvenile Diabetes Foundation CECF -\$2000 CCDV -\$1000  
 Sunshine Foundation CECF -\$3000 CCDV -\$2000  
 MANNA on Main Street CECF -\$3500  
 St. Mary's in Ambler -\$4000  
 Warrington Ambulance -\$400  
 Walk/Cure Multiple Sclerosis -\$1500 CCDV -\$700  
 Crohns Disease CCDV -\$631

All CECF monies were as a result of the raffle car ticket sales, and CCDV monies were from the Cavalcade of Corvettes. The money for Crohns came from the cruise nights at Lowe's.

We have purchased a raffle car for 2010! It is a gorgeous 2001 Dark Metallic Blue convertible with only 17,000 miles on the clock. It's a 6-speed in great condition with a black interior and white rag top. It will show extremely well at car shows this coming season. Ticket distribution will begin in early March, so start thinking about how many tickets you will be able to sell. Have a great winter...Dave Bresler :)"
