## PRESIDENT'S MESSAGE by Ed Bonk

I can't believe June has pasted by so quickly. The weather was hot but no complaints here as it beats the winter months without a doubt.

**June** was a month that had a lot of activity and a lot of fun. Although the cruise to **Becky's Drive In** was canceled due to inclement weather in Berlinsville, Pa., the CCDV dinner at **Cafe La Fontana** went well. Cruise night at Lowe's had a large turnout even with the Lansdale car show was held the same night. The General Membership meeting saw a great show with **Joel Fellman** and his friends as well as **Arie Dash** demonstrating their Martial Art's. Good job to you guys as the demonstration was pretty cool. At the end I put on a mini display of breaking a piece of wood with my fist. It was **6** inches thick, well maybe not **6** inches, maybe more like **1/8<sup>th</sup>** of an inch thick.

Our **40<sup>th</sup>** annual **Cavalcade of Corvettes** and **Custom & Classic** show (See Page 3 & 10) was a 'Hugh' success. This is our **5<sup>th</sup>** year at Middle Bucks Institute of Technology in Jamison, Pa. and the weather was perfect as well as hot. The number of cars in the Corvette show was **142** and in the Custom & Classic show had **50** with another **7** in the sixty's display. Wow, what a site seeing all those beautiful cars on display and what a sight it was as they all looked great parked in the sun. The VIP Corvette parking had approximately **80** cars most of the day. It was like another show was going on. I had such a great time walking around and talking to everyone and meeting new friends. There was nothing but compliments coming from everyone and some said they were going to join the club. A couple of the people said to me that other than Carlisle this was the best Corvette show in Pennsylvania. That's saying something about CCDV. Our vendors were happy and the on-going activities created a lot of fun for everyone. There

were **4** other Corvette clubs with cars in the show and the **Allentown Area Corvette Club** won the '**Best Club**' participation award. We also had cars from four different states (PA, NJ, Delaware & New York). My congratulations & thank you goes to **Jacques & Marlene Etkowicz, Don Terranova, Dave Bressler** and all the people who worked very hard in making this year's show a great one. We had over **100** volunteers who all did a fantastic job and I appreciate your time and efforts. A special thanks goes to **Marlene Etkowicz** who spent hundreds of hours knocking on doors, calling people, sending letters and following up on the contributors who committed themselves in donating many gifts for our '**Silent Auction**'. Our goal was to raise **\$1500** for our charities and due to her efforts we exceeded that amount and collected **\$1700** dollars.

For **July**, we have the Oreland 4<sup>th</sup> of July parade that the club participates in every year. This is one parade you do not want to miss. When you talk American tradition, the Oreland parade signifies it in a way it's hard to visualize in this article. Our Corvettes are in the front of the parade and you drive through the streets of Oreland and see thousands of adults, children and even pets having American flags in their hands or on display. At **10:00** am you see people lining the streets, sitting on their lawns, barbequing, waving to you, shouting 'Nice Car' and you get a natural thrill that's unbelievable. This is as American as '**Motherhood and Apple Pie**'. After the parade we are invited back to the Oreland firehouse by **Dan Supplee**, the Fire Commissioner, for free hot dogs, soda and beer. If you want to participate read the calendar for details. The Roving breakfast will be at **Mastoris Restaurant** in **Bordentown, N.J.** and then a cruise up to **Monmouth Race Track** in **Monmouth, N.J.** There is also a car show that day at the track. Our guest speaker will **David DiEugenio** who is willing to drive 1 ½ hours to talk about the **Vintage Automobile Museum of N.J.** He will also add '**Those Fabulous Fins of the Fifty's**' as part of his speech.

And finally, ticket sales for the raffle car are going well and should you want to buy or sell tickets contact **Dave Bresler** (215 350-9527), **Dave Urbanek** (215-443-7568) or myself. If you sell nine you get the tenth free. You can see the car on the club's web site.

I wish you and your family the best.

## CAVALCADE NEWS

### A JOB WELL DONE!

Words can not express my gratitude to all those who helped plan and execute a flawless Cavalcade and Custom & Classic show. 11 ½ months worth of work certainly paid off! In addition to the 12 core members of the Committee, that helped plan every aspect of the show down to the most minute detail, we had about 90 volunteers roll up their sleeves and pitch in. All of those with whom I spoke or from whom I received e-mails had nothing but good things to say. You should all be proud of what we accomplished.

# Cruise with us to Niagara Falls Canada

17 CCDV couples have already signed up, don't let this one get past you.

If you've been thinking about going on a CCDV trip but have been waiting for the right one, your wait is over. On October 2nd we'll be driving to Niagara Falls Canada. It's a 7-hour drive plus stops. We'll drive up on Saturday and arrive at dinnertime. Sunday will be spent sightseeing the Falls and in the afternoon take an optional side trip to Old Fort Niagara. Monday we go on an optional Winery private bus tour (*see details below*), then we'll leave for home Tuesday morning. We'll stay at the EMBASSY SUITES [www.embassysuitesniagara.com](http://www.embassysuitesniagara.com) in Niagara Falls, Canada; it is a five star hotel and 100 yards from the brink of the falls. Every room will have a view of the falls. The rooms are spacious with 2 queen size beds, separate living room with a sofa bed a well-lit dining area, two color TVs, wet bar, mini bar, microwave, coffee maker and refrigerator. The price of the hotel includes a complimentary full breakfast each morning as well as a Manager's reception, which includes complimentary drinks and appetizers each evening. There is a \$10 charge for parking per day, it is normally \$20 but they gave use a discount. If you worry about your car's safety, don't. They have full time security and have offered to cordon off an area solely for our Corvettes. There is a fine restaurant in the hotel called 'The Keg Steakhouse & Bar'. I hear the food is terrific and it has a view of the falls.

Old Fort Niagara

## Sunday

Sunday we'll take a self guided tour of the falls, then in the afternoon an optional trip to Fort Niagara [www.oldfortniagara.org](http://www.oldfortniagara.org) which is on the banks of Lake Ontario, about a 20 minute drive north of the falls in New York. Built by the French in 1726 later controlled by the British then United States, the fort has a long and interesting history. It is well preserved and they offer tours all day long with people in period uniforms demonstrating firearms and what it was like living at the fort in the 1700s. This may not interest everyone so it is optional. If you prefer to stay at the falls, there is plenty to do there. There are casinos, gift shops, museums or you can find a café overlooking the falls, have a few drinks and take it all in.

## Monday

We'll take a optional private guided bus tour to visit a few wineries. This will allow us to sample as much wine as we like without worrying about driving. This region is known for their wine and for an unusual wine called 'Ice wine'. The tour will take about 5 hours and it includes a stop in the town called 'Niagara on the Lake' which has been described as the prettiest town in Canada and a stop at a chocolate factory.

['Niagara on the Lake'](#)

***You will need a passport to gain entry into Canada. An option is a U.S. Passport Card this will allow you to drive into Canada. It is cheaper than a Passport. [CLICK FOR INFO](#)***

Cost, be aware these prices are [Canadian dollars](#) which is almost 1to 1 but it does fluctuate.

**\$525 (CDN) plus 13% tax total for the room Sat, Sun & Mon**

**\$30 (CDN) parking fee**

**\$65 (CDN) plus tips per person for the winery bus tour**

**\$10 (US) per person admission to Old Fort Niagara**

Misc. There are tolls for the PA Turnpike, New York Thruway and a couple bridge tolls. We will be stopping for lunch and dinner while traveling at places such as Chili's, Fridays etc... Once at the falls we can either dine together or go off on your own, your choice.

You'll have plenty of places to choose from Wolfgang Pucks to McDonald's.

We would hope that you will drive your Corvette but we do not require it.

The rooms are spacious with a pullout sofa bed, maybe your adult children want to tag along, make it a family trip.

There are tours of the falls available. They range in price from \$15 to \$25, which you may sign up for while there. I find that simply standing next to the falls by the railing, which is free is just as spectacular.

### **\*How to book the Winery tour\***

If you plan to go on the Winery, Niagara on the Lake and chocolate factory tour mail Don Terranova a check or give Don a check \$78 per person at one of our many upcoming events or mail it to the address below. This price includes all taxes and tips. The cutoff date for this is also Sept 2nd. Make the check payable to me Don Terranova. Stop laughing, I know what your thinking and I'm not going run off with it all, probably, ha-ha. The lady that runs the tours for Embassy Suites, Caryn Peters informed me that they want one single payment beforehand and do not accept checks so hello Don's VISA. The price may actually go down a bit according to the number of folks that sign up, if it does I'll refund the difference. My mailing address is :

**Don Terranova  
165 Equestrian Drive  
New Hope, PA 18938**

**PS:** Embassy Suites offer one free room for every 25 rooms booked to the event organizer. I have talked to the group sales manager of the hotel and told them that we plan to have a drawing after all the rooms have been booked and pull a name out of hat containing all those that have booked a room and give that couple the free room. They are OK with that. Do you feel lucky? Go ahead and book today.

**To book a room call the Embassy Suites at 1-800-420-6980 tell them you are with the CCDV**

**and you want to book one of the 25 rooms they  
have blocked.**

*RSVP no later than Sept. 2nd.*

*Hope to see you in the caravan*

# "XMAS IN JULY - TOY RUN"

As previously posted in the Gas Cap, here is a listing of the toys, etc. that we need to provide on our visit to the Christ Home located at 800 North York Road (Rt. 263) in Warminster (about 1/4 mile north of Street Road Rt.132) **on Saturday, July 31st**. To assure we do not double up on the specific gifts for the children, would you please let me know ASAP if you will be purchasing and bringing any of the listed items. This way, we will know what we can expect from our members and then what we will need to purchase from the Club.

FYI: the Christ Home grounds are beautiful with nice paved parking areas. Even though they have a bar-b-que grill on premises, they asked if we could bring 1 or 2 more just to be sure. Hopefully the weather will be bright & sunny but if not, they have a room for us indoors just in case. It would also be great to have a nice selection of Corvettes for the children to look at so please plan to bring your Vette if possible.

Meanwhile, please let me hear from you no later than Friday, July 16th with your commitment to bring a gift so we have enough time to purchase any remaining - needed gifts. Please also note that we can not show up unless we are assured to have a gift for every child!! If you purchase a gift but can not attend, please let me know and perhaps I can take it at the General Membership meeting on July 8th or arrange to pick it up someplace convenient. Please be sure to note the child's name and cottage number someplace attached or easily seen on the gift.

This should be an extremely heartwarming experience. Like at Christmas, nothing makes any Season brighter than seeing children's happy faces and you can make a difference! So why not come on out and feel the spirit of the Season.

For all the children at the Home, I THANK YOU in advance for your generosity and caring. Please call me with any questions, etc. and I hope this is the start of another annual charity event sponsored by the great members of CCDV.

# Oreland Independence Day PARADE 2010

Oreland, Pa. near Willow Grove puts on a 4th of July parade that is right out of the past. This year it's on the 5th.

Kids and adults line the street with flag waving along the entire route. Our club has a tradition of being part of this parade. It's great to see that everyone still loves a line of Corvettes. If you like a parade, don't miss this one and being in it is twice as nice.

*TIP: For those of you that have never taken part in the parade many folks bring some candy to throw out to the children along the parade route. Some people also fix flags onto their Vettes.*

WHEN: Monday, July 5th.

TIME: The parade starts at 10:00 am and ends 12:00 pm.

WHERE: CCDV participants will meet at 9:00 am in the ACME parking lot at 1825 Twinning Rd. and Rt. 152 (Limekiln Pike) in Dresher, PA19025

**NO SIGN-UP JUST SHOW UP**

## PERSONAL INVITATION FROM CLUB MEMBER DAN SUPPLEE

This is a great parade, draws a huge crowd. As the fire chief in Oreland I will be marching with the Fire Dept., but I would love to see you guys there. I will extend an invitation to all CCDV members to come back to the fire house when you are through the parade for an open house free hot dogs, soda and beer. We normally have a good crowd that goes through about 7 halves of beer in 2 1/2 hours. Once the end of the parade has passed the fire house we can park Vettes along the road in front of the Fire Dept.

## DIRECTIONS to the ACME

The Acme parking lot is at Twinning Road and Limekiln Pike (152) If you are coming from the VFW post where we hold the meetings continue west on Welsh Road about 2 1/2 miles, Twinning Road comes in on the left side just past the Upper Dublin Shopping Center. If you cross the Turnpike you went too far. Turn left on Twinning. After you cross Susquehanna (1st light) you will go down a long hill, the Acme will be on your right near the bottom of the hill.

# Custom & Classic results for 2010

We had exactly 50 cars in the C&C, not counting the cars in the 60s display. Fifty cars is a pretty good turnout considering this was our first show and Magungie, Lansdale, Langhorne had their shows was on the same day and WOGL's big show is (today) Sunday.

The venue was great the field was dust free and firm. The only thing missing was shade. This was a spectator/participant judged show. Many time people don't want to be bothered with filling out a ballot and sometimes cars owners will get friends to vote for their cars, so the voting is sometimes sparse and inaccurate. At the C&C we decided to give people an incentive to vote so we asked everyone to complete a ballot, include their name and at 3:30 we drew a ballot and that person would win \$100. That person by the way was Loretta K. congrats Loretta. Because of this incentive there were 215 ballots turned in and it was quick to see who the trophy recipients were going to be early on. I was afraid that people would simply vote for any 12 cars just to be in the drawing but this definitely was not the case, people chose the best cars. There were some cars that received less than 5 votes and the car that one the best of show (Frank Aulbey's 67 GTO) got exactly 100 votes. This was the way to go and I must say people were thrilled to be in the \$100 drawing. There were some great cars at the C&C everything from a new 575HP SLP Camaro to a 39 Buick Sedan. We had foreign cars, street rods, antiques, classics you name it. Quite a variety. The show went off without a hitch. T.Wayne Langford, Ken Woods and Nick Scull parked the cars with precision, it was easy to get around and most of the cars were in view from wherever you were. Registration was professionally run by Tony Foggia, Patti Langford and Chris Terranova, they made it look easy. The votes were tallied up by Chris, T.Wayne and Patti, there were no hanging chards here. All the people above helped tearing things down at the end of the show in record time. It turned out to a really nice event I kept my ears open all day for any complaints and heard none. Except for the heat.

## *Our Lunch At CHEEBURGER CHEEBURGER Was A Victory For The Allied Forces of CCDV*

On June 6<sup>th</sup> ( The 46<sup>th</sup> anniversary of D-Day) twenty-one hungry CCDVers invaded Cheeburger Cheeburger to feast on " 50s style" food. We're talking uber-delicious broiled Burgers, French Fries , scrumptious Milk Shakes and Malts. Based on my food, and on the comments I received: This is a place you want to visit. The food is outstanding!! They had 50s music playing. They've got 36 toppings for your burger, and they've got 75 flavors of shakes. **Yowza!!**

Our own [Tom Smith](#) polished off a 20 ounce burger (along with beaucoup toppings) to get his picture taken (see attached picture) and put on the "wall of fame". Tom offered the following words of wisdom after finishing : "I think I could've eaten two 20 ounce burgers if I didn't get so many toppings". Frank Schmidt sounded like he was going for the 20 ounce the next time he visits.

Thanks again to Ken & Debbie Stacy for the recommendation and to all who attended for all the laughs & fun!!

**LUNCH AT THE CHESAPEAKE INN ON SEPTEMBER 19, 2010  
ON THE ROAD TO EAT AGAIN**

We are, on 9-19-2010, heading back to Chesapeake City, MD, for a nice 1.5 hour drive and lunch at the CHESAPEAKE INN . Included is reserved parking, there will be a \$3.00 charge and we will have our own waiter, Demetri. He worked at Shaffer's on the other side of the canal and waited on us many times, a good car guy.

Directions will be given to all who attend, limited to 20 vehicles. We will meet at HOME DEPOT on 611 & PA Turnpike at 10:45 A.M. and leave at 11:00 A.M. Please bring a smile, full tank of fuel and E-Z Pass or toll money. There will be no rain date, so if there is liquid sunshine bring the SUV or whatever. We will be seated in the upstairs dining area overlooking the canal and marina area.

Call Frank or Joanne Schmidt at 215-766-0114 to sign up.

## **Cruise Night 2010**

Hi folks the 2010 CCDV Cruise night is upon us and we've bumped it up a notch. The club purchased a new PA system and generator, which will allow us to provide music and make announcements each month. We have also doubled the number of trophies awarded each month from three to six. And lastly we will be able to give out door prizes thanks to Bob Rosenberg and Glenn Murphy tenacious effort writing letters to car care companies requesting donations. The merchandise is beginning to arrive and is already filling up my garage. Thank You Bob & Glenn
