## PRESIDENT'S MESSAGE

by Ed Bonk

I hope everyone had a great Memorial Day weekend enjoying the three days with your family or friends.

The month of 'May' had a few fun activities. The Roving breakfast, the General Membership meeting and Cruise night which had beautiful weather and the parking lot was packed. The General Membership meeting had a full house and at the last minute I asked one of our club members to give a talk about our CCDV racing team and what happens on race day. I want to thank **Doug Berezcki** for accepting the last minute invitation and for the great job he did explaining what goes on at the track. He explain how the races are controlled, the terminology related to drag racing, how the times are kept and how the cars get scored. Great job Doug, everyone enjoyed your speech. The turnouts at the GM meetings (averaging around **160** people) have been great and I want to Thank everyone for this kind of support. It makes me feel good to see this type of turnout as we have so much fun getting together at the meeting and the camaraderie is superlative for a car club the size of ours. This month was our **4<sup>th</sup>** anniversary at the **VE** club and I can remember when we were at the VFW post in Willow Grove and only averaged **65** to **80** members in attendance.

For 'June' we have multiple events planned and a one of them is a big one. Our **40<sup>th</sup>** annual **Cavalcade of Corvette** show (**See Page 10**) is scheduled on **June 19<sup>th</sup>** and preparations are going very well concerning the car registrations and the flea market. As of this writing our pre-registration count is at **60**. This is fantastic. This year I would like to beat our biggest number of cars in the show, which was **150** Corvettes a couple of years ago. I'm also looking for a large number of club members to register as this is

our biggest CCDV event of the year. And remember, these shows are for all types of Corvettes, even the ones you drive quite frequently. I drive my Vette a lot and it will be in the show. This is also a way to meet a lot of people and spend your time relaxing. We are also looking for any **1960** car to be in our **50** year display. If you know anyone who has this year car I would appreciate you asking them to put their car in the show. There is no registration fee to put the car in. Our show is the longest running local Corvette show in America. The roving breakfast will be at the **CAFE LA FONTANA** in Hatboro, Pa. and there is the cruise to **Becky's Dive In** located in Berlinsville, Pa. Like I said last month our guest speaker will not be a speaker but it'll be **Joel Fellman**, our club Vice President putting on a Tae Kwon Do (Korean Martial Art) display. Joel is a 3rd Degree Black Belt Instructor and has been doing this since 1972. **Mark Dash's** (CCDV Member) young son who is a Junior Black Belt will also show his skills. I can't wait to see them break bricks & wood with their bare hand. I was told that the last time Joel did this the President at that time attempted to break some wood with his hand. Let me think about it.

And finally, ticket sales for the raffle car are going well and should you want to buy or sell tickets contact **Dave Bresler** (215 350-9527), **Dave Urbanek** (215-443-7568) or myself. If you sell nine you get the tenth free. You can see the car on the club's web site.

I wish you and your family the best.

## CAVALCADE NEWS

It won't be long before the birds are singing, flowers are blooming and the hearts of Corvette owners are filled with love. The love of a great car show, that is. Although it is only April, it is not too early to start thinking about the Cavalcade. The club's 40<sup>th</sup> Cavalcade is set for June 19, 2010 at the Middle Bucks Institute of Technology. Your opportunity to sign up is included in the Gas Cap this month. We are also in need of volunteers to help with the set-up, tear down, parking, etc. If not for our great volunteers over the years this event would not be as successful as it has been. Therefore, please consider volunteering. Not only will you get a great deal of satisfaction from helping, you'll also get a sweet one of a kind limited edition T-Shirt. Sign up sheets will be distributed at the General Meeting. For those of you who can't wait that long to volunteer please send me a PM or an e-mail. Thank you to those who have already volunteered.

Jacques

Speaking of the Cavalcade, due to its overwhelming success last year, we are again having an Oriental Auction. Our goal is to raise \$1500.00 to be donated to our charitable organizations. So that we may be successful again this year we are seeking donations of goods (new or gently used) and services that can be packaged for the auction. Examples of items that we are looking for include wine, spirits, etc... which can be made into a basket of cheer, coffee, gift cards to Starbucks - you get the idea. Gift certificates to local restaurants, sports and automotive memorabilia/events, hand-made items and kids toys were all very desirable at last years auction. Let your imagination run wild! No reasonable donation will be declined. If you know of any business owners that may be interested in providing samples of their goods, gift certificates, or an introductory service please ask that they consider donating, we will advertise their products at the auction table. If you have any donations or questions please feel free to contact me. Thank you in advance for your support.

# Cruise with us to Niagara Falls Canada

17 CCDV couples have already signed up, don't let this one get past you.

If you've been thinking about going on a CCDV trip but have been waiting for the right one, your wait is over. On October 2nd we'll be driving to Niagara Falls Canada. It's a 7-hour drive plus stops. We'll drive up on Saturday and arrive at dinnertime. Sunday will be spent sightseeing the Falls and in the afternoon take an optional side trip to Old Fort Niagara. Monday we go on an optional Winery private bus tour (*see details below*), then we'll leave for home Tuesday morning. We'll stay at the EMBASSY SUITES [www.embassysuitesniagara.com](http://www.embassysuitesniagara.com) in Niagara Falls, Canada; it is a five star hotel and 100 yards from the brink of the falls. Every room will have a view of the falls. The rooms are spacious with 2 queen size beds, separate living room with a sofa bed a well-lit dining area, two color TVs, wet bar, mini bar, microwave, coffee maker and refrigerator. The price of the hotel includes a complimentary full breakfast each morning as well as a Manager's reception, which includes complimentary drinks and appetizers each evening. There is a \$10 charge for parking per day, it is normally \$20 but they gave use a discount. If you worry about your car's safety, don't. They have full time security and have offered to cordon off an area solely for our Corvettes. There is a fine restaurant in the hotel called 'The Keg Steakhouse & Bar'. I hear the food is terrific and it has a view of the falls.

Old Fort Niagara

## Sunday

Sunday we'll take a self guided tour of the falls, then in the afternoon an optional trip to Fort Niagara [www.oldfortniagara.org](http://www.oldfortniagara.org) which is on the banks of Lake Ontario, about a 20 minute drive north of the falls in New York. Built by the French in 1726 later controlled by the British then United States, the fort has a long and interesting history. It is well preserved and they offer tours all day long with people in period uniforms demonstrating firearms and what it was like living at the fort in the 1700s. This may not interest everyone so it is optional. If you prefer to stay at the falls, there is plenty to do there. There are casinos, gift shops, museums or you can find a café overlooking the falls, have a few drinks and take it all in.

## Monday

We'll take a optional private guided bus tour to visit a few wineries. This will allow us to sample as much wine as we like without worrying about driving. This region is known for their wine and for an unusual wine called 'Ice wine'. The tour will take about 5 hours and it includes a stop in the town called 'Niagara on the Lake' which has been described as the prettiest town in Canada and a stop at a chocolate factory.

['Niagara on the Lake'](#)

***You will need a passport to gain entry into Canada. An option is a U.S. Passport Card this will allow you to drive into Canada. It is cheaper than a Passport. [CLICK FOR INFO](#)***

Cost, be aware these prices are [Canadian dollars](#) which is almost 1to 1 but it does fluctuate.

**\$525 (CDN) plus 13% tax total for the room Sat, Sun & Mon**

**\$30 (CDN) parking fee**

**\$65 (CDN) plus tips per person for the winery bus tour**

**\$10 (US) per person admission to Old Fort Niagara**

Misc. There are tolls for the PA Turnpike, New York Thruway and a couple bridge tolls. We will be stopping for lunch and dinner while traveling at places such as Chili's, Fridays etc... Once at the falls we can either dine together or go off on your own, your choice.

You'll have plenty of places to choose from Wolfgang Pucks to McDonald's.

We would hope that you will drive your Corvette but we do not require it.

The rooms are spacious with a pullout sofa bed, maybe your adult children want to tag along, make it a family trip.

There are tours of the falls available. They range in price from \$15 to \$25, which you may sign up for while there. I find that simply standing next to the falls by the railing, which is free is just as spectacular.

### **\*How to book the Winery tour\***

If you plan to go on the Winery, Niagara on the Lake and chocolate factory tour mail Don Terranova a check or give Don a check \$78 per person at one of our many upcoming events or mail it to the address below. This price includes all taxes and tips. The cutoff date for this is also Sept 2nd. Make the check payable to me Don Terranova. Stop laughing, I know what your thinking and I'm not going run off with it all, probably, ha-ha. The lady that runs the tours for Embassy Suites, Caryn Peters informed me that they want one single payment beforehand and do not accept checks so hello Don's VISA. The price may actually go down a bit according to the number of folks that sign up, if it does I'll refund the difference. My mailing address is :

**Don Terranova  
165 Equestrian Drive  
New Hope, PA 18938**

**PS:** Embassy Suites offer one free room for every 25 rooms booked to the event organizer. I have talked to the group sales manager of the hotel and told them that we plan to have a drawing after all the rooms have been booked and pull a name out of hat containing all those that have booked a room and give that couple the free room. They are OK with that. Do you feel lucky? Go ahead and book today.

**To book a room call the Embassy Suites at 1-800-420-6980 tell them you are with the CCDV**

**and you want to book one of the 25 rooms they  
have blocked.**

*RSVP no later than Sept. 2nd.*

*Hope to see you in the caravan*

## **We're going to Becky's Drive-In Theatre**

June 12, 2010

Here's the plan, we'll meet in the Warminster Lowe's Parking lot at 4:30 and walk to TGI Fridays (next door) and have some dinner. We'll leave Fridays at around 5:30 and get to Becky's around 7 (gates open at 7 they do fill up fast). We'll park our cars at the Drive-In and walk (5 minute walk) to the Berlinsville Inn to visit with Mike and Gloria and have a few \$1 beers. The movie will start at dusk around 9pm.

If you would rather skip dinner, just meet us in the Lowe's parking lot at 5:30. If you'd rather simply meet us at the Drive-In that's Okay too. The directions are on their website found below, we'll see you there.

Becky's is located about 20 minutes north of Allentown, Pa.

We will not know what movie is playing until a week before, when I find out what is playing I will post it on the website [www.ccdv.com](http://www.ccdv.com) or you can check on their website (see below) .

For those of you that are joining us for the first time here is some info. They have 2 screens and show 2 first run feature films on each, we have never been disappointed with the selection. The movie starts at dusk around 9pm pm. They broadcast the sound on an FM signal instead of those tinny speakers, so bring a portable radio or you can use your car radio. Many people bring chairs and gather as a group in front of their cars. Bring a blanket, it gets pretty chilly, we usually end up back in the cars for the second feature.

Becky's has a snack bar which sell the normal stuff, hot dog, burgers, candy ice cream, sodas etc...

# **RAFFLE CAR TICKETS**

Hello everyone! Hope you're all enjoying the warmer weather again. To me, this weather means car shows, the shore and RAFFLE CAR TICKETS! Yes - it's that time again to get your tickets for our beautiful 2001 Dark Blue raffle car. I handed out over 1000 tickets at the March meeting, and hope to move a lot more at the next meeting on April 8th! I will be sitting at the front table, so don't be shy and come on up to get your stack to sell. Remember, when you sell 9, you get one free! If you won't be at the meeting and want me to mail you your bunch of tickets, simply email me at [Kidzdent@aol.com](mailto:Kidzdent@aol.com) with the number of tickets you want and your address and phone number. I'll get them out the next day. Thanks for helping to make this years raffle another CCDV success story.

## **"TOY RUN & CARNIVAL FOR THE KIDS"**

On Saturday, July 31st (new date) from noon to 3:00 PM, CCDV is organizing an afternoon picnic carnival at Christ Home, 800 North York Road (just north of Street Road) in Warminster. Christ Home was established in 1903 to serve and house disadvantaged, abused, neglected or abandoned children. Their primary goal is to reunite the children (who vary from very young to 15 years old) with their families or find permanent new homes for them. The Home also provides temporary shelter for runaways or homeless youth from ages 12 to 17.

The Club will be providing hot dogs, hamburgers, rolls, etc. and may possibly provide some additional games for the approximate 35 children who reside there.

We will be looking for our members to come out, enjoy having a picnic lunch and fun with the children, plus provide toys and gifts for them.

In the next month or 2, we will have the names and ages of the children which will help us decide what specific gifts we will need to bring. Meanwhile, please note this NEW date as we'd like a good showing of helpers and member's Corvettes for the children to see.

Thank you very much and once again, more information to follow.

*Joel Fellman*

## ***Fourth of July Parade in Oreland***

Oreland Fire Department puts on a great Independence day parade. It's exactly what you would expect to see in a Norman Rockwell painting. The streets are lined up with flag waving kids. There are marching bands, VFW, fire trucks etc... you name it, they parade it, everything you would expect to see in a old fashion parade.

Oreland's Fire Company Chief Dan Supplee also a CCDV member has invited the CCDV members to put their Corvettes in their parade we always have a very large turnout each year. Don't miss this event it's great.

*TIP: For those of you that have never taken part in the parade many folks bring some candy to throw out to the children along the parade route. Some people also fix flags onto their Vettes.*

WHEN: The details will be posted in the next GasCap

TIME: The details will be posted in the next GasCap

WHERE: At the ACME more details will be posted in the next GasCap

**NO SIGN-UP, JUST SHOW UP**

## ***Notification by Email***

Hello CCDV'rs many of you already receive emails from me advertising upcoming events and general club information. If you have not received any emails yet and have sent me your email address this may be because your PC recognizes my email as spam. Let me explain, many email providers such as AOL will tag a sender as spam when it sees a large number of email coming from one sender and send all emails from that sender directly to the junk/spam folder to be deleted. My CCDV distribution list contains over 400 addresses and would most definitely appear as spam. You must tell your PC that I'm not spam or you will never receive my email. To do this you have to add my email address [dpterranova@yahoo.com](mailto:dpterranova@yahoo.com) to your email program's address or contact list. This should correct the problem. If you're not sure you are on the distribution list feel free to email me at [dpterranova@yahoo.com](mailto:dpterranova@yahoo.com) and ask me to include you.

Thanks Don Terranova

You will be given special Ambassador access to the NCM's web site with your own ID & password.

The only other requirement is to be a true supporter of the NCM and desire to preserve their goals & ideals.

If you are interested, please let me know & I will contact our NCM representative with instructions to give you access.

It is a very worthwhile position and is necessary to keep CCDV (who is a Lifetime Business Member) informed and in the forefront of Corvette clubs throughout the world.

## **2010 CECF RAFFEL CAR**

We have purchased a raffle car for 2010! It is a gorgeous 2001 Dark Metallic Blue convertible with only 17,000 miles on the clock. It's a 6-speed in great condition with a black interior and white rag top. It will show extremely well at car shows this coming season. Ticket distribution will begin in early March, so start thinking about how many tickets you will be able to sell.

## Ed and Lesley Sterba

We were first introduced to the CCDV by Ed Bonk. He spent quite some time in an initial phone call telling us all about the club, it's long history, many great members, the fun events and the many organizations that benefit from the clubs donations. We look forward to our first summer in the club and thank you for allowing us to be members. We do not own a corvette, but we are in the market for one. We are looking for a 1967 convertible with a 327 engine. Our preferences would be-- red, side exhausts, matching engine/trans., nice condition ( a driver not a show car ). We also like maroon, green, silver and black. We hope that with over five hundred members in the club, someone will connect us to the vette we are looking for. The search should be fun.

## Ken and Louise Woods of Horsham:

The best things in life are worth waiting for. The prospect of owning a Corvette was something that I only dreamed about, especially while raising four children. For twenty years, my wife and kids would tease me about my obsession with this car by giving me Corvette books and calendars as birthday and Christmas gifts and sarcastically telling me that someday I would get a real one.

In January 2010, "someday" arrived and I ordered my brand new Grand Sport convertible in crystal red from Bryner Chevrolet. As if I haven't waited long enough, this winter's record-breaking snow storms kept me from picking up my new purchase for nearly a month. Settling for weekly visits to the dealer, I waited anxiously to drive my Vette. For two months now, my wife and I have been enjoying the Corvette and we look forward to participating in many trips and activities with the CCDV.

## This month, instead of a Breakfast, we have scheduled a CCDV Lunch .

Nestled in a shopping center at County Line Road and Rte. 202 lies **Cheeburger Cheeburger** , a wonderful place right out of the 50s!! (A **Big Thank You to Ken & Debbie Stacy**, who discovered this gem!) They have formica tables, red vinyl seats and 50s décor & music playing. And best of all, they have 50s FOOD. Yesssss....burgers and fries and onion rings and shakes & malts, just like in the 50s. Say you need a 20 ounce burger....you can get it there! *And if you finish it, you get your picture taken and mounted on the wall of fame. The record is 3....countem' three 20 ounce burgers!!!*

There are 36 toppings you can get on your burger. They do have turkey burgers. And they also have a variety of wraps (chicken breast, veggie burger, etc.) and non-burger items . AND...save room for dessert...they have 75 flavors of delicious shakes or malts. You can mix & match flavors, but if you combine more than 3 flavors, it's tough to distinguish the separate flavors. And also, you get to see Humphrey Bogart – or at least a full size cutout of “Bogie” telling you: “Don't even think about seating yourself”.

The entrance to the shopping center is next to the McDonalds---on the north side of County Line Road, just east of Rte. 202.

**Cheeburger Cheeburger**  
**4275 County Line Road, Chalfont, PA**  
**215-997-6235**

If you are interested in joining the fun, just give me a call (by June 4<sup>th</sup>) on my cell phone 215-208-6620,  
OR post a reply on the CCDV website.

Save the Wave,

*John*

## **Cruise Night 2010**

Hi folks the 2010 CCDV Cruise night is upon us and we've bumped it up a notch. The club purchased a new PA system and generator, which will allow us to provide music and make announcements each month. We have also doubled the number of trophies awarded each month from three to six. And lastly we will be able to give out door prizes thanks to Bob Rosenberg and Glenn Murphy tenacious effort writing letters to car care companies requesting donations. The merchandise is beginning to arrive and is already filling up my garage. Thank You Bob & Glenn
