PRESIDENT'S MESSAGE

by Ed Bonk

As I write this message guess what it's doing outside. Yes, it's snowing and I'm about to lose it mentally. But let's think on a positive note as it is now March and we are getting closer. Yes, just around the corner and only a month away is the start of our outdoor activities, which begins with the April cruise night. I for one can not wait and I'm quite sure there are a lot of other members who feel the same way.

In **February** the club had only one activity and that was the brunch at the **William Penn Inn**. There were **17** members in attendance and with the open buffet you can imagine how everyone had more than their share of food to eat. Congratulations to **John Benischeck** for a job well done in organizing the event. And if it wasn't bad enough this month with our recorded breaking snow storms, the club's General Membership meeting was canceled for the first time in **51** years. I received a call on Thursday morning from an officer of the **VE** club telling me that they haven't plowed the driveway and parking lot but it should be cleared by the time of the meeting. Then I get a second call about an hour later saying that the building is experiencing a power failure and they are closing the building for the day. Now you know why I'm about to lose it mentally, it just doesn't stop week after week. Actually, last week end I thought I saw the light at the end of the tunnel and the month would end on a happy note. Well today I now realize that the light at the end of the tunnel was the train coming at me.

In **March** the monthly roving breakfast will be at the **Warminster West Diner**. Also **Kenny Shaw** will be at the GM meeting to give an update on his '**Strickly Corvette**' show in April. He is the person that created the '**StrictlyCorvette**' show at the Atlantic City convention center which is held in April. Last year he had approximately **225** Corvettes in the show and our club won

Gas Cap, Website & Club Related Issues

If you have issues with the website such as: lost password, username, sign-on or receiving the Gas Cap, please e-mail Bill Burkholder at wburkholder4@comcast.net. Please include your screen name, real name, and e-mail address.

Do not e-mail "WebGuy" as he only handles the technical aspects of the website. You can also e-mail any questions that you have regarding CCDV to Bill.

He will re-direct the e-mail to the proper chairperson who will be able to assist in resolving issues promptly.

'**Best Club**' participation award. This year he has doubled the floor space at 300,000 sq ft and double the number of Corvettes. Our club gets a **25%** discount at the gate and he gave me a PROMO code for our club to use in order to get the discount. I will give out the PROMO code at the GM meeting and will be in the '**Member Only**' section on our web site. .

I have a lot of new members ask me what we do at the Board meetings each month. So I thought I would write an article that gives an over view of what transpires (See Pages 7 and 8).

I wish you and your families the best

CAVALCADE NEWS

It won't be long before the birds are singing, flowers are blooming and the hearts of Corvette owners are filled with love. The love of a great car show, that is. Although it is only March, it is not too late to start thinking about the Cavalcade. The club's 40th Cavalcade is set for June 19, 2010 at the Middle Bucks Institute of Technology. Your opportunity to sign up is included in the Gas Cap this month. We are also in need of volunteers to help with the set-up, tear down, parking, etc. But for our great volunteers over the years this event would not be as successful as it has been. Therefore, please consider volunteering. Not only will you get a great deal of satisfaction from helping, you'll also get a sweet one of a kind limited edition T-Shirt. Sign up sheets will be distributed at the General Meeting. For those of you who can't wait that long to volunteer please send me a PM or an e-mail.

Jacques

Speaking of the Cavalcade, due to its overwhelming success last year, we are again having an Oriental Auction. Our goal is to raise \$1500.00 to be donated to our charitable organizations. So that we may be successful again this year we are seeking donations of goods (new or gently used) and services that can be packaged for the auction. Examples of items that we are looking for include wine, spirits, etc... which can made into a basket of cheer, coffee, gift cards to Starbucks - you get the idea. Gift certificates to local restaurants, sports and automotive memorabilia/events, hand-made items and kids toys were all very desirable at last years auction. Let your imagination run wild! No reasonable donation will be declined. If you know of any business owners that may be interested in providing samples of their goods, gift certificates, or an introductory service please ask that they consider donating, we will advertise their products at the auction table. If you have any donations or questions please feel free to contact me. Thank you in advance for your support.

CCDV BOARD MEETING

By Ed Bonk

I've been asked on numerous occasions what goes on at a CCDV Board Meeting each month. So I thought I would write this article to give you some insight as to what transpires. Unlike the General Membership meeting which has the grandeur atmosphere of members meeting each month to have fun, get to hear club updates, listening to guest speakers, enjoy the free food, have a few drinks and stay after the meeting to talk about whatever comes to mind, the Board meeting is not quite the same. Now don't get to thinking that we are Gladiators who meet on the 3rd Thursday of the month to do battle over club business and issues in an uncivilized way and don't even smile at each other. No, it's not quite that way but we do have a very serious agenda and our goal is to always look out for the best interest of the club and its members.

We meet on the 3rd Thursday of the month at Jeff Hey's house in Jamison, Pa. Actually, the meeting is conducted in a section of his five car garage. In attendance beside myself is the Chairperson, my four Officers, eight Board Members and four Chairpersons (Activity, Membership, Technical and Gas Cap Editor) who are picked by the President and have voting rights. A total of eighteen club representatives who are committed to keeping CCDV a premier club and upholding its history and ethics. Some members of the Board are also on the C.E.C.F. Board. We have Pizza delivered due to some of the board members coming right from work and this is their supper. Just so you know the cost with the soda added in is about \$2.50 a person. Trust me, we don't go overboard with our dinner.

I start the meeting at 8:00 pm and an agenda is strictly followed. This is necessary due to the number of items that need to be discussed as well as the number of attendees. The meeting ends at 10:00 pm and once in a while it might go an extra 5 or 10 minutes. Surprisingly, this month the meeting ended early.

Here is a copy of February's Agenda's in small font and no spacing

CORVETTE CLUB OF DELAWARE VALLEY AGENDA November 17, 2005

<u>TOPIC</u>	<u>MINUTES</u>
• Opening - Ed Bonk	5
• Minutes - Bruce Waldron	5
• Treasurers Report - Brian Canty	5
• Public Relations - Rose Ferrante	10
• Gas Cap/Web Site - Russ Parker & Bill Burkholder	5
- Web Site links	
- Web Site Board Members Update	
• Membership - Allan Kramer	10
• CECF - Bob Weiss & Jeff Hey	10
• Old Business - Group	20
- Old Business from last month minutes	
- Multiple Sponsors Project	
- Discount Supplier's Project	
- Fellow Help Me List	
- Jack Householder, Patti Nolan	

- Toys for Tots in July
- Club Store Inventory (Frank Mozgai)
- **New Business** - Group 10
 - Tax Return (Liberty Tax Service)
- **Activities** – Don Terranova 40
 - Cavalcade

I open up by discussing non-agenda items such as a pat on the back to someone, things that I'm concerned about, general questions to the group, or specific issues. Bruce Waldron, Recording Secretary, sits to my left with his laptop begins to record the minutes. When I'm done we go down the agenda starting with Bruce. For the minutes, treasurers report and new members report I always ask for a motion to 'Approve', than a person seconds it and than I ask if everyone is 'In favor', 'Not in favor' or who 'Abstains' with the raising of hands. On key decisions or allocating of money I will also go through this process to get everyone's concurrence. When Allan reads the new member applications (varies between 1 to 8 per meeting) it includes their name, where they live, their profession and type of car. The new members must be voted on. Bill sometimes will discuss issues with Web site such as Spam or non welcomed intruders. Bob or Jeff gives an update on C.E.C.F. concerning the raffle car or money to donate. During the November meeting we will discuss what organizations will receive donations from the club. The group discusses 'Old' and 'New' business items as listed in the agenda. Lastly, we discuss our activities. Don is allocated more time to report than others because he has so many activities to discuss. The Cavalcade is discussed by the Chairperson (Jacques). These Cavalcade discussions start in August for the June show. The February meeting adjourned at 9:19 pm which was one of our shortest meeting ever.

I hope this article gives you an appreciation of the Board Meeting and how club manners are handled. The By Laws are written that two club members are allowed to attend a Board meeting each month. If you are interested in attending let me know.

Highlights from the February 18, 2010 CCDV Board Meeting

- ✓ Most members that returned membership renewals did not respond to the question of receiving the Gas Cap electronically vs. US Mail. Therefore, we will continue to use US Mail for those members.
- ✓ A motion was approved to accept two (2) new membership application(s): Marc Bruckner and Sean Ferrall. Total membership stands at 560 members.
- ✓ **CECF** has the permit numbers to conduct this year's raffle and raffle tickets will be available at the March meeting.
- ✓ Everything is in motion to hold the Cavalcade on June 19th. Next month the Show Chairman will begin soliciting the membership for volunteers to help in the various committees.
- ✓ After fifty-one years in existence, the club cancelled its first ever membership meeting in January due to snow and no electricity at the VE Club.
- ✓ A motion was approved to reimburse Don Terranova \$106.99 for the purchase of a club generator to be used primarily at Cruise Nights.
- ✓ A motion was approved for the production and mailing of a 2011 club calendar at the cost of approximately \$3,700 of which the Vette Shop will pay for in full in exchange for advertising in the calendar. Any new members presented by the Vette Shop will get a reduced sign up fee of \$30.
