PRESIDENT'S MESSAGE

by Ed Bonk

Although it's the fall season and no more summer doesn't mean CCDV stops having fun. There are a few Corvette activities remaining on the calendar as our club never stops.

September had some great activities that included our monthly **Cruise Night** and **General Membership** meeting which **Steve Nikazy (KYW)** made our night as the guest speaker. The night at **Becky's Drive In** located in Walnutport, Pa. had a nice number of members watching outdoor movies on a beautiful night. Good job **Don Terranova** and your pictures on our web site were pretty cool. The '**Lunch at the Chesapeake Inn**' caravan to Chesapeake City, Maryland was a success with approximately **35** people on the trip to Maryland and eating some of the finest seafood on the east coast. Great job to **Frank and Joanne Schmidt** in planning this event. The **Give & Grille Cruise-In** at the **Whole Foods Market** in Jenkintown, Pa. went very well which included a mini car show and the employees from Whole Foods grilling all afternoon. The food was donated by Whole Foods with all the proceeds going to our supported charities. Great job to **Jacques and Marlene Etkowitz** for following through with this and making it successful. The **Ocean City, N.J. Boardwalk Corvette** show, which is a non CCDV event, but very much supported by our members was a lot of fun until the rain came at the end of the show. We had a few members winning trophies so I will write a separate article listing their names and events of the day (**See Page 5**). Also this month the **National Corvette Museum** returned our banner that was hanging for a year. Everyone got to see it at the GM meeting.

For **October**, Cruise night will be the last until next April and the club will be giving out free hot dogs in appreciation of everyone's support. Our traditional **26th Annual Hot Dog run (See Page 7)**

is predicted to have a big turnout. Beside the Cavalcade and Holiday party this is one of our biggest events. One year there were **84** Corvettes that caravan through beautiful Pennsylvania and had more people waving to us than you can imagine as we drove through towns and the countryside. A must activity for those who want to give their cars a good run before winter. The **Niagara Falls Canada** trip has **24** couples signed up including my oldest son **Eddie** and his wife **Danielle**. It's ok to rip into me throughout the trip as he's use to it. He won't mention no names. The raffle car winning ticket will be drawn at the **October** General Membership meeting. As you probably noticed, your **October** Gas Cap was delivered a week later than normal due to the end of **September** cutoff for the Board nominations. The names of the nominees need to be published and reviewed by the club's members (**See Page 12**) prior to the election in **November**. Your vote is very important so if at all possible please come to the **November** meeting and cast your vote.

In looking ahead to **November's** General Membership meeting, which is **Veterans day**, I would like to pay tribute to our past or current members who are veterans. Also if you have anyone in your family who has returned from Iraq, Afghanistan or just in the service ask them to attend our meeting as my guest of honor.

In closing, I want to say '**Thank You**' to everyone who participated, volunteered or played a significant role with all our summer activities.

I wish you and your family the best.

CORVETTE'S AT THE BEACH BOARDWALK SHOW

This show is not sponsored by CCDV but is very much supported by our club. It's held in Ocean City, N.J. and hosted by the '**Boardwalk Corvettes of Atlantic City**' Corvette Club. It was not quite a picture perfect day but the temperature was in the seventies, the camaraderie was terrific and the Atlantic Ocean was facing east off the boardwalk. It can't get much better. Since we drive so far and have a large number of cars registered we have been getting VIP treatment entering the airport corvette staging area without waiting on the streets to enter. They also appreciate us doing this in support of their charitable organizations. There were **450** beautiful Corvettes (A Record) on the Boardwalk that stretched **2** miles with the cars parked two abreast. CCDV won the '**Best Club Participation**' award for the **5th** consecutive year with **54** cars in the show. The award is a **\$100** Swizzle stick and I was very proud and jubilant to walk up to the podium and accept the award. I want to thank everyone who gave up their Sunday to enter this show and make this award possible. I will give the award to one of the **54** members at the **October** General Membership meeting by drawing a name out of a container. I'm missing a couple of names from my list so I will print below what I have and if your name is missing give me a call so I can add it. The highest number we ever had in this show was **60** cars two years ago.

Their theme this year was '**Movies**' and we had **5** members win individual awards with **Dave Bressler** winning **2**.

Don Rhoads - Ocean Eleven (Ocean Color Car)

Ang & Barb Grippo - 1st to register from Philadelphia

Ron Rahmer - Vette Pet (Had Pet stuff all over the car)

Patty Langford - The Color of Money (Green Car)

Dave Bressler - (1) Full Metal Jacket (Had the most metal)

(2) Seven girls from a local Township soccer team picked Dave as their favorite car on the Boardwalk. (Gracie movie about soccer girls)

A special Thanks goes to **Bob Weiss & Joe Remick** for their tireless effort in selling the Raffle car tickets as well as anyone else that helped.

SEPTEMBER'S CRUISE NIGHT

Our monthly Cruise nights have become the place to be for local gear-heads. Every month I see less empty spots, we have been seeing 150 to 200 cars show up. September's Cruise Night was especially well attended, the weather was perfect, 77 degrees, and no major shows in the area. September we also gave away 340 free hot dogs. This is the 4th year for the cruise night hot dog give away. Usually we would have the give away on the last cruise night of the season which is October, however, the last 2 years the weather did not cooperate and the turnout was less than we hoped so decided to move it up a month. This turned out to be a good decision, we began handing them out at 4:45pm and by 6:30 they were gone. The idea behind the hot dog give away is simply our way of saying thanks to all those who come out once a month and make our cruise nights what they are. The hot dogs and condiments are purchased with a small portion of the money realized from all the pretzels, water, soda, iced tea and raffle tickets sold at previous cruise nights. The remaining money will be added to the club's charity fund.

I would like to Thank all those from the Activity Committee that turned out to help make the night a success. Also a big thank you to Chef Frank Schmidt.

Regards Don Terranova

Longwood Gardens

Just a short heads up. On January 8, 2011 we will be putting together a CCDV trip to Longwood Gardens in Kennett Square, PA. We will also be stopping along the way for dinner. Stay tuned for details.

Pennsylvania Bill Would Increase Fees for Street Rods, Antiques, Classics & Collectible Vehicles

Legislation (H.B. 8A) introduced in the Pennsylvania legislature threatens to increase fees for all vehicle owners. Under the bill, general passenger cars will face a \$13 increase in their registration fee, while the one-time registration fee for antique, classic and collectible vehicles will go up by \$27 (from \$75 to \$102) and the initial registration fee for street rods by \$29 (from \$20 to \$51). Additionally, each of these fees would be increased every year. Under Pennsylvania law, an *antique motor vehicle* is a motor vehicle manufactured more than 25 years prior to the current year; a *classic motor vehicle* is a motor vehicle manufactured at least 15 years prior to the current year; a *collectible motor vehicle* is a reconstructed or modified motor vehicle substantially modified from the manufacturer's original specifications and appearance and maintained in a collectible condition, and a *street rod* is a motor vehicle, or a reproduction thereof, with a model year of 1948 or older which has been materially altered or modified by the removal, addition or substitution of essential parts and with a gross weight or registered gross weight of not more than 9,000 pounds.

Collector Edition Brass Cavalcade Plaques

Collector Edition Brass Cavalcade Plaques

We've located a few limited edition brass plaques from some past Cavalcades. These expensive round plaques which measure 3" have become collectible items. The Board recently approved selling these few remaining plaques at \$10.00 each – first come first served. The plaques all have the colorful CCDV logo, indicate which Cavalcade they represent and show the dates the particular Cavalcade was held. The specific Cavalcades and years are shown below:

29th Cavalcade - 1999
30th Cavalcade - 2000
31st Cavalcade - 2001
33rd Cavalcade - 2003
35th Cavalcade - 2005

Perhaps one of these plaques represents the year of your Corvette, the year you joined CCDV or you'd just like to have one (or more) for your collection. The plaques are being sold for a limited time. There's only a few available. If you have any questions or would like to purchase one or more, please contact me.

Thank you,

Thanks to Ken & Debbie Stacy for the tip on this Diner!!!

After Breakfast , you have two great choices available:

Be sure to turn onto Main Street or you'll go over the bridge into Lambertville, N.J. – which is also a great place to walk around.

2. Drive South on York Road about 3 miles to the village of "Lahaska" on York Road, and stroll through all of the neat shops.

I look forward to seeing you all. Save the wave

NEW MEMBER – JOE CLARK

Hello CCDV members, this is my first corvette!

I recently purchased my 70 corvette back in June 2010. I have wanted a C3 chrome bumper corvette for many years, but it never seemed like the right time to purchase one. I decided that back in back in October 2009 that I would take the plunge in the spring.

I wanted something that I could work on and drive at the same time. I spent about six months looking on corvette sites, craigslist, eBay, etc., as well as reading several corvette books. I spotted this corvette on East Coast Corvettes website and went to look at the vehicle. The car was exactly what I was looking for and also fit into my financial situation.

The vette is a 1970 convertible, 4 speed, maroon exterior and light tan interior and top. It is not the original exterior color and has a zzz350 motor. The zzz350 was rebuilt approx. 10,000 miles ago and is rated at 345 hp.

I am married and have two kids; Emily and Amanda. My girls are eight and six and between them and my wife Josephine, they keep me fairly busy. When I am not working or spending time with them, I enjoy restoring jukeboxes and pinball machines and now working on the vette.

Thank you for welcoming me to the Corvette Club of Delaware Valley. I look forward to meeting you.
Regards, Joe Clark

NEW MEMBER - JOHN FENN

The first Corvette I have owned is a 1979 which I acquired 3 years ago. The Corvette had been previously purchased by one of the officers in my company with the intent to have it fixed up for his use. I saw the car when he brought it into the shop adjacent to our office, and it appeared to be weathered and worn, but not abused. After installing a 350 crate engine, a rebuilt transmission, new tires, suspension parts, many new interior parts, and having the car repainted, he developed a bad back which made it difficult for him to even get into the car. I purchased the car and have since installed new brake hoses and lines, an original carburetor, and interior parts, among other things. I enjoy working on the car, and it is a great driver. I also own a very original 1967 Camaro RS convertible, with low mileage, which I also enjoy working on. Previously, I have owned and restored a 1954 Chevrolet convertible and a 1958 Oldsmobile. (I sold the 1954 to a Philadelphia police officer, and the 1958 to a group of Norwegian guys who were touring the U.S. looking for exceptional 1958 Oldsmobiles and Cadillacs to ship back to Norway; kind of unusual considering the cost of gas over there.)

Cruise Night 2010

Hi folks the 2010 CCDV Cruise night is upon us and we've bumped it up a notch. The club purchased a new PA system and generator, which will allow us to provide music and make announcements each month. We have also doubled the number of trophies awarded each month from three to six. And lastly we will be able to give out door prizes thanks to Bob Rosenberg and Glenn Murphy tenacious effort writing letters to car care companies requesting donations. The merchandise is beginning to arrive and is already filling up my garage. Thank You Bob & Glenn
