PRESIDENT'S MESSAGE

by Ed Bonk

Finally, spring is here and the month of April is CCDV's official month that starts our warm weather outdoor activities. Our patience throughout the winter will pay off as our club has a full plate of activities planned that will keep everyone happy and occupied throughout the summer. With **Don Terranova** continuing to do a great job as Activities Chairperson we all know there will be a lot of fun events throughout the summer.

During **March**, the monthly roving breakfast was at **Maggio's Restaurant** and had an over whelming turnout. There was **38** people in attendance and it's good to see this many people show up. Our CCDV racing team is starting to get ready for the season and race against the best in the area. The team is always looking to add new members so if your interested contact any member of the team and they will be happy to talk to you. Good luck this year to everyone on the team. Our General Membership meeting had **Dave Petersen** give us some good updates concerning General Motors.

For **April**, our first '**Cruise Night**' of the year will kick off at the Lowes store in Warrington. In the past our cruise nights have always been very successful and I'm quite sure this will continue. There will be the Murder Mystery Dinner and Show at the **Cock 'n Bull Restaurant** in Peddlers Village. I'm planning to have Steve Spencer from Bryner Chevrolet talk to us at the GM meeting concerning what is current and planned for the future with the corvette. The **Strickly Corvettes** and **American Muscle** car show in at Atlantic City Convention center is this month and should be quite a show. For those going to the show our members will get a **25%** discount on their tickets. I will put the Promo code to get your discount in our **Members Only** section on our web site when I get it from Kenny Shaw.

We are currently converting our website to a new ISP and you might experience some problems while we its getting completed. I appreciate your patience doing this conversion.

Our annual June **Cavalcade of Corvette** show is shaping up just fine and I would like to see our members support this show by putting your car on display as well as volunteering to work the show.

And finally, ticket sales for the raffle car will soon be under way and should you want to buy or sell tickets contact **Dave Bresler** (215 350-9527), **Dave Urbanek** (215-443-7568) or myself. If you sell nine you get the tenth free. You can see the car on the club's web site.

Raffle Car Tickets

"Hi everyone! I hope you had a nice Winter. Spring is finally here and that can only mean 3 things: Clean your garage, clean your Corvette, and get ready to sell raffle tickets. Yes, it's that time of the year when we start to distribute our 2010 Raffle Car tickets to our members. We will again be selling 2500 tickets on our beautiful 2003 Electron Blue head-turner. I will have tickets at the front table at the next CCDV meeting on April 14th. You could call me ahead of time if you will be picking a bundle of 20, 50, 100, 150, 200, 300 or more to sell this season. I will have them all ready for you. My cell is (215) 350-9527. Hope to have yet another successful year, raising lots of money for our charities. See you all soon, Dave Bresler"

***** JOIN THE PARADE *****

All CCDV members have been invited to participate in the Willow Grove "TRI-CENTENNIAL" Loyalty Day Parade! The celebration is scheduled for Sunday, May 1, 2011.

The parade will commence at 2PM sharp from the Regency Square parking lot at Easton & Fitzwatertown Roads and will continue down Easton Road to the Willow Grove Park Mall. Please arrange to meet at Regency Square at 12:30 PM so we can all gather and travel together.

After the parade, Roger at the Willow Grove VFW on Moreland Road will be hosting an open house with music & hot dogs until 5:00 PM (or feel free to head home).

We initially signed up to provide 20 CCDV Corvettes but it would be great to bring 50+. The more, the merrier! TV channel 6 is scheduled to cover the event and it's still unofficial, but VP Joe Biden is scheduled to be the parade grand marshal.

If you are interested in participating, please call us no after than Friday, April 22nd and let us know your name, phone number plus the year and color of your Corvette.

We thank you very much and look forward to a really fun event!

Please don't delay. Call us now: Joel or Sue Fellman at (215) 969-0392

(MORE) "BLASTS FROM THE PAST" (PART II)

Once again, for all you CCDV history buffs out there, here's another segment of what was going on 10+ years ago. Don't say I didn't warn you.

1/90 – A mini-questionnaire is included in the Gas Cap to get members responses to things they like/dislike about CCDV plus suggestions for activities, events, speakers, etc.

2/90 – After a Rep from Meguiar's Mirror Glaze speaks at the General Membership meeting, the Gas Cap includes tips on getting professional car wash results. Nancy Simmons designs the red, white & blue – 20th Annual Cavalcade T-shirt and 29 acres across from the Corvette Assembly Plant in Bowling Green, KY are donated for the site of the National Corvette Museum.

3/90 – Another Bowling Party is held at Pike Lanes arranged by the Fellman's.

4/90 – Tim Simmons plus Sue & Joel Fellman meet with the Peterson's to revitalize CCDV's connection with Bryner Chevrolet.

5/90 – The General Membership meeting is held at Bryner Chevrolet where we are given a demonstration of the GM Diagnostic – Computer Auto Maintenance Systems (CAMS). No official Gas Cap is published – instead, just a letter was issued to inform members of upcoming events and to emphasize involvement and participation in the 20th Annual Cavalcade. Cavalcade T-shirts go on sale for \$7. (\$6. to Club members). Ray Compton, elder CCDV member, passes away at the tender age of "93"

6/90 – The 20th Annual Cavalcade is held at the Naval Air Development Center in Warminster. The main feature is Tim Delp's 1965 white coup which was recently recovered after being stolen from him in 1973! CCDV purchases its first Club storage trailer and ground breaking takes place for the NCM.

7/90 – With Club membership on the rise, the General Membership meeting is a packed house. Members attend the Feasterville July 4th Parade. New Club jackets arrive and a great group photo from the Cavalcade is offered to members at cost.

8/90 – In the Gas Cap, Ed McGinty writes about his trip to Bloomington in his '65 ragtop with his son, Pat and Bruce Waldron writes about his trip with Diane to Williamsburg, VA for the NCRS National Convention also in their '65 ragtop.

9/90 – The events: "Corvettes For Kids" in Bally, PA and CCDV Vettes at the Montgomery Commons Shopping Center were both well attended. We also take the Best Club Participation trophy at the Tri-State Corvette Assn. show at Lafferty Chev. in Warminster. Randy Riggs, Vette Magazine's Editor-in-Chief, becomes connected with CCDV and is invited to attend the Hot Dog Run. CCDV continues to join WOGL-FM in their summer "Flashback to the 50's" publicity campaign.

10/90 – Jeff Hey is praised for his new member recruitment efforts. The Hot Dog Run includes 20 CCDV Corvettes (plus 4 non-Vettes) and stops at Hot Dog Johnny's in Buttsville, NJ. (How they came up with the name of that town, I really don't want to know!) A decision is made to relocate our General Membership meetings from Giuseppi's Pizza in Richboro to Cucci's Restaurant on York Road (Rt. 263) between County Line & Street Roads in Warminster. And after 2 years, I relinquish the CCDV Presidency to Barry Jandla and become Chairman of the Board.

11/90 – The Cavalcade Awards Banquet is held on board the Spirit of Philadelphia & 25 CCDV Vettes take part in the Hatboro Parade.

OK. Are you tired of this yet? Can you take more next month? We'll see.

Second Annual Collector Car Appreciation Day on July 8

America Gathers to Recognize Cultural Heritage of the Automobile

The SEMA Action Network (SAN) is proud to announce July 8, 2011, as Collector Car Appreciation Day. This will be the second celebration in what will become an annual event to raise awareness of the vital role automotive restoration and collection plays in American society. The SAN is now working to secure a Congressional resolution to recognize the day's significance.

"Last year, the U.S. Senate helped launch the first national Collector Car Appreciation Day by passing Senate Resolution 513 at our request," said SEMA Vice President of Government Affairs, Steve McDonald. "As a result, thousands of Americans gathered at car cruises, parades and other events to celebrate our nation's automotive heritage. As we move forward, the SAN's commitment to preserving and promoting the automotive hobby through its legislative advocacy, projects and programs is evident in this special day."

As American automotive enthusiasts, we have a unique understanding of the importance of our cars. We know the significance of the automobile to our nation's economic and social fabric. Countless jobs, technological advancements and revenue rely on the industry and its enthusiasts.

Moreover, our hobby is the embodiment of American freedom. Not only are we able to travel freely, but we can express ourselves through the modification of our cars. Automobiles have become an art form. Some enthusiasts prefer to use their vehicles as a rolling canvas to the world. Others choose to express their competitive nature through motorsports. Cars also have a unique way of bringing people together. "Time in the garage, at the racetrack or at the local cruise-in has united families and created lifelong friendships between like-minded people," said Mike Dingell, director of the SEMA Action Network. "Restored vehicles also provide a window to the past and promote our hobby by educating future enthusiasts. Racetracks, car shows, swap meets and the like have provided us all with memories and experiences we will never forget. This day showcases our unique car culture not only to fellow Americans, but to the world."

The SAN encourages enthusiasts all over the nation to commemorate Friday, July 8 as Collector Car Appreciation Day. To help enthusiasts celebrate, SAN is compiling a list of events happening around the country on July 8, 2011. If you are attending, promoting or know of any car shows, cruises, etc. that are scheduled for Friday, July 8 or that weekend, please forward the information to Mike Dingell at miked@sema.org. It doesn't matter how big or small the event is, we want to know about it! To view an updated list of commemorative events, please visit www.semasan.com/collectorcarappreciationday

Chip Miller Charitable Foundation to Host World Premiere of "The Quest" Documentary Film to Showcase International Automotive Flavor and Celebrate the Life of Chip Miller. World Premiere Friday, May 6th at 7:30 p.m. at the Carlisle Theatre in Carlisle, PA. Tickets are available at www.QuestDocumentary.com.

This is a special year and a special time for Carlisle Events. No matter what show you attend or what E-News you subscribe to, you're a part of our family and it's that bond we share with you that has you receiving this very special E-News.

Lance Miller writes:

"We're very excited about the upcoming premiere of the feature length documentary film called "The Quest." This movie will debut on May 6, 2011 at the Carlisle Theatre in Carlisle, Pennsylvania. A dear friend, Michael Brown, took more than a year of time and energy out of his life to focus on "The Quest." Once complete, Michael informed the Chip Miller Charitable Foundation that he would donate all proceeds from the world premiere to the Foundation. Our board members were floored by his generosity and we jumped right into making the arrangements.

We are thrilled to announce that this one-time special viewing will be held in Carlisle at the theatre located just over one mile from where my father and his best friend Bill Miller Jr. started their collector car events business. Located in downtown Carlisle, the Carlisle Theatre is an elegant theater with plenty of character making it the perfect place to premiere this superbly captured story about my father's dream. I'd personally like to take this opportunity to invite you to the premiere and encourage you to visit the website that shares the price, trailer and more regarding our event."

Bill Miller Jr. adds:

"When you watch the trailer for this film, you feel the passion Chip had for all cars, and especially this one. This was Chip's way of life for everything he did. His family, his business and his hobby all benefited from his enthusiasm. I met Chip in 1969, and until his death in 2004, we were business partners, best friends, and shared a hobby that brought us friends from all over the world."

Please consider sharing this small part of Chip's life with the entire Carlisle Events family and everyone else in attendance by joining us at the "Quest Premiere" and reception May 6, 2011.

We'd love to personally shake your hand and thank you during the premiere.

Thank you for your time and support!

Cavalcade Update

It won't be long before the birds are singing, flowers are blooming and the hearts of Corvette owners are filled with love. The love of a great car show, that is. Although it is only March, it is not too early to start thinking about the Cavalcade. The club's 41st Cavalcade is set for June 25, 2011 at the Middle Bucks Institute of Technology. Your opportunity to sign up is included in the Gas Cap this month. We are also in need of volunteers to help with the set-up, tear down, parking, etc. If not for our great volunteers over the years this event would not be as successful as it has been. Therefore, please consider volunteering. Not only will you get a great deal of satisfaction from helping, you'll also get a one of a kind limited edition T-Shirt. Sign up sheets will be distributed at the General Meeting. For those of you who can't wait that long to volunteer please send me a PM or an e-mail. Thank you to those who have already volunteered.

Oriental Auction

Speaking of the Cavalcade, due to its overwhelming success for the past two years, we are again having an Oriental Auction. Once again, our goal is to raise \$1,500.00 to be donated to our charitable organizations. We would really appreciate your support of the auction by providing donations. Examples of items that we are looking for include wine, spirits, etc... which can be made into a basket of cheer, coffee, gift cards to local stores/restaurants. Sports and automotive memorabilia/tickets, hand-made items and kids toys were all very desirable at past auctions. No reasonable donation will be declined. It is usually successful to ask for a donation where you are a regular customer. Additionally, if you are or know of any business owners that may be interested in providing samples of their goods, gift certificates, or an introductory service please ask that they consider donating, we will advertise their products at the auction table. If you have any donations or wish to assist with the auction this year please feel free to contact me. Thank you in advance for your support.
