PRESIDENT'S MESSAGE by Ed Bonk

Well it's **February** and it won't be long before our outdoor activities start up. I can hardly wait until the tops are off or down, walking around the car shows in a t-shirt, caravanning together on the open roads or just sitting and drinking a cold one looking at our Corvette(s). Yes, it won't be long.

The month of **January** was slow but there was the Sunday breakfast at the **Lancers Restaurant** in Horsham and everyone who attended had a great time. The turnout was large with approximately **30** people in attendance and the food was excellent. Congratulations to **John Benischeck** for a job well done in organizing the event. Our January General Membership meeting had everyone in a good mood despite the cold weather and this is due to the excellent camaraderie between the membership. We have been averaging between **150** and **200** members each month with the October meeting having the largest turnout because of our annual raffle car drawing at that month's meeting. Thanks everyone for attending and supporting our club even in the winter. In January I always present my 2nd semi-annual President's award for the previous year but had to move the presentation to February's meeting due to not having the trophy. In the past we always presented our donations to the charities we support at the annual holiday party but the Board decided to do it at the January meeting. In attendance to receive our checks were **Bill & Katie Sample** from the **Sunshine Foundation**, **Tom Allebach** from **Manna Food Bank**, **Linda & Bob Lowes** for the **Variety Childrens Charity**. Checks were sent to the charities that did not attend. A list of the donations given for 2010 were listed in the January Gas Cap. **Scott Settlemire**, General Motors Manager of Pre-productions vehicles sent me an e-mail extending CCDV a private invitation to see their cars at the Philadelphia Auto Show, January 29th. The invitation include a Continental breakfast and free admission to the Auto show. We

had to be there at 7:15am and were escorted into the Convention Center showroom floor. What a morning it was as the VIP treatment was great as well as some of the cars on display. We had about **60 to 70** members from our club show up.

In **February** a lot of the members are planning to go to the **Atlantic City** car show and auction but again this year we will not have a chartered bus to take us there. Check the web site to see who might be going if you are planning to attend. **Kenny Shaw** will be at the GM meeting to give an update on his '**Strickly Corvette and Classic Car**' show in April that is held in the Atlantic City Convention Center. The roving breakfast, actually brunch this time, will be at the **William Penn Inn in Gwynedd, Pa.** Seating is limited so don't delay in signing up for this event.

We are planning a lot of good activities this year and you can view them all on our website calendar.

I wish you and your families the best

SAN Compiles State Laws and Regulations Impacting Specialty Vehicles

On behalf of hobbyists nationwide, the SEMA Action Network has released a compilation of state laws and regulations governing specialty motor vehicles. The compilation is a one-stop shop for state resources listing each state's specialty vehicle definitions, registration and titling provisions, inspection criteria and other requirements and exemptions. Known as the "Tag & Title Toolbox," the new compilation also includes key administrative forms that can be printed for titling and registering specialty vehicles at DMVs nationwide. Information on state emission inspection programs has also been added. "Tag & Title Toolbox" can be found online at www.semasan.com.

The term "specialty vehicle" includes the following vehicle classes: ancient, antique, assembled, classic, collectible, collector, custom, exhibition, historic, homemade, horseless carriage, kit, modified, parade, parts, rebuilt, reconstructed, replica, show, special interest, specially constructed, street cruiser, street rod and vintage. Given that a uniform system for defining such specialty vehicles does not exist among the states, applicable definitions for each state are listed separately at the beginning of each state's document to clarify the language in the statutes and regulations.

"For years, the SAN has researched individual state laws in order to identify states that would benefit from our model titling and registration legislation," said SEMA Vice President of Government Affairs Steve McDonald. "Using these statutes as an informational resource and reference tool, we drafted legislation to create new titling and registration classes for street rods and custom vehicles, including kit cars and replicas. Versions of this model legislation have since been enacted in 21 states across the country."

The information is current for 2010, but subject to change in the future. SAN advises hobbyists to also directly consult the statutes and regulations for states of interest to ensure the accuracy of the information. "SAN members can use this resource to determine their state's specific specialty car requirements and relay this information to their hobbyist network," McDonald added.

Former treasurer visits the area to reminisce “The good old days”

On December 30 Tim and Nancy Simmons hosted a reunion for a former treasurer Ron Musacchio. Some current and former CCDV members were in attendance.. Ron was the treasurer in 1975 and 76 and then moved to Kokomo, IN. He then moved to the Dallas, TX area where he currently resides. He continues ownership of his 1963 split window which is in immaculate condition. When he returned to the area for a visit, I took the initiative to locate some former members and current ones that knew him for the get together. We started at 6 PM; there were 19 people in attendance. Ron was all talked out by 2:45AM when he left. Everyone enjoyed themselves immensely.

Bottom row: LtoR, Linda Moritz, Phyllis Rowan, Barbara Bentman, Chris Dobbins, Kathy Canal.

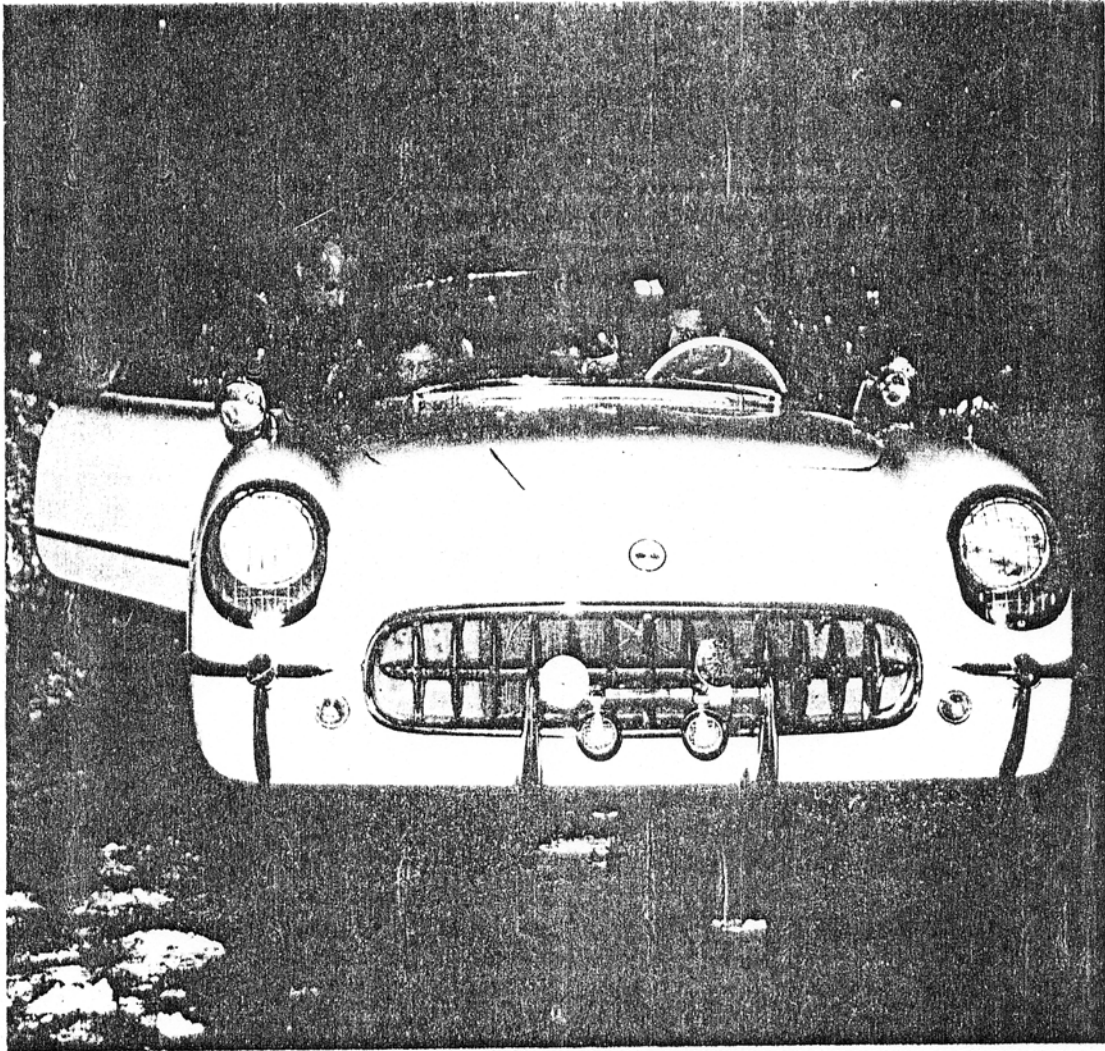

Seated: Susan Kelley, Nancy Simmons, Gail and Don Lemek, Bob Fox, Scott Rowan.

Standing: Dobb Dobbins, Dick Moritz, Ed Bonk, Joe Fellman, Russ Bentman, Ron Musacchio(our guest of honor), Phil Canal.
