PRESIDENT'S MESSAGE

by Ed Bonk

Our long winter wait is finally over. We will be doing a lot of great things as a club this year and I want to pro-actively thank the members who have already signed up to volunteer their time with our up coming events through out the summer. I fully appreciate your support.

The month of 'April' tried to put a damper on our club activities but we made the best of it. This month officially starts our outdoor activities and our first Cruise night was rained out. We improved on the speakers this year and will have more trophies. In the past it has rained on our 1st Cruise night but it didn't stop us from having the best cars on display throughout the rest of the year. As a reminder to our new members the monthly Cruise night is the 3rd Saturday of the month at the **Lowe's** store in **Warrington, Pa.** and the times are **5:00 to 8:00pm**. The show is open to all type of cars, not just Corvettes. The **Corvette Challenge Race** was also rained out disappointing many members of our racing team. The roving monthly breakfast was at **Otto's** in **Horsham, Pa.** and despite the rain we had **17** people brave the downpour to enjoy a great breakfast. The camaraderie is always at its best as you get a chance to enjoy great food and get a better understanding of our members. The '**Strictly Corvette and American Muscle**' car show was held in the Atlantic City Convention Center and **Bill Burkholder**, Chairman of the Board' won the C5 Modified trophy. Congratulations Bill on a job well done.

The Comedy show that **Dennis and Debbie Traves** hosted at the **Cock 'n Bull** in Peddler's Village went very well and humorous. Congratulations Dennis and Debbie for a job well done.

For 'May' the events will be the our Cruise night at **Lowe's** in Warrington, the cruise to **Becky's Drive-In Theatre** in Walnutport, Pa., **Corvette Challenge** racing and the **Willow Grove Tri-Centennial** parade on May 1st. This month will be our **fifth** year

anniversary at the **VE Club** in Warminster. The club has been a great partner to CCDV and have always treated us 1st class.

Looking ahead to **June**, preparations for the **Cavalcade of Corvettes** are going very well. I'm looking for a large number of club members to register for the event as it will be a chance to show your car and have a day of fun. We have had as many as **150** Corvettes in the show and another **85** in the VIP parking area at one time. This is our biggest event of the year and I would appreciate everyone to make a best effort to put their car in the show. If for some reason you can't put your car in the show at least bring out the family and friends to see the show. We are still looking for volunteers to help with this event.

Additionally, General Motors has contacted **Dave Petersen**, owner of **Bryner Chevrolet**, and our club sponsor since 1971 to have our club display our Corvettes at the **General Motors Distribution Center's** 'Open House' on June 4th. This distribution center handles all the parts ordering for **660** GM dealers on the east coast. I was contacted by the center and I said I will be glad to support their open house and Dave Petersen's request for our club to participate. Our cars will be inside the building and they offered us a tour of the center before the 'Open House'. I feel it is important to support Dave in this endeavor as he has gone to GM on a couple of occasions to support CCDV. One of them getting the guest speaker for our club's **50th** Anniversary dinner and the 2 Corvette and Camero preview show to include the continental breakfast prior to the opening of the Auto show at the Convention center on Saturday morning. I will be looking for **30 to 40** Corvettes for our club to display. They were so excited when I said I would support their request. Ironically, my partner in my Restaurant and Irish Sports bar works at this plant as well as many of my friends. I will provide more details on the web site.

Laura Thomas has graciously taken on the job of '**Chairman of the Club Store**'. She will have our club clothing and items on display at our monthly General Membership meetings. A special thanks to Laura for assuming this responsibility

And finally, ticket sales for the raffle car are going well and should you want to buy or sell tickets contact **Dave Bresler** (215 350-9527), **Dave Urbanek** (215-443-7568) or myself. If you sell nine you get the tenth free. You can see the car on the club's web site.

I wish you and your family the best.

Ed

WORLDS' RAREST CAR

This is the car that in 1954 could have "killed" the Corvette.....so, Chevrolet, being GM's big sales and profit Division, campaigned to GM to "kill" this car. Chevy was coming out with its 6-cyl. sports car with its 2-speed "powerglide" transmission and side curtains. Here was a sports car from Olds with a big old V-8 and power windows.

So, GM said no to Oldsmobile on building this car... The world's rarest automobile.

A 1954 concept old's Rocket F88 - the only one in existence.

John S. Hendricks (Discovery Communications founder) paid in excess of 3 million to acquire the 1954 Oldsmobile F-88 Convertible Concept Car.

After spending decades as a collection of parts stuffed into wooden crates, the F-88 was reassembled.

In 1954 the F-88 was a Motorama "Dream Car" and was one of only two, unconfirmed possible three, ever created.

The F-88 seen here is literally the only car left of its kind – and was sold to John and Maure Hendricks at the prestigious Barrett-Jackson Auto Auction in Scottsdale, Arizona for an unbelievable \$3,240,000.

This acquisition made automotive history and is the "cornerstone" of the Gateway Colo. Automobile Museum in its own special room in a rotating display worthy of the F-88!

Cavalcade Update

It won't be long before the birds are singing, flowers are blooming and the hearts of Corvette owners are filled with love. The love of a great car show, that is. May is upon us and soon so will be our next Cavalcade. Less than two months away, the club's 41st Cavalcade is set for June 25, 2011 at the Middle Bucks Institute of Technology. Your opportunity to pre-register is included in the Gas Cap this month. Pre-registration will save you \$5 over day of show registration.

We are also in need of volunteers to help with the set-up, tear down, parking, etc. If not for our great volunteers over the years this event would not be as successful as it has been. Therefore, please consider volunteering. Not only will you get a great deal of satisfaction from helping, you'll also get a one of a kind limited edition T-Shirt. Sign up sheets will be distributed at the General Meeting. For those of you who can't wait that long to volunteer please send me a PM or an e-mail. Thank you to those who have already volunteered.

Jacques

Oriental Auction

Speaking of the Cavalcade, due to its overwhelming success for the past two years, we are again having an Oriental Auction. Once again, our goal is to raise \$1,500.00 to be donated to our charitable organizations. We would really appreciate your support of the auction by providing donations. Examples of items that we are looking for include wine, spirits, etc... which can be made into a basket of cheer, coffee, gift cards to local stores/restaurants. Sports and automotive memorabilia/tickets, hand-made items and kids toys were all very desirable at past auctions. No reasonable donation will be declined. It is usually successful to ask for a donation where you are a regular customer. Additionally, if you are or know of any business owners that may be interested in providing samples of their goods, gift certificates, or an introductory service please ask that they consider donating, we will advertise their products at the auction table. If you have any donations or wish to assist with the auction this year please feel free to contact me. Thank you in advance for your support.
