President's Message

By Nick Cipriano

Dear CCDV Members:

This month's message will be relatively short because the sun is finally out, the pavement is dry and my Corvette is itching to be driven. Brevity, however, does not mean that this message is trivial. Please read on . . .

This Club is your Club, this Club is my Club*

From Gwynedd Valley to Burlington Island,

From the Pennypack Park to the Schuylkill's waters,

This Club was made for you and me.

*With deepest apologies to Woody Guthrie (1940)

Now is the time for Club Members to come to the aid of their Club! Club activities---and the continued existence of this Club---depend on the collaborative, volunteer efforts of Members. It is vitally important that Club Members do more than just pay dues. Get involved. Attend General Membership Meetings (the next one is on Thursday, June 12). Encourage your fellow Corvette owners to join the Club and lapsed members to rejoin (and yes, membership is down).

Right now, your Club has a real and present need for assistance in the following areas:

- ◆ Volunteers for the Cavalcade (Contact Steve Fisher)
- ◆ Registrations for the Cavalcade (Contact John Tamborine)
- ◆ Donations for the Cavalcade Charity Auction (Contact Jacques Etkowicz)
- ◆ Volunteers for the Advertising Committee (Contact Nick Cipriano)
- ◆ Content for the *Gas Cap* (Contact "Komoman" or "Batgirl" on the website)
- ◆ Raffle Car tickets (Contact Dr. Dave Bresler)
- ◆ Candidates for 2015 President, Officer and Director positions (Contact Bill Burkholder)

A pillar of my presidential platform was "returning the Club to its Members," which simply meant that I sought to make ours a more vibrant club by growing the ranks of participating members. The Club cannot achieve its full potential, much less survive, if it must rely on the efforts of just a few. Particularly encouraged is involvement from those who have been quick to offer suggestions for (or criticism of) the Club or its activities. You know who you are. I acknowledge that *Gas Cap* readers may be growing weary of my calls to action, but the response regrettably has been scant action.

I am eagerly looking forward to seeing all of you at the June 21, 2014 Cavalcade of Corvettes at Katie O'Donnell's, 4501 Woodhaven Rd, Philadelphia, PA 19154. Show hours are 10:00 a.m. to 3:30 p.m.

All the best to you. Cheers, Nick

VFW MEMORIAL DAY PARADE

Rose Ferrante

Wow what great day! Five cars from the club accepted the invitation by the Jos. A. Schumacher VFW, which is the oldest VFW in Bucks County (Established in 1928) to attend their Memorial Day Parade. Thanks go out to Denny, Barb, Angelo, Chris, Candy & Tony. I was the only one without a convertible but Ray, my passenger said he didn't mind. He did mention that he normally doesn't like to ride with women drivers....but I was OK in his book. There were lots of happy kids waiting for candy and veterans old and young lined the streets with their families. After the parade, it was back to the VFW for free dogs and drinks. They extended the invitation for next year as well. I had the opportunity to give out a couple of the club business cards to other vette owners that expressed an interest. The service after the parade was inspirational. Having just lost my dad last year, who was a veteran of the Korean war... when they played taps....needless to say it was very moving. This was definitely the way to commemorate this day and all that it should mean to each and every one of us. We were reminded it is not just another long weekend and a Monday off.

Neighbors

Movie Review by Steve Nikazy

Young parents revel in living the American Dream, complete with a newborn, a house and white picket fence, when their world collides with next door neighbor frat boys in a new comedy directed by Nicholas Stoller. Mac Radner (Seth Rogen) and wife Kelly (Rose Byrne) attempt to maintain their former childless lifestyle. One hilarious scene has them planning to attend a concert, only to tire out while packing a stroller and a truck load of baby supplies for the would be outing. Life seems good, until they encounter new neighbors, frat brothers, bent on breaking some outrageous party records set in previous years.

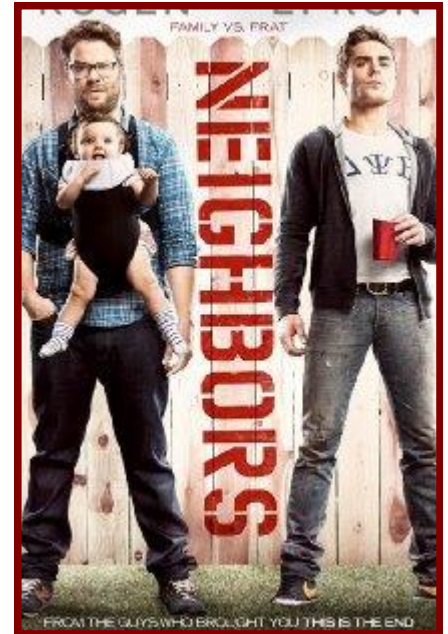

Mac and Kelly meet the Delta Psi Beta fraternity led by Teddy Sanders (Zac Efron), who assures them they won't be a problem. The frat breaks in the new digs with a loud beer soaked, marijuana party while Mac and Kelly wonder if they are "becoming their own parents." Repeated parties result in our couple breaking a "truce" and calling police. Battle Royale begins.

What would an R-rated frat comedy be without bawdy sight gags? We get them in droves, including a scene involving plaster casts and private parts. Mac and Kelly conspire to drive a wedge between the top frat members with an explosive love triangle and the results are hilarious.

"Neighbors" became a hard news story of sorts when Washington Post film critic Ann Hornaday linked such movies to the Elliot Rodger, UCSB killings. She contended fraternity hazing and other cinematic bullying leads to real violence. That prompted a social media response by Rogen, who tweeted that Hornaday's article was "misinformed and insulting."

"Neighbors" keg of gags is half full, compared to the classic frat comedy "Animal House" but it's not a bad way to spend about ninety minutes. Just be glad your neighbors don't have a boiler sized bong and a closet full of illegal fireworks.

This "Cavalcade of Corvettes" is one of the largest and longest running all-Corvette shows on the East Coast.

Sunshine Enters the Hearts of C.C.D.V.

by Joel Lee Fellman
C.C.D.V. President

The Corvette Club of Delaware Valley has been in existence since the mid-fifties. Like most, our club was organized by auto enthusiasts with one thing in common, their love for the Chevrolet Corvette -- America's only true sports car.

Over the years the club has had a membership as high as 250 and through our "Cavalcade of Corvettes", C.C.D.V. has raised and donated some \$90,000 for several

deserving charitable organizations.

C.C.D.V.'s Cavalcade of Corvettes is proud to be one of the largest and longest running all-Corvette shows on the East Coast. About 9 years ago, because of the facility's size and parking restrictions, the show moved from being held at Bryner Chevrolet in Jenkintown, PA (the club's Chevrolet sponsor). Past Cavalcade attendance has run in excess of 5,000 spectators and Corvette-

related vendors have come from all across the United States to sell their wares.

This year the 19th Annual Cavalcade will be held at the Naval Air Development Center located at Street Road (Rt. 132) and Jacksonville Road in Warminster, PA (a suburb of Philadelphia). The prestigious indoor show continues to feature some of the

finest quality custom, stock, competition and pristine street driven Corvettes from far and near. Our outdoor "Corvette Corral", the special parking area set up solely for the literally hundreds of Vettes driven to the show, has become a major event in itself and is so popular that some who attend never make it inside to see the spectacular indoor displays.

If you have the time and can get out Saturday, June 3rd, or Sunday, June 4th, you are cordially invited to attend. The cost for admission is \$4.00 per person (children under 12 years old are free). Partial proceeds now benefit the Sunshine Foundation and we hope this year's event will be the biggest and most successful to date. Additional information about the club, show and/or flea market can be obtained by calling (215) 938-7722. We hope to see you there.

\$100,000 '55-'57 Convertibles?

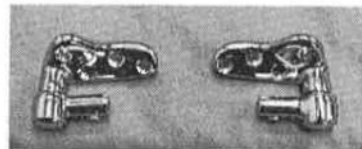

Finally, these cars that we all love so very much are beginning to be worth some serious money! The figure \$100,000 might still be a couple of years away, but the way things are going we believe that in the very near future, people will no longer have to be ashamed of spending big dollars on "the plain" Chevys" and those of us who are in the business of selling parts and restoring cars can finally begin to breathe a little easier as we watch the '55-57 Chevy convertibles and coupes slowly gain a little bit of the same respect that Ferraris, Porsches, Maseratis, Mercedes, Packards and a lot of other exotic cars have had for years.

For us being a full time restoration service center specializing in early passenger Chevrolets and Corvettes, the future now looks better than ever and we would like for you to know about us and our European craftsmanship.

We have completed over 30 show-quality frame-off restorations in our six years in business and we have earned a reputation as being one of the very best in custom metal work and high technological rust repair.

If you are in the market for a complete, top quality high point restoration, please contact us; or if you are in the southern California area, come visit our brand new facility; it's a clean and secure place for "big boy's toys."

The car was restored before I bought it in 1992. Then, I had the engine professionally balanced and blueprinted and rebuilt with high performance parts. (Cam is hydraulic.) I have the engine dyno sheets: 460 Gross HP (about 400 net HP) Paint is nice and glossy, the car runs excellently, sounds awesome and is still easy to drive in traffic. Be Cool radiator with dual electric fans. I have owned and enjoyed and babied this car for 21 years and I am selling it to buy a new Vette. The original block and engine parts are in storage. 215-208-6620. John
