President's Message

T. Wayne Lankford

It is sad to say that the season for club activities involving our "Corvettes" is slowly winding down. With only a few activities left, I am hoping for good weather so we can take our cars out a few more times before they are placed in hibernation. It has been a great year!

Next year is the 60th Anniversary of the Corvette Club of Delaware Valley. I am very happy to announce that Joel Fellman along with Tracey and Ray Marijczuk will be co-chairs of the committee for the clubs upcoming "Gala" and affiliated activities. Also, I am happy to say that we have ten club members who have signed up to be on the committee to assist in planning the event. I thank everyone for stepping forward to help make this a wonderful celebration.

Once again, the CCDV won the "Best Club Participation Award" at the Peddlers Village Show on October 1st sponsored by the Tri- State Corvette club. Hats off to our 14 members who attended. We will draw a winner from the members who attended for the \$100 swizzle stick. As you know, between transfer fees, taxes and carrying charges, the swizzle stick is worth \$10!

The CCDV Holiday Party planned for the club this year will be held on December 9th at the Hatfield Auto Museum. Please check the website for details. Barbara and Kathy have planned a fun filled night, sign up and enjoy the company of friends.

As we all know, change is difficult and sometimes hard to accept. Complacency is security, ease of mind and a normal routine. For those who read my message last month, you already have an idea of what's to come. As I stated, our membership continues to drop, income from dues continues to decrease and our overall costs continue to escalate. A decision had to be made in the best interest of the club. The Board of the Corvette Club of Delaware Valley has voted unanimously to end our relationship with the VE Club effective December 31, 2017.

We have entered into an agreement with the Ben Wilson Senior Activity Center located at 580 Delmont Avenue, Warminster, Pa. Our general club meetings will be held at this location on the second Thursday each month. The doors will open at 7:30 PM and close at 9:30 PM. There is a strict non-smoking policy at the facility. A single location at the rear of the building has been designated where smoking is permitted and will be pointed out at our first meeting. (No smoking at or around the main entrance). Feel free to bring a beverage such as coffee, tea, soda, water, juice etc. We will be discussing other beverage options with the facility later this month. There will be no food served but you are permitted to bring a sandwich, hoagie, pizza slices, etc. The only rule for bringing food and drink into the center is that we are obligated to clean up afterwards and leave the facility as we found it. We also will have corvette parking only at the center with 106 spaces available including handicap slots.

The Ben Wilson Center is located directly behind Giuseppe's Pizza & Family Restaurant. Giuseppe's is well known for good Italian food as well as a full service bar. I will be meeting with them to see if they will offer our club members a discount on food purchases on our meeting nights.

I know that this transition may not go over well with some of our members, but this decision will be a positive step for the clubs future. With the overall costs reduced, we will in turn be able to give back more to our club members during the year. The means and ways to do this will be discussed at future board meetings.

This is just a reminder, elections for the CCDV board as well as the president and his/her slate will be held at the November general membership meeting.

I hope to see everyone at the November meeting.

T. Wayne

CCDV Elections November 9th meeting: Who's running?

T Wayne Lankford has committed to run for the position of CCDV President and submitted his slate of officers for 2017 as follows: President: T Wayne Lankford Vice President: Joel Fellman; Corporate Secretary: Pete Carroll Recording Secretary: Barb Grippo Treasurer: Ken Woods

The following 8 CCDV members have submitted their names to be placed on the ballot for the eight (8) Board Member positions which come up to be voted on each year.

Bob Bearn	Rose Ferrante	Angelo Grippo	Joe Parente
Jacques Etkowicz	Steve Fisher	John Indelicato	Dennis Traves

Don't forget, nominations for board positions can still be taken from the floor on the night of the election. Absentee ballots will be available should you be unable to attend the November 9th, general membership meeting at the VE club. To receive an absentee ballot, please contact me, Rose Ferrante, via the club phone 215-938-7722 or you may also use e-mail to request your ballot. Please direct the email to rferrante@fonnerinsurance.com **and make sure to indicate "CCDV Absentee Ballot Request" in the subject line.** It would be a great help to me if you could include your mailing address when you request the ballot as well as your phone number in the event we would have misinformation on our membership list. It is important to contact me as soon as possible due to the time sensitivity in receiving the ballots prior to the November meeting. All absentee ballots must be received by November 8th.

If you require a spousal ballot, please include that information as well. Please note: The ballots that are cast at the meeting are anonymous. The absentee ballot is also anonymous, but the return envelope will include your name on it and the envelope must be signed. This step is necessary to keep track so there is no duplication of votes. If you request and return an absentee ballot, you may still attend the November meeting to vote, and your absentee Ballot will be discarded at that time.

Thank you for supporting the club and exercising your right to choose the people to represent and work for you in this great club of ours!

Sincerely,

Nominating committee members

Rose Ferrante & Bill Burkholder

Activities Recap for October 2017

October 1-5 – CCDV Haunted Bus Trip: I think I speak for everyone on this great trip when I say this was the *scariest* and yet the most *fun* we have ever had on a bus trip.

The trip included stops at Governor Sprague Mansion, Salem Witch Trial Memorial, Live Witch Trial performance at Witch Dungeon Museum, Salem's Pickering Wharf, Boston Harbor Island Cruise and tour of historic Fort Warren, Lunch and Haunted waterfront and lighthouse tour of Portsmouth and New Castle, NH, Olde Mystic Village, Seaside Shadows tour of Mystic, CT, Gambling time at Mohegan Sun casino where I lost my money.

Some of the highlights of the trip were ghost stories that were told to us while visiting restaurants, museums and other tours. We also had a couple of first hand experiences.

The first *spooky* thing that occurred was during the visit to Salem Witch Dungeon Museum where Barb Grippo was taking pictures. The camera went berserk and a picture of an apparition appeared. *Look carefully and you can see the image of some ones' legs and hands.*

Next there was a picture taken of someone and a hand appeared on her shoulder in the photo.

Another weird thing occurred when *Joe Parente's shoes vanished at the blink of his eyes.*

The final episode was when *Johnny Bacon suddenly had a pair of socks appear on his feet for no apparent reason??*

When I think about all the weird things that happened I can only say, "It was *eerie* I tell you!!"

Since a picture is worth a thousand words I'll add a few pictures of our adventure.

Sorry I couldn't get everyone's picture here. Go to the CCDV website & look under all albums for photos of everyone!

For all the excitement, fun & laughter, the memories and the thrill of being with each other on this fabulous vacation we owe Barbara Grippo an enormous *Thank You* for all of her hard work.

October 7 – FAMILIESCN2A CAR SHOW:

Johnny Bacon

Candy Merlino, John Indelicato, and John Benischeck entered their vehicles into this Charity Car Show, which is sponsored jointly by [The Bucks County Stangz](#), [215 Mopar](#), and [Iron Rebels](#). Members of these Car Clubs regularly attend the CCDV Cruise Nights.

It was a gorgeous fall day as we entered the show at the parking lot of [AROSSO Italian Restaurant](#), which is located on Business Route 1, above the Oxford Valley Mall. (SCN2A is the gene which mutates to cause Autism and Epilepsy.) The show was very well-run with great music, a 50/50 and very organized setup and parking. Plus, beautiful 2 feet tall trophies, each donated by a separate sponsor, were handed out.

I am pleased to report that trophies were won by 3 CCDV Vettesters:

Candy Merlino – for her beautiful black 1976 Vette, customized with a 1980 rear end. It also has cool custom multi-colored speckles sprayed expertly by Chris Merlino. (Poor Chris was recuperating from a leg infection and we wish him well.)

John Indelicato – for his awesome perfectly restored 1948 green pickup truck (This truck was John's "other woman" for the past two years! I understand that Rose has agreed to overlook this wayward automotive transgression. Lucky John!!!)

John Benischeck (aka Johnny Bacon) – for his pretty, but stock, shiny 2015 Laguna Blue Vette.

October 15 – The CCDV Breakfast at ZOTO'S DINER: Our own Jeff and Julie Kauf recommended this Eatery, which is located on Route 309 in Line Lexington, PA. We enjoyed a sumptuous buffet in a beautifully appointed private room. The food was excellent and the camaraderie was outstanding! There were many laughs and tall tales. The buffet included all the bacon and fresh cut fruit you could want. This is a morning party with lots of laughs. Plus, it's an easy and great way for new members to join an activity. Everyone had a blast! The attending CCDV Vettesters were:

Fran & Joanne Schmidt, Paul & Ginny Wydominic, Jeff & Julie Kauf, Gary Romberger & Bonnie, Paul & Barbara McMullin, John Pergine, Barry Hunsicker, Mary Pat & Bob Hulmes, Kerry Duke, Ken & Karen Snyder, Dennis & Debbie Trayes, Maryann & Stan Fisher, Denny & Eileen Matlack, T. Wayne & Pattie, Dan, and Johnny Bacon.

On Saturday, November 18th we'll breakfast at The Langhorne Speedway Diner on Business Route 1 at 9:30am. Afterwards, we'll take a 4 mile drive to The LRA Auto Museum to check out the muscle cars. Hope to see you there.

DOWN the Road

The cool temperatures arrived today. I actually wore a pair of long pants, flannel shirt and a sweat jacket and I was still cold. That cold should not dampen our spirits. We still have some exciting activities on the horizon, so don't put your toys to bed just yet. Join your friends in participating in the great events which are about to take place this month.

November 5 - Philadelphia Veterans Day Parade: Ed Bonk

The Corvette Club Of Delaware Valley application has been approved to be in the Veterans parade on November 5th. In fact they actually called me to submit the application. I am looking for about 20 Corvettes to be in the parade. I talked to the Chairperson and I stated that there need to be changes this year as to how the Corvettes will be assembled in the parade and who will be in them. We will have more Gold Star Mothers and Veterans in our cars versus Politicians.

We will have a Police escort to 20th & JFK from Katie O'Donnells where our cars will be searched by K9 dogs and Homeland Security. We will go down JFK Blvd to City hall to Market street and down to 5th & Market .

The parade starts at 12:00 pm and I would like to have the participants meet at Katie O'Donnells at 10:00 am. ABC will again have the parade on TV.

Please respond in the CCDV website forum if you want to be in the parade. Call me @ 267-253-7460 should you need to reach me.

2018/2019 Corvette Production Plans

Well, that was quick! Rumors have been confirmed that production of the 2018 Corvette will cease early for the model year. The last date to order a 2018 Corvette is November 16, and the last week of production for the 2018 model year is the week of January 22. The 2019 model year will begin rolling off the line the week of January 29, 2018. Orders for the model start November 30. (whew we need a calendar for all those dates!)

Right now, planned volume for the 2018 Corvette is just shy of 9,700 units, making it one of the shortest model years.

No major changes are coming for 2019 as models, colors and options from 2018 will carry over (sans the Carbon 65 Edition). Less than 100 65th Anniversary Carbon Editions are remaining of the 650 cap for 2018. A new order guide for 2019 will be released on November 20.

Sebring Orange (G26) can now be ordered, and a small ramp up of the new hue begins the week of December 11 (in the new paint shop, we might add).

But what about the new paint shop? Production at Bowling Green Assembly starts back up November 6, and at that time the 'basics' (Black, Arctic White, Torch Red, Corvette Racing Yellow) will begin rolling through the state-of-the-art paint shop. Tintcoats will follow the basics at a later date (Admiral Blue, Blade Silver, Cyber Matrix Gray, Long Beach Red, Sebring Orange and Watkins Glen Gray).

As for the quality of the new paint – we're told customers will not be disappointed. Some even tout the quality to be better than the crème de la crème Cadillac paint.

And as for a "C8" mid-engine Corvette, no official word has been received announcing the highly anticipated model. But it has been photographed quite a bit lately. Perhaps it's GM's way of teasing us just a little bit!
