President's Message

T. Wayne Lankford

I feel that most of us would suggest that winter is finally over and Spring has taken hold. Trees and flowers in bloom, the grass is growing and with great anticipation, the first cookout of the year with friends. Also, it is the readying of my, I mean "our" Corvette's for another great year of enjoying one of our favorite hobbies and activities. We feel very fortunate to have rejoined the club, made many new friends and have met so many other people who enjoy the same passion for the Corvette as we do.

Our April Roving Breakfast was held at Andy's Diner in Springhouse on Saturday April 11th with 16 hungry members in attendance. Andy's has done a great job in remodeling the old Pike Diner and we thank Jeff and Julie for their recommendation of this eatery. The buffet was great with many selections and of course, with Johnnie B there, they had to "ration" the bacon.

Our first cruise night was held on Saturday April 18th at Lowes in Warrington and what a great night. The weather could not have been better and the attendance was fantastic. Everything seemed to work in our favor. Once again, hats off to Chris and Candy for another great Cruise Night and all of their hard work in chairing this club activity.

The next cruise night will be held on Saturday May 16th.

Our next roving breakfast will be at T. J. Smiths on May 31st. Check the website for details.

By now, most of you should have noticed that our activity calendar is filling up fast. The activities committee, headed by Nick Scull, is doing a great job with so many diversified activities being posted. Next on the list is the May 9th planned trip to Lancaster for the Turkey Hill Experience and Taste Lab, the Amish House & Farm and finally, dinner at the Good 'N Plenty Restaurant & Bakery. "Guaranteed fat free and low calorie". We thank Lorna and Bob Bearn for planning this activity.

Our guest speaker for the May 14th general meeting is from County Corvette Restorations of West Chester. They have also invited any interested members to come down and tour their facility on Saturday May 23rd. (Please check the website for times). County Corvette Restorations will also provide lunch for those attending. Please sign up well in advance so as to have a proper count for our hosts. We may even see one of our own members' car being worked on while there. Joe Parente's '68 is being restored.

Steve Fisher and the Cavalcade Committee have just about wrapped up the finite details relative to the 45th Cavalcade of Corvette's. Volunteers are still needed so please sign up or contact Steve.

WE CELEBRATE THE LIFE OF DR. DAVID BRESLER

David A. Bresler DDS, 61, died March 21, 2015, in Philadelphia, PA from unexpected surgical complications, with his family by his side.

He was born August 25, 1953 in Philadelphia to Kalin and Dr. R. Ralph Bresler.

David graduated from Abington High School in 1971. He completed his undergraduate education at Temple University and continued his graduate education at Temple University School of Dentistry. Dr. Bresler completed a residency program in Pediatric Dentistry at St. Christopher's Hospital for Children from 1979-1981.

David's father taught him many important lessons but three in particular paved the path to his success and ultimately to the legacy he's left behind. First lesson was to find out what you're good at and become the best at it. He successfully accomplished this goal. Dr. Bresler opened his first pediatric dental office in Roxborough in 1982. Over the next 30 years he was able to expand the practice with additional locations in Dresher, Jenkintown, Newtown Square, South Philly and Northeast Philadelphia. He quickly became known as "The Kids' Dentist. Kids love to visit".

The second lesson was to always put your patients' needs first and the reward will follow. The R. Ralph Bresler Memorial Award at Temple University is given

to the dental student who most closely follows this moral compass. Dr. Bresler ran his practice with integrity and made sure to instill these values to his children and his thousands of students.

The last lesson was that when climbing the ladder of success there are two ways to get to the top. The first is to step on others along the way and the second is to pull them up the rungs with you. Anyone you ask can attest that David certainly wanted to pull everyone up with him. He continued to mentor and help former students create their own success stories by sharing with them all of his knowledge and experiences.

Dr. Bresler was a pioneer in developing an efficient model of pediatric dental care for all children regardless of their income level. The "Bresler" model of pediatric dental care that he had created is unmatched and will survive as a model for dental care for the world to follow. He was the Owner/Operator of Doc Bresler's Cavity Busters – a 7 location multi-dentist, multi-specialist group practice including pediatric dentistry, general dentistry and orthodontics. He was the owner/founder of Red Lion Surgicenter – the nation's first free standing ambulatory surgicenter devoted exclusively to dental procedures. He also established Special Touch Dentistry – a dental practice dedicated to providing the highest quality dental care to adults with special needs.

Dr. Bresler was a committed teacher and mentor to countless students who had the opportunity to work beside him and under his thoughtful guidance. Generations of dentists – and their patients – will continue to benefit from his commitment to the dental profession for many years to come. He was a Clinical Associate Professor at Temple University Kornberg School of Dentistry and often lectured at the University of Pennsylvania School of Dental Medicine, Harcourt College, and Manor College. He was an active staff member at St. Christopher's Hospital for Children and Children's Hospital of Philadelphia. He was a spokesperson for the American Academy of Pediatric Dentistry and often lectured around the country, always well known for his lectures on behavior management.

A true humanitarian, Dr. Bresler was actively involved in the YMCA, the Sunshine Foundation and the Shriners. He also led many dental mission trips to Haiti where thousands of patients with otherwise no access to care received often life-saving dental treatment. His children will continue to lead the Haiti Project in honor of their father.

His interests included going to flea markets, restoring antique cars, Corvette club, and spending time down the shore. He also had the world's largest DAB (his initials) beer memorabilia collection, which is ironic since he's never had a beer in his life. Most important to David though was spending time with his family. A truly devoted husband, father and grandfather, he showered his wife, children and grandchildren, and all of their friends, with unconditional love. Dr. Bresler never said he was going to work, rather he was going to play. His passion for helping others was infectious and all three of his children - Josh, Jason and Rachel all followed in his footsteps to pursue careers in children's dentistry.

Dr. Bresler lived life to the fullest, treasuring every moment spent with family, friends, colleagues and students. The impact that he made on this world will be celebrated for countless years to come.

Dr. Bresler is survived by his wife Sherry; children Dr. Joshua (Dr. Tracey) Bresler, Dr. Jason (Dr. Jill) Bresler, Dr. Rachel Bresler, Alina Andalaro, DeAnna Andalaro, & Melissa Andalaro; grandchildren Noah, Gwen and Kayla; Brother Samuel (Jinda) Bresler and Sister Judith (Ralph) Lerner.

Donations may be sent to the Sunshine Foundation (www.sunshinefoundation.org - 1041 Mill Creek Drive, Feasterville, PA 19051) or Temple Dental Haiti Club (3223 N. Broad Street, Philadelphia, PA 19140).
