MESSAGE FROM THE PRESIDENT JULY 2019

Growing up in the mid-60's and starting to drive I eventually moved away from dad's '61 White Ford Galaxy with the mighty 390. My friends also had some pretty interesting rides.

Neal had a sharp '69 Blue AMC Javelin with the 290. His parents always had AMCs and in-fact I took my driver's test in their '65 American because it was considerably smaller than my dad's Ford.

Steve G. was always a very different kinda guy and not surprising, he drove a '63 Gold Avanti'. It was a sharp auto and may have somewhat caused me to get interested in high performance sports cars.

Dennis drove a Black '67 Olds Starfire with a hefty 394. We travelled quite a bit in his Olds.

Jay drove a plain Jane Blue '70 Olds Cutlass with a 350 and Mark drove an older White MG which was also a fun car, especially when we would try to pile 4 of us in for a ride. At least Steve's Avanti' had an actual but small back seat!

Steve S. had many cars as his dad owned a used car lot. But most especially, I remember his 1966 Sinister Black S-55 Merc with a 428. I remember barreling up Rt. 95, his speedo topping out above 120 and me being scared to death! That huge car had a ton of power but weighed 2 tons! Steve S. is also the car mechanic who never had any loot and yet somehow acquired the '57 Plymouth Fury and the '58 Chevy Belair I financed and drove after he managed to get them roadworthy. Then after a few months, I'd sell them and share half the profit with Steve.

Charlie drove a really sharp Yellow '70 Dodge RT with the 440. That was a great car (once he replaced the dual quads with a single big Holley). That car moved me to buy my '72 'Cuda 340.

I loved my 'Cuda but it got me into plenty of trouble with the local cops and eventually into racing at Atco. At one point the trans went and a shop in Philly's Mayfair section did a rebuild, added a shift kit and scared me when the owner took me for a test ride. Until then, I had no idea that trans work could literally "Transform" my 'Cuda into an awesome street race monster and a contender mostly at Front & Delaware Avenues!

Moving ahead 4 years and while dating Sue, along came Mr. "Yellow Coupe". After the first 30 or so years being mostly stock, after joining the Corvette Challenge at E-Town through the CCDV membership, that's when the mods started: first came the Aluminum Heads w/Roller Rockers ZZ4 which immediately doubled the HP and along with the trans kit & new 355 rear plus desperately needed performance brakes, dual electric fans, the '69 factory side-pipes, Cragers (and I shouldn't forget the outlawed spinners), new fiberglass bumpers and a high rise hood, the Vette was ready. And so became our transformed "Yellow Monster", especially once the Sniper Nitrous Oxide kit was added.

So please check out my complete list of the autos on the next page that I've owned over the years. I included this list in a past Gas Cap but thought it would be appreciated again. If you have owned some interesting classic or collectible vehicles in the past and would like to share it with the Club, please let me know so we can publish it for all to see in a future Gas Cap.

Thanks for listening & Save The Wave,
Joel

Can't wait for some PS, well here they are:

PS: Our "49th" Annual Cavalcade of Corvettes once again was an outstanding success thanks to all the many Chairpersons & Volunteers. It was a gorgeous day especially for a Corvette show, and we thank Mother Nature for blessing us with perfect weather. I personally "THANK" everyone who participated.

PPS: I learned at the recent Del Val NCRS meeting that modified Corvettes are being added to the list of judged concourse stock Vettes. This is more than a monumental move on the part of Corporate NCRS. They realize that modified Corvettes are becoming very popular, prized possessions. I will try to keep you posted as I hear more about this topic.

PSS: With the arrival of our additional new members, mostly from the Cavalcade, it's nice to see that we've surpassed the 400-member mark once again. OK, so maybe not by too many but it's safe to say we have over 400 members.

PPSS: Some advance notice: our AUGUST speaker is a certified "celebrity" in the Corvette community. So please be sure to attend next month's general membership meeting. I'm sure you won't be disappointed. **AND LASTLY**, if you still haven't registered for the Ocean City Corvettes on the Boardwalk, there's still some time to get in. The date is Sunday, September 22 and the cut-off is 400 cars. I heard we already have 51 members registered so far. We've taken the Best Club Participation award for probably the last dozen or more years! So hurry and sign up. Contact me if you need the particulars.

When you are ready to join, print out our [Membership Application](#).

CECF CORNER

Hello CCDV Club Members,

First, I would like to thank all of you who have purchased or sold raffle tickets so far this year to benefit our local non-profit organizations, many of whom like the Sunshine Foundation and Juvenile Diabetes Research Foundation International, our club has supported for years. Although we did not purchase a corvette this year, our CECF Raffle will offer the winners a choice of a 2020 7-day Eastern, Southern or Western Caribbean Cruise on The Royal Caribbean or \$3,000 in cash. Check out the tour of one of Royal Caribbean Cruise Liners and a video of Coco Cay Island at our new site at: <https://cecfcharities.org/>. We believe that it is not about winning a corvette or a vacation or even the money, but more about helping those who are less fortunate in the communities where we live and work.

One of my Uncle Ralph's favorite sayings was: "There once was a man who was walking down the street who had no shoes, until he came across a man who had no feet." Our Board feels fortunate that we have supported so many families in the past and we want to continue that tradition again this year. We are inviting all of our members to purchase at least one ticket, only \$20.00, to help us reach our goal. If you choose to purchase tickets online at our website: <https://cecfcharities.org/> we will send a confirmation copy of the raffle ticket to your e-mail address. We are looking for volunteers to assist in selling tickets at Doc's Rock the Block Car Show, Ocean City Boardwalk, and the Hatboro Car Shows. Please contact Ed Scannapieco for details. You can also purchase tickets from Ed at the general monthly members' meetings.

Thank you to all of the members who participated in the Soup Drive for the Aid for Friends Foundation at our June meeting. We collected approximately 225 cans of soup.

I would like to thank all of our members once again for your support of our fundraising efforts, because without your help our CEC Foundation would not exist.

Respectfully Yours,

The CECF Board

CCDV/CECF SCHOLARSHIPS

Pictured left, Tim Simmons, Board Member of the Corvette Club of Delaware Valley, poses with Eastern Center for Arts and Technology scholarship winners Charles Carter and Jeremy Grosch on May 29, 2019.

Below are copies of the thank you notes the young men addressed to Tim.

Dear Mr. Tim Simmons,

I want to say thank you for this award. I can not wait to pursue this automotive career and gain a lot of experience. Thank you again!

From,

Charles Carter

DEAR MR. SIMMONS,

I really appreciate being recognized by the Corvette Club. I am honored by the generous award I was given to use for school next year. Thank you again for the award.

Sincerely,

Jeremy Grosch

ACTIVITIES CORNER

Reading Fightin Phils vs. Richmond Flying Squirrels, Sunday, June 2, 2019

Members of the CCDV and their families enjoyed a great game between the Reading Fightin Phils and the Richmond Flying Squirrels on Sunday, June 2, 2019. Tickets included a delicious two-hour All You Can Eat Buffet. I personally loved the BBQ ribs and freshly grilled chicken.

Between innings the crowd was entertained by the famous mascot of the Phillies organization, the Phillie Phanatic and his silly antics, and the Reading Team's mascots Screwball, Change-Up the Turtle and Bucky the Beaver. Additionally, the Fightins' staff shot T-shirts and baseballs into the crowd. Rose Ferrante's daughter and grandchildren arrived early to have pictures taken with Queen Elsa and see the other Disney characters including: Snow White, Cinderella, and Pocahontas.

The R-Phils did win with a score of 5-2, even though some of us were distracted by other activities and didn't watch the entire game.

Attendees pictured below included:
Tony Buonassisi & Rose Ferrante
Ray & Tracey Mariczuk
Denny & Eileen Matlack
Joe & Amy Parente
John & Barb Pergine
Dennis & Debbie Treyes

Thank you to everyone who attended. We plan to schedule another trip to the ballpark again next year.

CAVALCADE OF CORVETTES 2019

Our Cavalcade of Corvettes 2019 has now been relegated to our archives, but memories of the success of this journey remain. The committee labored for months preparing for this venture with countless hours of planning. The first task the committee tackled was completely emptying the trailer, taking inventory and organizing years of “stuff” into tubs and securing everything. It was a lot of work, but it was a very fun day.

Many of our club members showed up for set-up Friday night and stayed for clean-up after the show on Saturday, so that both “chores” went smoothly. Edy Doan and her tiny companion directed a rapid lifting of the largest tent. The gathering of so many demonstrated that their assistance is the foundation of what makes our club so successful with the activities we plan to support our primary goal of raising funds for local non-profit organizations.

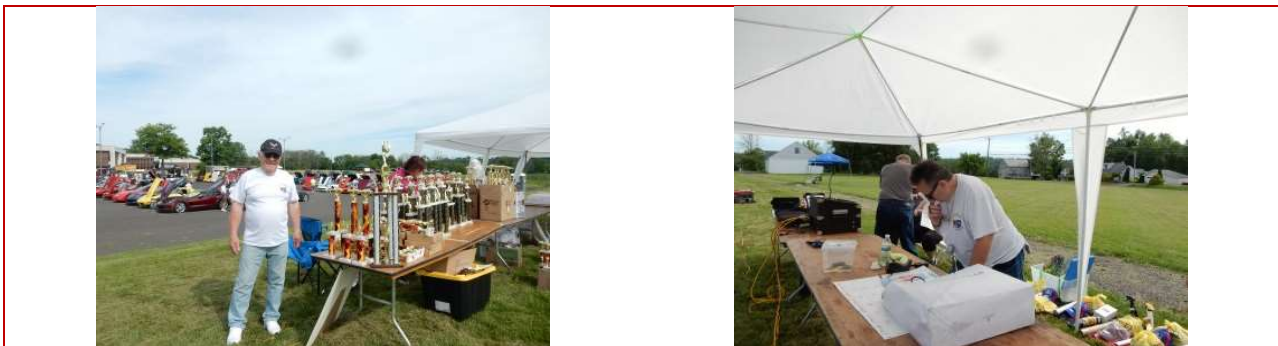

Many of these workers were also the ones who put in time under Jack Householder’s direction parking cars, answering questions, and at the end of the day found themselves in a sunbaked combination of sun screen and perspiration.

The day of the cavalcade couldn’t have been better. The temperature was in the upper 70’s with a clear sky. Ray Marijczuk’s crystal ball told him that he could expect a busy morning, so he brought along his son and son-in-law to help with registration.

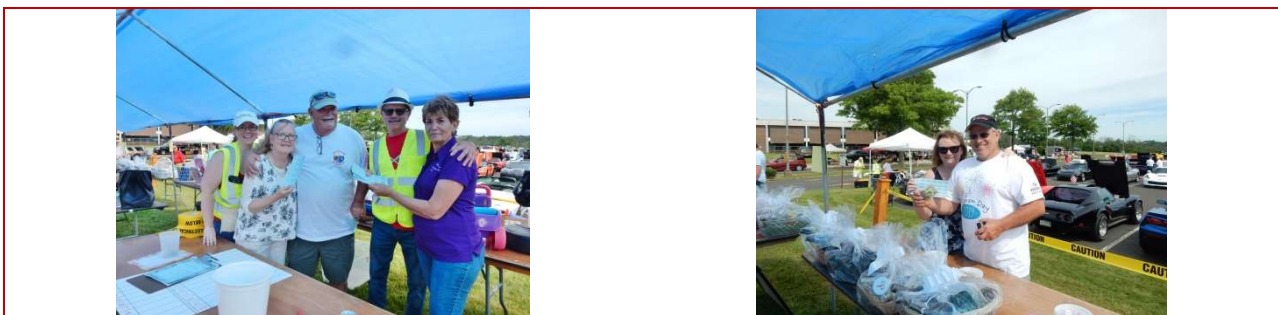

In addition to Bob Bearn managing the Corvette section, this year John Indelicato organized the Custom and Classic Show. Paul Bearn handled the placement of the vendors and later photographed the trophy recipients. Bonnie Montague assisted in the club store along with Denny and Eileen Matlack. Gary Romberger, observed that, “We had a beautiful day for the cavalcade and with everyone working together, it was a great success. Well done everyone, especially Bob and John!”

By mid-morning, a stiff breeze began which rattled a few nerves. The trophies positioned in stately rows went tumbling as those nearby scrambled to grab them and replace them in order. Chris Merlino, the DJ for the day, as well as trivia caller, and general announcer, jumped into action to help rescue the trophies.

Candy Merlino and her crew (Rose Ferrante, Rose Indelicato, Gail Meehan, Tuchi Bearn, Julie Wise and Lorna Bearn) in the auction tent assisted those in the crowd who won the close to 100 auction items donated by club members and local businesses. This group too battled issues with the wind.

Pictured left, Barb Grippo, and her husband Ang stationed in the tent with the pricey items, finally gave up and put the top of the tent down, bowing to the power of Mother Nature's gusto.

Tracey Marijczuk and her team of Barb Pergine, Amy Parente and Ann Grippo were busy from very early in the morning setting up coffee, tea and yummy baked goods. Though disappointed that they didn't sell the quantity of food they expected, the group still brought in a respected amount of profit for the day.

Ann was also given the added responsibility of managing the 50/50 sales and was the archangel guiding three volunteer cherubs who toured the grounds selling 50/50 tickets.

Pattie Lankford, New Membership Chair, (pictured left with Tony Buonassisi), was so busy that she barely had a chance to catch her breath. She signed up ten new members during the show and sent forms home with others who were inquiring about our club. Several more people have registered since the show. Pattie also joined Candy’s auction tent to assist the auction winners pick up their baskets.

Ray and Tracey Marijczuk generously provided their golf cart so that Bob Bearn would be better able to dart from one end of the grounds to another instead of trekking the grounds like last year. In addition to being a boon to Bob, it turned out to be a blessing for one of our guests. Dan Ritting reached out to Bob about an 80-year-old man with a heart condition who was having difficulty navigating the terrain. Bob soared to the gentleman in question, and was quick to transport him to his vehicle.

Our thanks to the following people who participated in the Cavalcade Committee which resulted in a very distinctive **Cavalcade of Corvettes 2019**:

Bob Bearn	Steve Fisher
John and Rose Indelicato	Pattie and T. Wayne Lankford
Candy and Chris Merlino	Tracey and Ray Marijczuk
Jack Householder	John and Barb Pergine

In the end, the success of the day shows that we are more than just an automobile club. We are friends who worked together to accomplish something not only meaningful for the club, but for those in our communities who benefit from the tireless efforts of the Corvette Club of Delaware Valley!
