**L**et me take you back to that yesteryear of 1976. I was living in Philly and dating Sue for about a year. After work, on my way to her house in Conshohocken, I would pass by Moore Chevrolet (which is long gone now) on Fayette Street. At that time, we both drove Plymouth Cudas; her's a '74 dark green with white stripes, vinyl roof & interior with the 318. My '72 all black sinister had a white stripe and the mighty 340 which was straight line brutally fast but couldn't take a tight turn for anything.

Then the day came in May when I finally decided to stop at Moore Chevrolet, just to take a closer "*look*" at the Bright Yellow Stingray sitting behind the showroom window. Well, that's all it took and the rest is history. Ever since that day, Sue has claimed that I've been driving around in her 3-carat diamond ring.

Of course, 2 years later we married and now, 40 years later we're still together and the "Yellow Monster" is still with us. Now Back to the Present.

In spite of being Valentine's Day, we still had a great turnout of Corvette lovers at our February General Membership meeting on February 14, 2019, the second meeting in our new location. (continued)

Here are some of my desires as CCDV Prez:

1. Increase attendance at our meetings, activities & events.
2. Get acquainted with even more of our great Club members.
3. Promote a better feeling of friendship and camaraderie within our Club.
4. Increase our volunteer network in our various committees.
5. Continue our various donations and contributions, and
6. Once again to spend more of our acquired Club treasury on increased events and activities to promote improved attendance from our general membership.

Although it's an aggressive list, with everyone's input and cooperation, I'm confident all or at least most of these items can be accomplished. I welcome each of you to join in if you are not already active. Don't forget that we are always seeking suggestions from our members for: guest speakers, new activities, places to visit and/or caravan to, etc., etc.

Our March membership meeting will include a special surprise. Can you guess what it is?  
Hint: it has to do with someone at the microphone!

*Save the Wave,  
Joel*

PS: The CCDV breakfast on 1/26 was a sellout. Not a lot of Vettes, but plenty of smiling faces! Can't thank Johnny "Bacon" Benischeck enough for organizing this on-going Club activity!

PSS: You know I still can't fathom that CCDV celebrated our 50<sup>th</sup> Anniversary 10 years ago and that now we're 60! When did we become so "vintage"? (I'm sure I'll hear some feedback from this statement).

## **IMPORTANT ANNOUNCEMENT FOR MARCH MEETING**

The CCDV meeting on March 14 will have a review of the features and operation of our new website. Dennis Becker from Parkside Graphics will attend to show you the basic operations and log-in procedures for our new software:

- We will answer most of your questions about using the new website.
- We will have operational computers to assist with a new log-in procedure and demonstrate new and expanded features.

Hope to see you at the March meeting,  
Bob Bearn

## CLUB MEMBERS UPDATE

We have very sad news to announce, Bill Klick, a CCDV member since January 2006 from Hatboro, passed away on Saturday, February 16, 2019. Bill was a gentleman, very well liked among all his fellow CCDV members. He served his country as a Sergeant in the United States Air Force during Vietnam for 4 years and was honorably discharged. He was buried with full military honors. We send our sincere condolences to his wife, Marge, and the entire Klick family.

Joel took a photograph of our club members' corvettes who attended his memorial service held on Saturday, February 22, 2019 at Schneider Funeral Home. Your attendance to honor Bill and your assistance in conveying our club's deepest sympathies to the Klick family is very much appreciated.

RIP Bill. You will be greatly missed!

Hopefully you had the opportunity to attend the 2019 Philly Auto Show in early February to see some of the new autos, especially the newest Corvette.

Congratulations to Joel and Sue Fellman and Joe Parante, members of the CCDV who entered their beautiful corvettes in the Show. Please find a few pictures taken by Julie Wise.

### ***Sunday, February 24, 2019 Roving Breakfast***

Although the day was not cold by February standards, there was an intermittent drizzle in the air – not the best day for driving our beautiful Corvettes.

In spite of this, the weather inside the Eagle Diner, located on Street Road in Warminster, was warm, dry and welcoming. The Eagle's Management had set up two long tables to accommodate the 22 hungry Vettesters who came to this party – including two CCDV Breakfast Prodigal Sons: Dan Wurst and Kerry Duke. Joel Fellman (AKA El Presidente') took several photos included below. Everyone agreed that the food was well-prepared, well-served, and DELICIOUS!

There was much laughter and even more of that good old CCDV Camaraderie. Everyone had a blast!

KUDOS TO JOHN PERGINE, who enlisted a \$100 donation from the Eagle Diner for a 2019 CCDV Cavalcade Trophy.

The twenty-two attending CCDV Vettesters were:

Joan & Kevin Allen	T. Wayne and Pattie Lankford
Johnny Bacon	Eileen and Denny Matlack
Kerry Duke	Tracey and Ray Marijczuk
Joel Fellman	John & Barb Pergine
Stan & Maryanne Fisher	Fran & Joanne Schmidt
Sandy & Richy Joseph	Debbie & Dennis Trays
Dan Wurst

## CECF CORNER

Although I am not on the CECF Board, in my role as President of CCDV, I feel the need to “recognize” and inform all our Club members about recent changes in CECF. For quite some time I think CCDV members have wanted to know more information and to understand the operation and function of CECF. Here are our most recent developments:

1 – The Corvette Enthusiasts Community Foundation (CECF) is the official 501(c)3 charitable foundation formed by CCDV back in May 1995. The foundation allowed us to do much more in the way of tax-free collections and make contributions to positively impact charitable organizations, some of which we have supported for 30 and even 40 + years.

2 - We in-fact have a mostly new CECF Board comprised of the following members:

Joe Parente – President

Charlie Milstein – Vice President

Tim Simmons – Secretary

Steve Howard – Treasurer - with Bob Lear in transition to be Treasurer perhaps later this year.

Ed Scannapieco – Public Relations/Charities & ticket sales

3 – I’m sure that ongoing CECF decisions and actions will result in better open communications with our members and the CCDV Board.

4 – This year, similar to CCDV, it looks like it will be one of re-structure and transition for the new CECF Board members, and therefore;

5 – As of this writing I’m not sure whether or not we will have a Corvette raffle this year. I know to many members, as well as all the external CECF supporters, this “transition” could have somewhat of an adverse reaction, but I believe in the long run, along with most CCDV members that I’ve spoken to, that these changes will be appreciated by the general CCDV membership.

And so I hope that you, our loyal CCDV members will stand by us during this, our time of transition, and continue to support the Club as we move forward.

As always, I thank you all and I’m open and available should you have any questions or concerns.

Joel

**You made Ed's story possible!**

Dear Friend of DAV:

What a wonderful surprise! We are so thankful for your most generous gift of \$1,500.00 and it means so much to us to have you as part of the DAV family. Your support truly matters!

Ed Eustace, one of a million injured veterans we are able to help each year thanks to caring individuals like you, asked us to share with you his touching words.

"When I was injured in the Navy," Ed says, "I knew I couldn't fight the system by myself - and like it or not, it's a fight. Thanks to the advice of other veterans, I reached out to DAV. They took care of *everything* to secure my disability benefits, and I soon learned that DAV is about much more. DAV is about compassion.

"You see, for five years my wife battled cancer. At 31, she was in hospice care, and that's when *DAV reached out to me*. Their care didn't cad with my claim. DAV members were there for me and my young daughter - they brought us meals, flowers, and helped with bills. Because of their care I was able to focus on my wife, and that was *everything*."

"So many events will happen throughout the life of a veteran. I know I have much ahead, and that my injury will impact me for years to come. Knowing DAV will *always* have my back brings me great comfort.

"**Please know that DAV donors like you make everything possible!** I share my story with you to pay it forward. I want all veterans to have access to the caring help I received."

I hope Ed's story has touched you like it has touched me. Thank you for making a lasting difference in the lives of so many deserving injured veterans.

Sincerely,

John A. Barfield, CFRE  
Director, DAV Personal Philanthropy Programs

P.S. To learn more about all the good you are doing, please feel free to call me at 859-442-2349 or email at [jbarfield@dav.org](mailto:jbarfield@dav.org). Thank you again for your entrusting DAV, with its near century of service to veterans and their families, to do the most good with your wonderful support.

*All gifts are fully tax-deductible to the extent of the law. No goods or services were exchanged for this gift.*

*I appreciate your faithfulness in supporting our mission to serve children in need. Thank you so much!*

Mr. Robert Weiss  
The Corvette Enthusiasts Community Foundation  
2600 Philmont Avenue Suite 100  
Huntington Valley PA 19006

Dear Mr. Weiss:

Thank you for the generous \$2,000 gift from the Corvette Enthusiasts Community Foundation (CECF) to Access Services in support of our Youth Outdoor Expedition program.

Back in 2004, our dream of helping at-risk youth through outdoor learning experiences became a reality with the first YOE trip. In the fifteen years since then, we have adapted the program and helped hundreds of youth develop self-esteem, learn collaborative problem solving and conflict resolution skills and other abilities that will serve them throughout their lifetimes.

The CECF has been a consistent supporter of this program since 2013 - we could not do it without you!

Knowing that the intervention we provide over three weeks in the summer is powerful, we are exploring ways to create that experience for youth year-round. In addition to week long summer trips, we are considering adding weekend activities and other events to reinforce the learning, starting in 2020.

A year-round program will require different staffing, curriculum, and community connections; it will also require additional dedicated funding sources. During 2019 we will evaluate, propose additional activities and a budget, and then share our plan with you.

Your gift will help us create a new level of engagement with at-risk youth moving forward.

If you have any questions, or need additional information, please contact Linda Wasilchick, Access Services' Director of Resource Development at 215.540.1150, ext. 1357.

Thank you again for your support.

Sincerely,

Rob Reid
