MESSAGE FROM THE PRESIDENT APRIL 2020

I want to start this message by saying I hope all of our members and their families are staying healthy and making the best of this current virus situation. It won't be long before things will be back to normal as we are a strong nation and always come together when necessary.

The March Board meeting was conducted by a conference call which was a first for me in all my years as President and it went very well. In **February** a budget committee was formed to review our current budget and determine areas for improvement. The budget committee included **Sue Fellman, Tim Simmons, Pete Carrol, Ken Woods** and **Debbie Stacey** with **Joel Fellman** overseeing the process. Three of these members have prior experience as Treasurer of our Club and brought to the table many years of financial experience. They did a fantastic job and I appreciate their time and efforts in helping me move forward in keeping our Club a premier organization. I invited **Sue Fellman** to the call and to be the spokesperson for the committee and present their recommendations to the Board. We discussed them and voted on **five** of the **six recommendations**, and closed the discussion with **one** being tabled for the **April** Board meeting. Nice job **Sue** with your presentation! I intend to discuss the recommendations at the **May** General Membership meeting should we have a meeting. If not, they will be listed in the Gas Cap for everyone's acknowledgement.

The **March** General Membership meeting was canceled as well as other events for the month. But the good thing and thanks to **Julie Wise** is that the Gas Cap will still be produced each month for us all to read and stay up to date.

The **VFW of Warminster** has a Memorial Day Parade on **May 31st** and they are looking for CCDV Club Members to drive their Corvettes in the parade. I feel this is something we can do in appreciation for them allowing us to use their facility each month. Let's show our support with a lot of our cars in the parade. We will provide more information about the parade as we come closer to the date. More details will be given in the next issue of the Gas Cap.

I wish you and your families the best. Stay safe and healthy!

Ed

The CCDV monthly General Membership Meeting scheduled for April 15, 2020 and the Cruise Night scheduled for April 18, 2020 have both been cancelled. Please visit the CCDV website for future updates.

PUBLIC RELATIONS' CORNER

Please find a copy of the letter the Club received from the National Corvette Museum (NCM) in appreciation for our donation (in the form of a commemorative tile) to the NCM. The tile has been placed in the entryway, right wall and is pictured below:

Dear Corvette Club of Delaware Valley,

Thank you for your purchase of a National Corvette Museum Commemorative tile. The success of the Museum depends on the generous support of persons like you.

Your tile is located in the original entryway of the National Corvette Museum. These tiles represent the widespread support from individuals, clubs, and businesses across America and the world.

Your contribution is very important and helps further the mission of the Museum to celebrate the Corvette's invention and to preserve the legendary automobile's past, present, and future.

We appreciate your interest in becoming a part of Corvette history. Again, many thanks for your support. Hope you can visit us soon!

Best wishes,

CECF CORNER

Hello CCDV Club Members,

In light of recent news about the Coronavirus, we have made changes to the prizes for this year's CECF Raffle. Rather than offering a cruise as the major prize, we will be offering an All-Inclusive Caribbean vacation for two. The cash value for this vacation is up to \$4,000.00, an increase in value of \$1,000.00 over last year. The winner will have up to one year from the date of the raffle to take the trip. As another option, if the winner changes his or her mind, they may elect to receive the \$4,000.00 as a cash prize or elect the cash prize as their first choice.

We would once again like to thank all club members for their participation. Tickets will be available at the monthly general membership meetings. We invite each of you to participate by purchasing at least one ticket. It is through this raffle that we raise funds to support the non-profit organizations such as the Sunshine Foundation each year. Our fundraising activities certainly make an impact for many families throughout our local communities. Your support makes the CCDV a great club.

Once again, thank you,

The Board of CECF

Thank you to our 2020 Cavalcade Sponsors:

In 1994 the Corvette Club of Delaware Valley (CCDV) created the Corvette Enthusiast Community Foundation (CECF) so that the monies the club raised through the annual Cavalcade of Corvettes and the sale of Corvette raffle tickets could be donated to various non-profit organizations within our communities. For decades the CCDV has been holding the **Cavalcade of Corvettes** and donating the proceeds to the **Sunshine Foundation, Juvenile Diabetes and many other local organizations**. As the club grew, so did the amount of money we raised. Since it was founded, the CECF has raised over \$500,000 for charitable organizations who support families who have children with special needs, people with illnesses and local food banks.
