I hope everybody is staying healthy and ready to start participating in the club events throughout the year. Spring is almost here.

The **February** Board meeting was very productive and everyone is eager to start bringing on the planned events and activities. This year's Board members are the most aggressive I've seen in years and their motivation to work together is fantastic.

It's going to be a great year for the club and the membership. And as always we are looking for our members to volunteer their time in assisting with the activities and events.

I am still looking for an **Activities Chairperson** to oversee all the events and a **Technical Chairperson** to be a communication link in getting answer or give direction for technical questions. Both these positions are Board positions with voting rights.

The **March** General Membership will be at the **Warminster VFW** on the **16th** starting at **7:00 pm**. Our guest speaker will be **Trish Gohl** from an organization called '**No Dogs Gets Left Behind**'. This organization reunite the soldiers returning from **Iraq** and **Afghanistan** with the dog they adopted while serving in these regions. A Service Dog named '**Meatballs**' will be in attendance with **Trish**. You will fully appreciate their efforts in doing this after hearing her speak.

The web site continues to get better every month. You can see what it looks like by going to the website (www.ccdv.com). Should you have problems logging in contact **Tom Weigand** at Tomweigand@comcast.net. If you have any pictures to submit from past activities send them to **Tom**.

I wish you and your families the best!

The CCDV ROVING BREAKFAST at Otto's Brauhaus, 2/12/22

Otto's Brauhaus is located on Easton Road in Horsham.

This eatery was recommended by Kevin & Joan Allen.

It was a beautiful chilly day to drive to Otto's, and thankfully the streets were clean, with no salt residue.

10 Corvettes adorned the parking lot, including the sharp Silver C-6 of our new member Shari Pfrommer, who brought her daughter Jamie. Shari realized her life-long dream of owning a Corvette when she found and purchased this red-interioered C-6.

We had an excellent turnout with 34 hungry CCDV Vettesters showing Up to chow Down. And we welcomed Prodigal Sons and Daughters: Al DePeu, Stan & Maryann Fisher, Phil & Leslie Amann, Joel Fellman, and Peter & Stella Nikolopoulos, all of whom we haven't had the pleasure of breakfasting with for a while.

We ordered from a limited menu. The food was delicious, (although my bacon was limp) but everyone had a great time! The laughs and smiles were constant!

These monthly Roving Breakfasts are a great way for new members to try an activity and to meet the great bunch of fun members in this club. The 34 attending CCDVers were:

Fran & Joanne Schmidt...and...Shari & Jamie Pfrommer,
and Phil & Leslie Amann, and Tim Simmons, and Bob & Jahn Landis,
Denny & Eileen Matlack...and... Maryanne & Stan Fisher
Joan Allen...and...Candy & Chris Merlino...and Joel Fellman

Peter & Stella Nikolopoulos ...and...Tracey & Ray Marijczuk
Cliff & Evelyn Hamilton ...and... Al DePue...and Jack N Dor DeLong
Jeff & Chris Biscardi...and... John & Kathy Benischeck.

On Saturday, March 12th we'll breakfast at Santiago's Family Restaurant in Horsham at 9:30am.

I hope that you can make it.

FEATURED ARTICLE

He was supposed to sell it the next day...

The best laid plans sometimes literally get flipped, kind of like how this C8

Corvette wrecked out when the driver took it out for one "last hurrah" before selling it. It's one of those stories that's too funny it seems almost staged, but a local report details out how Spencer Everette of Greenville, North Carolina just couldn't handle the power of his mid-engine American sports car.

Highway 11 and Station Mill Road was the scene of the accident, which happened on August 23 just before 2 in the afternoon. Everette had arranged to sell his 2020 Chevrolet Corvette Stingray the following day. To celebrate and enjoy the sports car one last time, he took it out on a drive.

According to Everette, when he reached Highway 11 he "gunned" it, dropping the hammer to feel some thrilling acceleration. However, what he got was his Chevy careening out of control as his skills were outstripped by the performance. The C8 Corvette ran off the road and ended up in a ditch where it rolled, finally coming to rest on its side.

Everette wasn't hurt in the crash, so he's lucky. However, the man is reportedly being charged for reckless driving. Let this be a lesson to anyone who thinks they should gun it when they can't handle the car they're driving. Know your limits and stay within them, especially when you're about to sell the car you're driving.

We don't know to whom Everette was going to sell his 2020 C8 Corvette, but the mid-engine sports cars are in high demand, so the arrangement might have been for top dollar. It's doubtful his insurance payout will be as generous, plus he's likely to pay a hefty fine on top of everything.
