October 2022

MESSAGE FROM THE PRESIDENT

The summer is now behind us and what a great summer the club had with all the events, car shows and club meetings!! As Fall quickly approaches, there are still lots of events and meetings planned for the next couple of months.

At the **September General Meeting** I presented 3 members with a **25 consecutive year membership** plaque, please join me in congratulating **Bill Burkholder, Tom Smith and Brian Canty**. Congratulations to everyone for your loyalty and dedication to our club.

The Golden Shaft award this month was given to **Barb Pergine** for her role in successfully planning 6 events this year and stepping up to oversee the picnic/BBQ at our September GM meeting since **John Benischeck** could not attend the meeting. Great job Barb!!

The September General Membership meeting along with the picnic/BBQ went very well with approximately 76 members in attendance. **Dave Petersen was our guest speaker** and spoke about the electric car situation with General Motors. He explained what Bryner Chevrolet is doing to comply with this major transition. **Thanks Dave, for the update and very informative talk.**

A Day at the Beach, The Ocean City Boardwalk Corvette Show on September 11th went as planned, although it rained off and on throughout the day there weren't as many corvettes as usual, but still a good turnout from the club.

CECF Raffle tickets are still on sale!! The proceeds from the sale of these tickets help with our donations to our local charities. Drawing will be November 16th. Please consider giving!

I am still **looking to fill the Technical Chairperson position** who will be a communication link in getting an answer or give direction for technical questions. The **position is a Board position** with voting rights. **Joel Fellman is temporarily filling in for this position**, please consider volunteering your time to help out the club.

I am also **looking for a person(s) to take over the club store** as **Denny and Eileen Matlock** will be stepping down at the end of the year.

This month's General Membership meeting will be at the Warminster VFW on October 19th starting at 7:00 pm.

I wish you and your families the best

Ed

WELCOME NEW CCDV MEMBERS!

WE NEED YOUR VOTE - CCDV BOARD ELECTIONS

Ed Bonk has offered his services to run for CCDV President and has submitted his slate of officers for 2023 as follows:

President: Ed Bonk
Vice President: Tom Weigand
Corporate Secretary: Dennis Traves
Recording Secretary: Candy Merlino
Treasurer: Tim Simmons
No other slate was submitted.

The following CCDV members in alphabetical order have submitted their names to be placed on the ballot for the eight (8) Board Members at Large positions:

John Benischeck	Jacques Etkowicz
Rose Ferrante	Angelo Grippo
Zach Hamada	Penelope Hunt
Barb Pergine	

Don't forget, nominations for **board positions** can be taken from the floor on the night of the election. **Absentee ballots will be available should you know, you will be unable to attend the November general membership meeting at Warminster VFW.**

- To receive an absentee ballot, please contact me, Rose Ferrante, via the club phone 215-938-7722 or you may also use e-mail to request your ballot. Please direct the email to rferrante@fonnerinsurance.com and make sure to indicate "CCDV Absentee Ballot Request" in the subject line.

- A ballot **cannot** be emailed; you must receive an original ballot from the club. It would be a great help to include your full name and mailing address when you request the ballot as well as your phone number in the event, we would have misinformation on our membership list.

- It is important to contact me as soon as possible due to the time sensitivity in

receiving the ballots prior to the November meeting.

- All absentee ballots must be received by Rose Ferrante no later than the day prior to our November club meeting (11/9/22).

- If you require a spousal ballot, please include that information in your email as well.

- Please note: The ballots that are cast at the meeting are anonymous. The absentee ballot is also anonymous, but the return envelope will include your name on it and the envelope must be signed. This step is necessary to keep track so there is no duplication of votes.

- If you request and return an absentee ballot, you may still attend the November meeting to vote, and your absentee Ballot will be discarded at that time. **No electronic return of a ballot will be accepted** . **All absentee ballots must be returned in the signed envelope provided.** They can be accepted, by Rose in person anytime up to the day before the meeting, as long as they are in the envelope provided and it is signed. (As a convenience, there will be a limited # of absentee ballots available at the October meeting).

Thank you for supporting the club and exercising your right to choose the people to represent and work for you in this great club of ours!

Sincerely,

Rose Ferrante & Candy Merlino

A MESSAGE FROM THE CORVETTE ENTHUSIAST COMMUNITY FOUNDATION (CECF)

Hello Club Members,

The Board of The Corvette Enthusiast Community Foundation is hoping that you and your families are in the best of health. We are seeing nice participation from our members who are able to make it to the meetings, but we also need our members who are unable to make it to the meetings to help our charities. Even if you purchase one ticket your donation will help our charities. These past couple of years have been so difficult for the club and its members, but there are so many children who are terminally ill, some families are struggling to make ends meet. This is what we do as a club to support those charities.

If you go online to www.ceccharities.org you may purchase tickets by using a credit card or pay pal. Once a ticket is purchased and you leave your e-mail I will send you copies of your ticket. We are coming down to the wire to support our ticket sales. So I would like to take a moment to thank all of the members who have sold tickets this year, you are truly very special.

A special thanks to our president Ed Bonk who has rallied the troops in the club and with some of our veterans. I would like to also thank Bob Weiss, Jeff Hey, Joe Remich, and Steve Howard for their many years of service

in their participation and creation of the Corvette Enthusiast Community Foundation.

There will be three positions that are opened in the Charitable Foundation. We are asking club members to step up and be a part of this great Foundation. If you choose to do so please contact Rose Ferante at the October meeting tickets will still be available and anyone who has sold tickets, please bring them in so we can account for them in our records.

Mark your calendar!!

November 16, 2022 we will have our raffle and we will help those in need!!

Thank You,

The Board of CECF

THE GOLDEN SHAFT AWARD

This is an award presented by the President to a member of the club for outstanding service.

This month's recipient was
Barbara Pergine
Thank you, Barb, for always stepping up!!

The winner receives bar privileges for the night.

CONGRATULATIONS TO OUR CCDV 25 YEAR MEMBERS!!

Congratulations to Our CCDV Members for the last 25 years!!

A DAY AT THE BEACH OCEAN CITY'S BOARDWALK CORVETTE SHOW

The show had 425 Corvettes registered and 37 of them were the Corvette Club of Delaware Valley. It is a rain or shine show and because of the off and on rain that fell all afternoon only 250 Corvettes showed up with 20 from our club. It was a long day for me as I was up at 4:30am to meet members at my old Restaurant and Sports bar at 6:00am in the Franklin Mills complex in Northeast Philly. We then caravanned to the Frank S. Farley Plaza to meet other members there at 7:00am and then on to meet Joel Fellman in Sommers Point at 8:00am. Then we all processed to the staging area at 5th street in Ocean City. Once on the Boardwalk the tops went down, then up, then down, then up, throughout the afternoon. I quit the up and downs after the second time. I had enough as I was afraid to leave my car any great distance.

At the end of the show, I had to walk about a mile to the pavilion where the trophies were awarded. I had a rain jacket and umbrella in the car, but because it was not raining at the time, I left them in the car. Well guess what, on the way back to my car it started pouring and I got soaked! So much for being prepared with my jacket and umbrella! lol

On a lighter side of the day the club did well with getting awarded. **Seven** trophies and the **\$100.00** Swizzle stick for **"Most Cars in the Show"** was one by our members...

- 1) **Favorite C1** – Russ Thomas
- 2) **Favorite C2** - Don Lemek
- 3) **Favorite C3** – Leroy Blimegger
- 4) **Favorite C4** – Ron Rahmer
- 5) **Favorite C8** – Joe Parente
- 6) **Favorite Place to Park Your Butt** - Sherry Bresler
- 7) **Farthest Travel Club** – Corvette Club of Delaware Valley

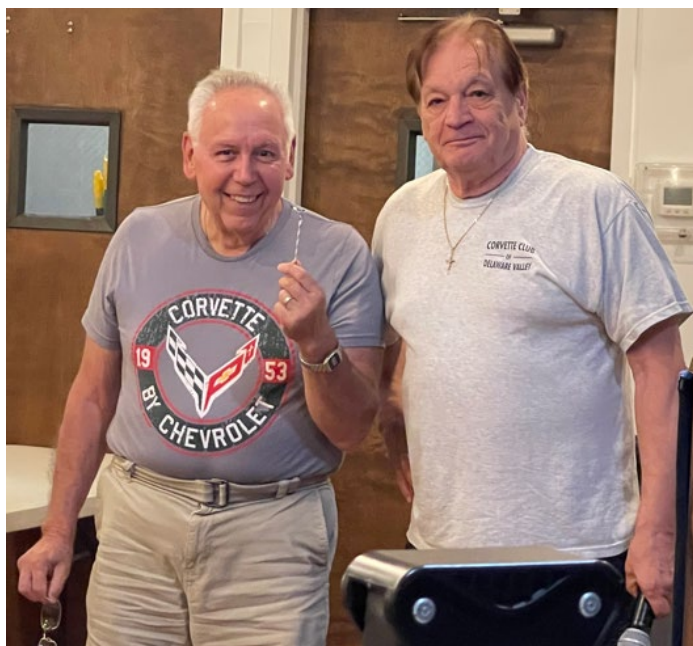

Note: The club won by default as the **Staten Island Corvette Club** won, but nobody showed up from the club

8) **Most Club Cars Attending** - Corvette Club of Delaware Valley with **20 cars**

Note: The **Lakes Corvette club of New Jersey** was right behind us with **17 cars** in the show

At the **September** General Membership meeting, all members who were in the show were put into a drawing and a name was drawn to win the \$100 Swizzle Stick.

Al Lamanna was the lucky winner!!

A DAY AT THE BEACH OCEAN CITY'S BOARDWALK CORVETTE SHOW (CONT'D)

Congratulations to all the winners and a huge "Thank You" goes out to all who attended the show. As of today, the 2023 Boardwalk Show for next year is **32%** full. If you want to be in the show next year register early!

Ed

This was sent to you by Boardwalk Corvettes

A Message from Boardwalk Corvettes:

Thank you to the 200 who braved the weather to attend the show on September 11th. Along with Boardwalk Corvettes members, we were able to span the boardwalk single file from 14th to 6th streets.

If you didn't get a chance to purchase a show t-shirt, you can do so by going to our website www.boardwalkcorvettesAC.com and scrolling down to shirt sales. Shirts are \$25 including shipping. Sizes are limited.

Next year's show is already 32% full. If you plan to attend, and have not already done so, you can register for next years shows at www.boardwalkcorvettesAC.com .

Thank you again for your support of 'A Day at the Beach Corvette Style',

CCDV ROVING BREAKFAST

The CCDV ROVING BREAKFAST at THE FRANCONIA SQUARE CAFE, September 10, 2022

The Franconia Square Café is located in Souderton, PA. This eatery was recommended by Joan & Kevin Allen and also by Kerry Duke.

We were granted a private room for our festivities. This month, the coffee came quickly! The food was hot and delicious, and everyone had a great time at our morning party! The laughs and smiles were constant!

We were joined by five fun “newbie breakfasters”: Wayne Paskel, Bob & Chris Dreyer, and Phyllis & Henry Shupp. And “Welcome Back” to Richy Josephs, who made the trip through horrendous traffic from center city Philly! Jeff & Julie Kauf drove their gorgeous new 2023 C-8 (in Red Mist Metallic Tintcoat), which we all admired.

These monthly Roving Breakfasts are a great way for new members to try an activity, and to meet the great bunch of fun members in this club. The 25 attending CCDVers were:

Fran Schmidt...and...Joan & Kevin Allen...and...Kerry Duke
Barb Pergine ...and Wayne Paskel...and Bruce & Linda Houser
Henry & Phyllis Shupp...and...Chris & Jeff Biscardi
Jeff & Julie Kauf... and...Candy Merlino...and..Ray & Tracey Marijczuk
Bob & Jahn Landis...and Richy Josephs...and Bob & Chris Dreyer
Denny & Eileen Matlack...and...John (Johnny Bacon) Benischeck.

On Saturday, October 15th
we'll breakfast at
The EAGLE DINER in
Warminster at 9:30am.

I hope that you can make it!

DINNER AT MAGERKS

**Saturday, September 24th
– Dinner at MaGerks Pub**

**307 Horsham Road
Horsham, PA**

We had a fun time again at our monthly CCDV dinner, this time at MaGerks Pub in Horsham. They didn't take reservations, so we went a bit early to secure two tables next to each other by the time everyone else arrived. We had 20 Vettsters in attendance, and yes, we did get a bit loud. The food was very good as usual and the beers too!! Our waitresses did a good job and got everything right.

We were glad to see some of our newer members again and we got to see some folks that we haven't seen for a while. So, that's why I forgot to take some pictures because I was busy talking. Sorry!! We stayed for a few hours catching up with everyone.

Those in attendance:

Ray & Tracy Marijczuk, Kevin & Ann Marie Allen, Dave & Terry Urbanek
Denny & Eileen Matlack, Bruce & Linda Houser, Henry & Phyllis Shupp
Bob & Chris Dreyer, Cliff & Evelyn Hamilton, John & Rose Indelicato,
John and myself.

Next month's dinner will be at Giovanni's.

Please join us!

TRANSPARENT REMOVEABLE ROOF PANELS FOR C-7 AND C-8 CORVETTES

September 2022

TRANSPARENT REMOVABLE ROOF PANEL for C-7 AND C-8 CORVETTES

Going all the way back to my C-4 days, and through the C-5, C-6, C-7 and now the C-8 Corvette, I have always liked the dual roof option of having an opaque top for the summer months but having the added interior light and visibility offered by a transparent roof panel in the Fall, Winter and Spring months. There is nothing better than autumn in New England or the Florida Keys in February as seen through a transparent roof panel.

The design of the C-4, C-5 and C-6 with the B-pillar halo going across the car made the transparent top seem esthetic and a part of the car – not an afterthought. However, starting with C-7 and now C-8 the transparent roof panel looked unfinished as if the transparent top was an afterthought. Chevy must have had a similar observation as the optional visible carbon fiber roof panel came from the factory with a “body-colored surround” – the exact words on the order form. Is it possible to paint the transparent top so that it looks identical to the factory painted carbon fiber panel? The answer is “Yes”, it can be done!

My first effort at painting the surround on a transparent top came soon after I took delivery of our white 2014 coupe with the dual roof option that being the carbon fiber panel with the body-colored surround and the transparent panel.

No, I did not do the painting, but knew from previous unfortunate experiences of a noted Corvette body shop, now out of business, to perform the surround painting

on my 2014 transparent roof panel. The photograph shows this panel painted white in 2014 and still in perfect condition seven years later and with many, many thousands of miles of exposure to the elements. Experience and being 'willing to try' makes things happen.

I knew from the first time I put the transparent top on the new C-8 and how it looked so unfinished - like hanging in space - which I had to correct the situation and make it look like the carbon fiber roof panel with the factory painted surround. From recommendations of other Corvette enthusiasts, I approached the John McShane Auto Body Shop in Southampton, Pennsylvania and spoke directly to John McShane. After our first meeting I knew I had the right person for the project. A number of test pieces were made to make absolutely sure that the color was a perfect match and then the transparent roof panel surrounds both sides were painted by John's master painter.

The process requires five steps not including consultations with the paint vendors, and here is what was done:

1. Mask off and scuff the areas to be painted
2. Apply an adhesion promoter
3. Apply a sealer and allow for an adequate curing time (for my top, overnight cure)
4. Apply the Red Mist Base Coat
5. Finally apply the finish clear coat

The end result was a perfect match and Red Mist is an optional Corvette color that is indeed a challenge, and the test panels were worth the effort. That was evident in the final color match to the factory paint job. Perfect match! Way to go pros.

With the transparent top installed the whole interior of the C-8 is so much brighter and it also adds to a feeling of more interior room and of course you can see everything overhead like those beautiful white fluffy

clouds floating on a dark blue sky. I will from previously experience keep the transparent top on from September to early May and only use the carbon fiber opaque top during the summer and those times of intense summer sun. And it is so rewarding that the painted transparent top looks almost identical to the very expensive factory painted carbon fiber roof panel except when viewed looking down being inches away from the top. I sincerely believe that almost no one will ever know which top is on the car, not that it matters anyway.

John McShane and his staff did a perfect job, actually two tops were done the other from another CCDV club member also Red Mist, and at all times we were kept informed and the end result is exactly as I hoped it would be.

SEPTEMBER'S CRUISE NIGHT

The September Cruise Night was a huge success even though Mother Nature kept the humidity on the high side. The turnout with everyone's beautiful cars, trucks and motorcycles was awesome!

Since this was our last Cruise Night of the year, we always make it appreciation night for all those who come out and support our events throughout the summer. We gave away 144 hotdogs which were donated by Wayne Paskel. Thanks Wayne!

Candy's crew sold all of the 40 pretzels, tomato pie, waters & sodas which brought in another \$177. Way to go! Thanks to Chris Merlino, Rose Ferrante, Tony Buonassisi, Penny Hunt, Gail Meehan, Tracey Marijczuk and John Benischeck. The 50/50 drawing brought in \$106.

Thank you again to Candy and Chris Merlino who bring the trailer every month and unload and load it back up again with everything needed that makes this event successful for all these years. Thanks for everything you do for the club.

Our trophy winners were:

Andy Thierry – 2023 Red C8 Coupe

Don Darnell – 2001 Silver Ford Mustang

Bruce Blumenthal – 2015 Red Corvette.

Congratulations to all the winners!!
