

The Gas Cap

March 2023

MESSAGE FROM THE PRESIDENT

As I write this Presidents message the temperature outside is approaching **70** degrees. For February I love it as I don't like the cold and snow!! I bet that right now the skiers in the club have some choice words for me right now. LOL

The **February** General Membership meeting was a great night as I finally got my good friend **Frankie Lazaar** to come to the meeting as my guest speaker. **Frankie** worked for **NFL Films** for **30** years and started as an employee who mopped floors and worked his way up to be a **Video Technician**. In those **30** years he videoed football games in all **32** football stadiums. He said the coldest game he worked was a championship game at **Lambeau Field** with the temperature at **-27** degrees and the wind chill factor **-57** degrees. I wouldn't last past the opening kickoff. During those years he was selected to video **25** Super Bowls which is quite an accomplishment. Additionally, during those years, he won 2 Emmy awards.

The **Golden Shaft** award was given to **Tim Simmons**, the club **Treasurer**. Throughout his **50** years in the club, he has taken on many roles and during **2022** he assumed the role of **Membership Chairperson**. A special 'Thank you' to **Tim** for stepping up when needed in support of the club.

I am still looking to fill the **Technical Chairperson** position who will be a communication link in getting an answer or give direction for technical questions. The position is a Board positions with voting rights. **Joel Fellman** is temporarily filling in this position. Additionally, I am looking for a member to take on the role of **Gas Cap** editor as our current editor, **Carole Canazaro** will be putting more focus on her personal and family commitments in **2023**. The position is also a Board position with voting rights. Contact me if you're interested in more details as to what is involved. On average a minimal amount of time (**2 hours**) is required each month in putting the information together.

The **March** General Membership will be at the **Warminster VFW** on the **15th**, starting at **7:00 pm**.

As a side note the **New Jersey Ocean City Boardwalk Corvette Show** is filling up quickly so I suggest not waiting if you are interested in putting your car in the show. There are only **110** openings left out of the **425** allowed. You can register on-line at their web site.

I wish you and your families the best

Ed

Meet Phil Curren Automotive Art

[About Me \(philcurren.com\)](http://philcurren.com)

I'm an accidental artist with a love of automobiles.

I spent 30 years in public service as a firefighter, fire chief, and fire inspector in Ohio before retiring to Florida. I didn't stop working though. I joined my brother at his classic automotive restoration shop, Coventry Classics, restoring Jaguars and other vehicles. Now I build and paint custom Adirondack-style chairs that look like cars.

The first chair I ever painted was as a birthday gift to my brother. I saw a chair at the store and thought the shape was similar enough to transform into his Jaguar XK120. Everyone loved the way it looked sitting next to his pool and encouraged me to make more. I loved the idea of usable art and my experience at Coventry Classics had made me love hearing the stories of each client's car, whether it was a barn find or had been in the family for years.

I made a few chairs and started going to art shows where people would ask for more information or a business card. I wasn't sure I wanted to evolve my hobby into a business, but my daughter insisted I had something special that people would want. A day later, I was told I had a Facebook page. Three days later, I was sent a link to my website. A week later, I found business cards in my mailbox. I was in business.

Art was never a business for me. It was usually about making a little extra money or creating a beautiful gift. For many years, I painted portraits in oil and watercolors, and once worked for an airbrush photo restoration company where I would take old photos with water damage or tears, and airbrush the missing elements back into them. Airbrushing was the original Photoshop – I could remove unwanted objects or add people to an image. I also airbrushed murals onto the sides of vans.

I'm old school. I care about the product and the craftsmanship. When my clients custom order chairs, it's sometimes about the car, but more often than not, it's the memories associated with that year, make, and model. I love hearing the stories.

Often I'm able to incorporate details from the stories into the art – the personalized license plates, the colors, the locations, or the people. I focus on what is important to you. Sometimes the chairs are gifts and when people receive them, they do notice the customization – the tires, the fuzzy dice, or the research I did to ensure the accuracy of the year, make, and model. Having stripped down and rebuilt cars, both with my brother and on my own, for more than 40 years, I know how important every nut and bolt is.

****I AM NOT TAKING ORDERS AT THIS TIME.
I WILL MAKE AN ANNOUNCEMENT HERE
AND ON FACEBOOK WHEN MY SHOP HAS
REOPENED.**

When my brother passed away in November 2015 from cancer, his shop closed and I chose to focus more on my art. He had restored hundreds of beautiful automobiles over his career and brought joy to so many car lovers. I wanted to continue to bring that same joy to others.

I do all of the carving and painting on these chairs myself. It takes about 4-5 weeks to complete each piece. I rely heavily upon photos submitted by clients, but I also carefully research each piece to ensure accuracy.

These aren't just chairs, but beautiful pieces of commissioned art, designed to reflect your memories and your love of that vehicle. While the chairs are completely functional as furniture, I know many of my clients treasure them as prized possessions.

Even my business cards look like chairs!

CCDV ROVING BREAKFAST

Warmnster West Diner 2/11/23

The CCDV BREAKFAST at WARMINSTER WEST DINER, 2/11/23

The Warminster West Diner is located on Street Road in Warminster – a stone's throw away from where our monthly General Meetings are held. This eatery was recommended by Jeff & Julie Kauf. Amazingly, it was a clear Winter day, with no salt on the roads, so some of our Corvettes decorated the parking lot. Jeff & Julie Kauf's metallic red C-8 was simply glowing on the end parking space – signifying CCDV's arrival.

We 22 CCDVers were seated at one loooong table. We welcomed the returning Prodigal Son Breakfaster Kerry Duke, who is now a Board Member of CCDV. But, the Big Story on Action News today is: Rose Indelicato is BACK!!! ...back to her normal fun-loving, happy self! (It's soooooo great to see Rose feeling well again. Our prayers have been answered, and after 10 months of jaw pain, Rose is finally pain-free!!) There were lots of laughs and interesting conversation and the smiles were constant!

These monthly Roving Breakfasts are a great way for new members to try an activity and to meet the great bunch of fun members in this club.

The 22 attending CCDVers were:

Bruce & Linda Houser	Pete & Stella Nikolopolous
Joan & Kevin Allen	Fran & Barry Hunsicker
Wayne & Linda Zaks	Paul McMullin & Barbara Blenheim
Stan & Maryann Fisher	John & Rose Indelicato
Candy Merlino	Kerry Duke
Bob & Jahn Landis	John & Kathy Benischeck.

On Saturday, March 11th we'll breakfast at Santiago's (formerly known as The Parkside Café) in Horsham at 9:30am.

I hope that you can make it.

DINNER AT GIUSEPPE'S

Sunday, February 25, 2023

THE CCDV DINNER AT GIUSEPPE'S PIZZA & FAMILY RESTAURANT, February 25, 2023

Giuseppe's is located on Street Road in Warminster. Our own Barbara Pergine has been organizing the monthly CCDV dinners. However, Barb and "Car Show John" Pergine were vacationing for 5 weeks in Arizona, so I organized February's Dinner.

Fortunately, due to the size of our party, we were given a private room. For the first half hour, the event was like a cocktail party, minus the cocktails and hors d'oeuvres. There were 20 happy & hungry people, laughing and milling around, and catching up with their friends. We were seated at four round tables, which were the perfect size for generating conversations. Giuseppe's has a large and varied menu, offering everything from pizza and sandwiches, to salads and all of the traditional Italian entrees. The food was delicious, and we all had a wonderful time. It seemed like no one wanted to leave.

The party animals were:

Jeff & Julie Kauf, Bob & Jahn Landis, Annamarie & Kevin Allen, Candy & Chris Merlino, Paul McMullin & Barbara Blenheim, Wayne & Linda Zaks, Bruce & Linda Houser (soon to vacation for 2 weeks in Florida), Hank & Phyllis Shupp (fresh off several Cruises out of Florida), Tracey & Ray Marijczuk (who drove in from Hershey for our event), and John & Kathy Benischeck.
