

The Gas Cap September 2023

A Monthly Publication of the Corvette Club of Delaware Valley

MESSAGE FROM THE PRESIDENT

I am writing this message a day before driving out to **Carlisle** to attend the biggest Corvette show on the Planet Earth. On Friday I was invited to attend the Celebrity luncheon with Corvette engineers and key staff from **Detroit** and **Bowling Green** as well as great people from other Corvette clubs. I also get to select a Corvette that I like to get an award which is presented to the owner on Saturday. I stay at the **Comfort Suites** in downtown **Carlisle** and get to watch the parade Saturday evening and party with the band and people on **Hanover** Street at night. I'll give an update in my **October** President message on how it went overall.

During the **August** General Membership meeting our guest speaker was **Brian Damiani** who owns '**Classic Rock Auto Detailing**'. Brian spoke about what his shop does when detailing cars and the products he uses.

I presented the **25** consecutive year membership plaque to myself, as I have been a member since **1999**. Congratulations to me for my loyalty and dedication to our club. **LOL!** The **Golden Shaft** award was presented in absentia to **John Pergine** who has done an exceptional job raising over **\$4000** dollars from sponsors to be used for the '**Cavalcade of Corvettes**' show. Thank you, John, for your effort in raising this amount of money.

I continue to look for guest speakers for the meeting so if you know a person who might like to be a guest speaker let me know. The topic does not have to be car related provided it is an interesting topic for the attendees to listen to as well as learn something new. I am also looking for volunteers to help with our big Corvette show, the '**Cavalcade of Corvettes**' on Saturday September **23rd** at the **Middle Bucks Institute of Technology** in **Jamison**. Contact me or any Board member to volunteer.

The **Ocean City Boardwalk Corvette** show will be on **September 10th** and if your Corvette is already registered to be on the Boardwalk, and you want to caravan with me, then meet me at my old restaurant (Katie O'Donnell's) now **Nick's Roast Beef** in the Franklin Mills Philadelphia complex at **6:00 am**. You can also meet up with us at the **Frank Farley Plaza** on the Atlantic City expressway at **7:15 am**. We will then caravan to the **Josie Kelly's** restaurant in **Summers Point**. Call me if you have any questions (**267-253-7460**)

Corvette Enthusiasts Community Foundation (CECF)

The Corvette Enthusiasts Community Foundation

The Corvette Enthusiasts Community Foundation was formed in 1994 as a 501c.3 tax exempt organization by the members of the Corvette Club of Delaware Valley to be used to conduct tax advantaged charitable giving and educational scholarship activities of the club. Our foundation has contributed to date \$551,000 to worthy causes including The Sunshine Foundation, Juvenile Diabetes Foundation, many local food banks including Manna on Main Street, Mattie Dixon Community Cupboard, Caring for Friends, as well as other local community organizations such as Lenape Valley Foundation, Foster Angels on Earth, Philadelphia Vietnam Veterans Society, and many others.

The Officers and Board of Directors would like you to consider ways you might contribute towards our charitable giving. Many of us have been very fortunate and might consider donating something of value that the foundation could monetize. Of course, cash donations are always welcome. Our foundation does receive some cash donations each year. You might prefer to sell something that is no longer used by you and consider donating a portion or all the proceeds to the foundation. You might possibly be thinking about downsizing your collection and want to donate an automobile to our foundation. You might want to consider a Directive in your Trust or Will to benefit the Corvette Enthusiasts Community Foundation. While overall the raffle this year was a success, there are some concerns regarding club member participation.

Here are some facts regarding this past year's raffle:

- A total of 1402 tickets were sold, totaling \$28,040.
- However, more than half (764) of the tickets were sold by only 2 club members
- Total Club Membership is 363. Only 36 club members participated and only 12 CCDV Board members participated. This level of participation is not a recipe for future success.
- This is your club and your foundation.

The CECF Board has given significant thought to how CECF can and should conduct fund raising this year and in future years as well. To be successful, we need as much participation as possible from club members.

Corvette Enthusiasts Community Foundation (CECF) (cont'd)

To continue our charitable giving the Officers and Board of Directors would like to form a CECF Raffle Committee. We are seeking three or four volunteers. Please contact Charles Milstein, Bob Lear or Chris Merlino. We need to determine from the CCDV club members their level of interest in a raffle. What type of raffle? How we should go about conducting the raffle, etc. We need to know what club members want and are willing to support.

This committee would report to the CECF Board and would be responsible for planning and conducting fund raising for our foundation by raffle or other means and should be a minimum of three people from the club. To be successful we need to get some fresh perspectives and ideas to generate the member participation necessary for success. These are our thoughts.

We welcome yours!!

Charles Milstein, President
Chris Merlino, Secretary
Bob Lear, Treasurer

CRUISE NIGHT AUGUST 19TH !

It was a wonderful turn out for Cruise Night at The Shops at Valley Square on August 19th. The weather was absolutely beautiful and not a cloud in the sky.

Thanks to Candy & Chris Merlino, Penelope Hunt and John Benischeck who sold 50/50 tickets and snacks and kept the music going. The income from the 50/50 tickets was \$47. We made \$184 from pretzels, hotdogs, soda, and water sales even though we sold out of hotdogs again. Way to go!

Our trophy winners were Ron Camburn with his 1934 purple 3-window coupe, Steve McBlane with his 1964 black Ford Fairlane 500 race car with injection stacks and our own Candy Merlino with her 1976 black with colored sparkles Corvette coupe with T-tops. Congratulations to all the winners.

Here's a few pictures from the event. There are many more pictures on our Website and Facebook Page. Join the Facebook Page listed as "Corvette Club of Delaware Valley". Hope to see everyone again next month on

SUNDAY, SUNDAY, SUNDAY September 17th.

CCDV 2024 Wall Calendar

The club plans to build a **CCDV Wall Calendar** each year.

- Sales of the calendar will help to pay various club expenses (insurance, hall rental, website, etc.).
- The calendar is 18" long x 12" wide (when open).
- We encourage **all club members** to submit a photo of their Corvette for inclusion in the Calendar.
- Submitted photos will also be placed onto our website.
- Here are some **Rules of Thumb** for your photos:
 - Include your complete name & year of Corvette (i.e.: John Smith 1992 LT-1).
 - Be aware of the **background** in your photo (try to exclude trash cans, poles, vehicles, fences, random people, parking lots lines, large shadows, etc.).
 - Don't point your camera towards the sun (best to have the sun at your side).
 - Watch for excessive sun glare on your windshield or chrome.
 - Keep windows down to prevent reflection or glare
 - A "closed hood" looks better & requires less print space than an "open hood" photo.
 - Verify your email address hasn't changed since joining the club. This information must stay current.
 - **For the 2024 Calendar, please submit a new or different photo of your Vette. We won't be re-using old photos.** If you submit a photo, it will be in the calendar.
- Email 1 or 2 of your favorite photos to: webmaster@ccdvd.com. Be sure you receive an acknowledgement email (sometimes messages with attachments are sent to the Spam folder).
- **LAST CALL! - Photo submittal deadline is October 7th 2023.**
- Calendars should be available for purchase by mid-November.

CCDV Roving Breakfast

The CCDV BREAKFAST AT Metropolitan Diner on August 13, 2023

The Metropolitan Diner is located at 750 Upper State Road in North Wales. This eatery was recommended by Jeff & Julie Kauf, who live nearby and dine there often. The weather was gorgeous. It was a perfect day to drive our "TOYS". Twenty-three very hungry Vettesters joined the party. We welcomed back T. Wayne & Pattie Lankford, who rode in on their stunning 2023 Ceramic Matrix Gray Metallic C-8. They allowed me to sit in it, so that I could enjoy that comfortable futuristic cockpit. Ahhhhh, that new car smell!

The service and food were excellent. (I think that our table was served first because Maryann and Stan Fisher were regulars.) As usual, the camaraderie was Outstanding! Everyone had a great time!

These monthly breakfasts (and Barb Pergine's dinners) are an easy way for new members to get involved with our club.

Our party animals were: Barb Pergine.....and..... Kevin & Annamarie Allen
Jeff & Julie Kauf..... and.....Eileen & Denny Matlack
Bruce & Linda Houser.....and..... Phyllis Shupp
Jack N Dor DeLong.....and..... Stan & Maryanne Fisher
Jeff & Chris Biscardi,,,,,and..... T.Wayne & Pattie Lankford
Paul McMullin & Barbara Blenheim.....and.....Linda & Wayne Zaks
And that loose cannon: Johnny Bacon

On **Saturday**, September **2nd** we'll breakfast at Michael's Diner at **9:30 AM**.

We hope to see you there.

Chevrolet Surpasses 50,000 Corvettes Produced for the 2023 Model Year

By **Keith Cornett** - Aug 22, 2023

Screenshot Credit: SavageGeese / YouTube

Last week the Corvette Assembly Plant managed to do something that has only been accomplished twice before in the 70-year history of the Chevrolet Corvette. Workers at the assembly plant have surpassed 50,000 Corvettes for the model year. Our actual count including Monday's production total now stands at 50,298 for the 2023 model year.

Here's how the 2023 model year numbers breakdown:

- Corvette Stingrays: 40,657
- 70th Anniversary Stingrays: 4,164
- Corvette Z06s: 4,628
- 70th Anniversary Z06s: 849

Total: 50,298

NEWSWORTHY (cont'd)

As we stated, Chevrolet has only reached the 50,000 milestone for Corvette production twice before. The 1979 model year was the first time that production had surpassed 50,000 and that year is still the record holder with 53,807 new Corvettes produced. Second on the leaderboard is the 1984 model year which was extended following the delay and then cancellation of the 1983 models. A total of 51,547 Corvettes were produced for the 1984 model year which was the inaugural year of the C4 generation. And now we have the 2023 Corvette at number three all time and still climbing the charts!

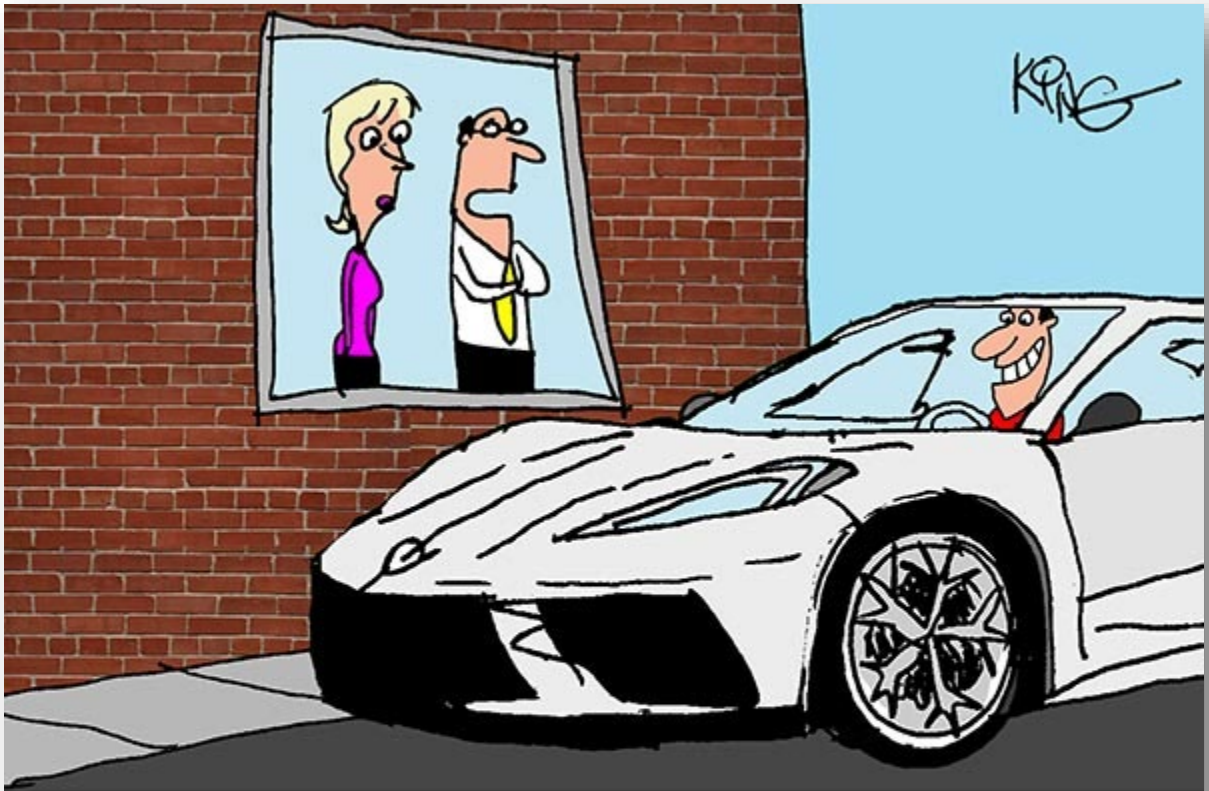

The 2023 model year currently has just 14 days left by our estimation with the final day being September 11th. Full production is generally acknowledged to be around 190 Corvettes built per day. If the plant can average that amount for the next two weeks, that would add an additional 2,660 Corvettes to the total. Even if production drops slightly on some days (Monday's total was only 170), we are still looking at ending the model year at second all-time, still short of the 1979 record.

The 2023 model year has been a banner year for the assembly plant and the customers who are still lining up to throw their hard-earned money at the car. If we can further eliminate the parts shortages and those few days where weather played a factor, the 2024 model year could see another record-setting total as the 2024 Corvette E-Ray enters the fray.
